It all started when I started school grade one, when my teacher tied me to a chair. From there, my life was hard. I was bullied right through my school days, made fun of, and teased. It was really hard for me as a child. I am still trying to

work out why do children do it? Dont they see what they are doing is really breaking children down in spirit and in life? This book shows how I dealt with it every day.

Nowhere in the Bible does it say that life would be easy. I met so many people who went through what I went through. Everyone deals with it in a different way. I concentrated on the word of God. I was talking to a teenager one day, and she

had so many problems. Thats when I decided to change my poetry book to a fifty-day diary to help people overcome the obstacles in their life. By writing this book, I hope people will see what they missed in life. By casting all your burdens on to God, you will be healed. It is not an easy road to walk, and it never will be. But with God by your side, you will make it. I also did some research and found that not a lot of

people can concentrate for long on something. That's why I only made it fifty days. So that people can take time out afterwards and think about the path they walked alone, without God by their side. My aim in writing this book is that people would see that with God by their side, anything is possible and that they can overcome the biggest obstacle in life and that nothing can hold them back.

Beloved I pray that you may prosper in all things and be in health, just as your soul prospers 3  
John 2 (NKJV)  
It has been a dream of mine to prosper financially using biblical principles. I prayed about it, and then one morning, the Lord told me that it was time and that He would teach me. He instructed me to wait on Him every morning and to write down the things He taught me. I followed His

instructions, guidance, and wisdom, writing it all down for a full year. This book is the result of our time together. To my surprise, this became a book of many books! The Lord would guide me to a specific book, teach me from it, and then move on to the next book. It was totally supernatural! As I followed the leading of the Lord, it became clear to me that God was taking me on a year-long journey of

prospering my soul, which in turn would influence my financial situation. I learnt that I could not prosper in any given area unless my soul prospered in that area too, hence the book's title. This book takes many twists and turns, and even has a few surprises. Did I reach my goal of financial prosperity? You have to read it to find out!

 Prayer is how we connect to God. He does not act on our emotions or

tears. He acts on our prayers. Have faith and talk to Him, He is waiting to hear from you right now. He wants to be in your life. He wants to act on your behalf so speak to Him now and have faith in Him. You are special to Him, you are set apart for Him.

### The Poetic

Word Simon and Schuster  
There are so many worrying situations in the world today that draws man's attention. For instance the world has become a play ground for wars, hunger, diseases, poverty, killings, injustices and other tragedies; putting man at the receiving end of these unfriendly

experiences. As a result, it becomes man's desire to free himself from these situations in his journey through life. Therefore, the book "The Path of Life" is designed as a resource for man to bring his worries in his petitions to God who is the only hope for solutions to his problems. It is designed to be the "Petitioners verses" which readers could use as resource to bring their cases to God's attention on

individual basis. This is why every title in the book is classified under Introduction, Petition, Message and Prayers with the aim that as they use this book, readers will become more intimate with God even in the face of their problems and realise that God is closer than they ever thought. Indeed, this will become very evident as their petitions are answered to change their

lives all to the Glory of God. Check out some of the titles in the book like "In the beginning and as you go", "I never knew", "Forgiveness is the key", "Because God loves us", "My God will arise", "My child", "They cannot understand", "Homeward Bound" and "Final Destination" for a taste of what "The Path of Life" is about. May the Lord speedily answer your petition as you use this

 Health is something everyone wants. Billions of dollars are

spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not...

 Emmaus: The Way of Faith is a course designed to welcome

people into the Christian faith and the life of the Church. It aims to involve the whole Church in evangelism, the nurture of new believers and ongoing Christian discipleship. Knowing God is one section of this material. Designed to deepen new Christians' understanding of the basics of Christian doctrine it addresses questions like: How does God affect the whole of my life? What significance

does the story of Jesus Christ have for my life? What part should the Holy Spirit play in my life? It examines these issues through four short courses: 1. Living the Gospel (4 sessions) 2. Knowing the Father (4 sessions) 3. Knowing Jesus (4 sessions) 4. Come, Holy Spirit (4 sessions) Knowing God is ideal as a follow on from: an enquirers' group; a Nurture or Alpha Group; a new

Christians' group; a confirmation class; a refresher course for established Christians. Each session has detailed leaders' notes and fully downloadable (or photocopyable) handouts on the accompanying CD-ROM. **Working Through Life Fifty Days to Jubilee** Xlibris Corporation After being diagnosed with terminal cancer, a professor shares the lessons he's learned—abou

t living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. "We cannot change the cards we are dealt, just how we play the hand."  
—Randy Pausch  
A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but

mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy?  
When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But

the lecture he gave—"Really Achieving Your Childhood Dreams"—was n't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have . . . and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book,

Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The dramatic shift related to God's Holy Spirit that occurred on the Day of Pentecost, immediately

following Christ's death and ascension to heaven. God's actions on that day were a monumental event in human history and in His great master plan of salvation. God's Holy Spirit was poured out and made available, not just to the disciples and Israel, but to nations far off and to all that God may call. Through His Spirit, God works for us

and through us to bring us into His Kingdom. 1 Corinthians 12:7 NIV: Now to each one the manifestation of the Spirit is given for the common good. Jesus said in John 14:12 NIV, : Very truly I tell you, whoever believes in me will do the works, I have been doing, and they will do even greater things than these, because I am going to the Father.
