Publisher Description

Farmer and Stock-breeder

Archipelago

"Since 1957, when Martin Davies published *The French School*, an unprecedented amount of research has been undertaken on French seventeenth-century artists. Taking account of this, Humphrey Wine has written afresh on the seventeenth-century paintings in Davies's catalogue; he has also written detailed entries on all subsequent acquisitions in this field. These include, as well as paintings by Claude and Poussin, major pictures such as La Hyre's *Allegory of Grammar*, the Le Nain brothers' *Adoration of the Shepherds* and Le Sueur's *Alexander and his Doctor*."

Mining and Scientific Press Virago Press

Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for *La France libre*, which later grew into *Book of My Mother*. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother." From the Trade Paperback edition.
