Amanda  
Kloots bravely  
reflects on  
love, loss, and  
life with her  
husband,  
Broadway  
star, and Tony  
Award  
nominee Nick

Cordero,  
whose public  
battle with  
COVID-19 and  
tragic death  
made  
headlines  
around the  
world. In  
March 2020,  
Broadway star

and Tony Award nominee Nick Cordero was hospitalized for what he and his wife, Amanda Kloots, believed to be a severe case of pneumonia. Entering the hospital, they had every reason to believe that Nick—a young father and otherwise healthy man—would return home. After an eventual diagnosis of COVID-19 that led to Nick’s being placed on a ventilator, Amanda took

to documenting their journey on social media, showing the dangers COVID-19 posed to everyone, regardless of age. Her updates quickly captivated millions, inspiring people around the globe to dance each day to Nick’s song “Live Your Life” and offer positive thoughts and prayer. When he passed away after ninety-five grueling days in the ICU, the world grieved

for Amanda, her infant son, Elvis, and the future COVID-19 had snatched away from them. Live Your Life is the story of Nick and Amanda’s life together—of their beautiful relationship, of Nick’s dramatic fight for survival, of those sudden tragic months that permanently changed her world and ours—and of their interrupted future as a family. From the confusing early days of his illness to

searching for signs of hope in every update from the doctors to the healing sound of Elvis's laughter, Amanda details how she approached even the most devastating moments with the personal optimism and faith that have shaped her life. Written with her sister Anna Kloots, who was with her every step of this journey, *Live Your Life* explores how Amanda's willingness to accept help

from an entire community of people—friends, family, and even total strangers—played a vital role in enduring this hardship. In the process, she offers a touching meditation on how even the worst times have silver linings that deepen our connections to the world around us and to the people who matter most. What emerges is an inspiring and unexpectedly uplifting message for life in the time of COVID, a

vision of courage for anyone coping with overwhelming loss or the collective trauma of what the pandemic has taken from us. A poignant reflection on love, hope, motherhood, and the transformational power of music, *Live Your Life* is a love letter to Nick and a reminder that, sometimes, celebrating life today is the only path through tomorrow's darkness. *Live Your Life* includes 16

pages of color photos exclusive to the book. *Cheatingland* Astra Publishing House Best Advice on Life after Baby Arrives presents tried-and-true, practical tips for moms, from moms. Addressing a mother's needs and issues - from how to deal with the inevitable exhaustion, to reconnecting romantically with her husband, to carving out time for herself - this book provides

comfort, reassurance and inspiration to women facing the demanding first months after the baby arrives. "I ended up having panic attacks right after I had my first baby, because I didn't see a light at the end of the tunnel. Well, here I am with four kids now, and I can tell you it does get better. What you're going through isn't what things will always be like. Don't let anyone,

especially yourself, make you feel guilty for doing something for yourself." "Get up 30 minutes earlier than everyone else and make it clear to everyone in the house that this is your time." "As long as your baby has food in her belly, clothes on her back, and is not overly wet, then that time is yours. You don't need to get in the habit of holding the baby all the time. Babies also need to learn to become

independent - they need to know that someone doesn't need to hold them all the time." *Sex Tips for Straight Women From a Gay Man* Harper Collins Witty sex guide which will appeal to watchers of *Sex and the City* and *Will and Grace*. A huge word-of-mouth success in the States. *Wearing My Wife's Sexy Lingerie* Emmaus Road Publishing NATIONAL BESTSELLER • The lives of three

didn't hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men.

Ames isn't happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames's boss and lover, Katrina, reveals that she's pregnant with his baby—and that she's not sure whether she wants to

keep it—Ames wonders if this is the chance he's been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous

taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel. Wearing My Wife's Sexy Lingerie Thomas Nelson Is what you believe about marriage getting in the way of a GREAT relationship? When you've put into practice all the usual advice, but your marriage still falls short of the intimacy and joy you want, what then?

Are patience and perseverance your only hope for a better relationship? Author and speaker Sheila Wray Gregoire says, "Absolutely not!" The solution to a happier relationship is not found in being a more patient, more perfect wife, but in taking responsibility for what you can do—and especially for how you think about your marriage. She challenges you to replace pat Christian answers with

nine biblical truths that will radically shift your perspective on your husband, your relationship, and your role in God's design for marriage, including... · My Husband Can't Make Me Mad · Being One Is More Important Than Being Right · Having Sex Is Not the Same as Making Love With humor and honesty, Sheila invites you to believe that God wants to bring oneness and intimacy to your

marriage—and challenges you to partner with Him in that process by changing the way you think.

In this headline-making book, Daniel Bergner turns everything we thought we knew about women's desire on its head. Drawing on extensive research and interviews with renowned behavioural scientists, sexologists, psychologists

and everyday women, Daniel Bergner asks: - Do women really crave intimacy and emotional connection? - Are women more disposed to sex with strangers or multiple partners than either science or society have ever let on? - And is 'the fairer sex' actually more sexually aggressive and anarchic than men? "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"-- Margaret B. Buchanan  
From advertisement s to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to.

Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray

Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations

such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they

can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

 Game of Thrones fans will love the New York Times bestselling Abhorsen

series. Sabriel, the first installment in the trilogy, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. Dark Secrets, Deep Love, and Dangerous Magic Sent to a boarding school in Ancelstierre as a young child, Sabriel has had little experience with the random power of Free Magic or the Dead who refuse to stay dead in the Old Kingdom. But during her

final semester, her father, the Abhorsen, goes missing, and Sabriel knows she must enter the Old Kingdom to find him. She soon finds companions in Mogget, a cat whose aloof manner barely conceals its malevolent spirit, and Touchstone, a young Charter Mage long imprisoned by magic, now free in body but still trapped by painful memories. As the three travel deep into the Old

Kingdom, threats mount on all sides. And every step brings them closer to a battle that will pit them against the true forces of life and death—and bring Sabriel face-to-face with her own destiny. “Sabriel is a winner, a fantasy that reads like realism. Here is a world with the same solidity and four-dimensional authority as our own, created with invention, clarity and intelligence.”

There’s no doubt marriage can be a challenge—we’ve all heard that half of marriages end in divorce. A

common problem you may face as a couple is feeling stuck or disconnected —lonely within the marriage—as if you and your spouse were worlds apart, even as you present a united front. Attempts to discuss the problem may lead to painful arguments, and even couples therapy may prove more expensive and time-consuming than effective, putting each of you on the spot and

moving so quickly that you may leave, session after session, without feeling closer. E-mail, however, can be a much less threatening way to communicate your true thoughts and feelings. Based on the author’s popular online relationship coaching sessions, each chapter of this book provides an e-mail writing assignment focused on a different topic, such as sex, intimacy,
