"This is the story of a painter's life. To make phrases about William Nicholson's work is to insult and offend him ... The history of a painter's life is the history of his work and of the conditions under which he does his work; after that let the work speak for itself"--Page 9.

*William Nicholson* Quercus

A stylish romantic comedy and a brilliant follow up to *All the Hopeful Lovers* from the award-winning screenwriter. Maggie and Andrew are lovers who live apart--Maggie in the country, Andrew in London. When Andrew is offered a job close to Maggie, moving in with her is the obvious next step. Or is it? Moving in together leads to marriage. Is this the man she wants to spend the rest of her life with? Maggie panics. Andrew is devastated. But when he turns the tables on her, Maggie begins to see him rather differently. Meanwhile Maggie's Sussex neighbours are living through their own intense dilemmas. Henry's midlife crisis is exacerbated by a plague of rabbits in his garden, but hiring petty criminal Terry to extend the fencing turns out rather badly. Henry's wife Laura is secretly adored by her brother in law, Roddy. He hovers in the wings waiting for the moment to declare himself; while screenwriter Alan's efforts to convert a Grade II listed outbuilding to a workspace are thwarted by a maddening conservation officer--who happens to be Maggie.

This volume provides a documentary account of William Nicholson's life and work. It uses contemporary records, articles and reminiscences, and the numerous letters William wrote to his family and friends. The text considers what Nicholson painted, why and for whom; what spurred him on to experimentation and artistic adventure; how he fared in times of elation and anguish; how he combined the serious playfulness of his vision with a deep affection for nature; and how he collaborated with some of the leading men of his day, among them Rudyard Kipling, J.M. Barrie, William Orpen, Edwin Lutyens, Robert Graves (his son-in-law), and Winston Churchill. The aim is to do justice to the diversity of William Nicholson's work, and provide a detailed portrait of the man and the artist.

**William Nicholson** Houghton Mifflin Harcourt

How well do we know the people we marry? Is it wrong to decide it's time to be honest? Is love enough to save a family? In *The Retreat from Moscow*, William Nicholson, the celebrated author of *Shadowlands*, tells the powerful story of a husband who decides to be truthful in his marriage, and of the wife and son whose lives will never be the same again. Edward and Alice have been married for thirty-three years. He is a teacher at a boys school, perfectly at home with his daily crossword and lately engrossed in reading about Napoleon's costly invasion of Moscow. She is an observant Catholic, exacting and opinionated, and has been collecting poems about lost love for a new anthology. Jamie, their diffident thirty-two year old son, is visiting for the weekend when Edward announces he has met another woman. With the coiled intensity of Tom Stoppard's *The Real Thing* and the embracing empathy of Edward Albee's best family dramas, *The Retreat from Moscow* shines a breathtakingly natural light on the fallout of a shattered marriage.

British suburbanites wrestle with the trials of midlife: "Smart, crisp insight and lacerating wit . . . The feel of a Nick Hornby novel with a little more teeth" (Publishers Weekly). When Belinda discovers her husband is having an affair, she's furious, hurt, and bent on leveling the score. But Belinda isn't the only one in her affluent suburban neighborhood suffering the indignities and disappointments of middle age. Instead of resting comfortably in the glow of earlier good decisions, she and her neighbors have just as much angst as they did in their twenties. One of Belinda's friends fears her own husband is unfaithful, too. But when she finds out there's no other woman—that he's found God instead—this, to her, is the biggest betrayal. A renowned artist, near death, is convinced that his entire life has been a waste. And a schoolteacher, upon achieving his dream of selling a screenplay to Hollywood, finds himself buffeted by the maddening whims of the studio executives, who are no longer looking for a serious drama, but a low-brow comedy about a talking dog. Yet, even as the grownups in this searching, beautifully told story try to claw back the happiness that has slipped away, two college kids who believed they'd never find love discover a glimmer of hope . . .

"Laura is a happily married mother of two. But when her college boyfriend resurfaces after twenty years, she's forced to compare the passion of that first love with the domesticity of her suburban life in a gentrified English village. What if she'd stayed with him? Would she be happier? And what is happiness, really? Little does she know that many of her neighbors are struggling with their own personal crises. Among the cast of characters are a rector who has lost his faith, a school teacher

who longs to be a screenwriter but receives only rejections, a struggling farmer who resents the influx of young professionals and their privileged offspring to this formerly rural area, and a journalist who can't stop sleeping with her ex, even though it's ruining her life"--Cover, p. 2.

**An Almanac of Twelve Sports** Arkose Press

A true tale of illicit love in the era of Emily Dickinson. The author adds her own annotations to correspondence, journals, diaries and the observations of the protagonists' peers, to paint a detailed picture of social and sexual mores in 19th-century America.

*The Gladiator. Buch und 2 Cassetten..* A&C Black

Jack Lewis is smug in his convictions about God and His plan for the world until Joy and her young son enter his life and the bewildered theoretician of love in the abstract finally confronts its direct presence.

*Seeker* Houghton Mifflin Harcourt

With pace, wit and a beady eye, *Adventures in Modern Marriage* revisits the characters from Nicholson's highly acclaimed *The Secret Intensity of Everyday Life*. But now the children are grown up, and the adults are older, though not always wiser. Here is a big-hearted novel about life and love in the bestselling vein of Colm Toibin and Nick Hornby 'So incredibly accurate and true. Utterly captures the sense of quiet desperation of ordinary lives ... and the ways in which life turns on a sixpence' Kate Mosse on *The Secret Intensity of Everyday Life* Focusing on Henry and Laura Broad and their daughter Carrie, this is a minute - but in true Nicholson style, extraordinarily empathetic - dissection of relationships and what keeps them going. It is an acute and compassionate look at male mid-life crises, female sexual desire, death and the fear of it, children and the trouble with them - all the things we battle with every day.

*The Secret Intensity of Everyday Life* Nicholson

The crucifixion. A grisly, criminal death, yet a triumphant occasion for displaying God's miraculous redemptive power. Explore the six great wonders God performed at Calvary: the darkness, the rent veil, the earthquake, the opened graves, the undisturbed graveclothes, and the restoration to life of Old Testament saints.

**General Biography; Or, Lives, Critical and Historical, of the Most Eminent Persons of All Ages, Countries, Conditions, and Professions, Arranged According to Alphabetical Order**

Simon and Schuster

Fast-paced, beautifully crafted, and intellectually stimulating, *The Trial of True Love* is a captivating exploration of the nature of love, its elusiveness, and most of all, the universal human need to find it. Bron is a thirty-year-old writer living in London, a seemingly incurable heartbreaker and dodger of commitment. He is fascinated by the symbolist artist Paul Marotte and has made the artist the center of a book he is writing about love at first sight. On a visit to a friend's country house, Bron encounters the beautiful, enigmatic Flora and suddenly the theme of his book takes on a completely new, intensely personal dimension. His pursuit of Flora takes him to Amsterdam, where a mysterious art collector offers to help him find the object of his desire, and the search for "true love" takes

surprising twists. With the touch of a master, William Nicholson weaves thought-provoking reflections on art, literature, and human nature in a suspense-filled love story--a novel that touches both the heart and the mind.

**Austin and Mabel** Arkose Press

Belinda, just fifty, wistfully reflects how much better she is at sex now than when she was young and gorgeous, and then discovers to her fury that her husband Tom is having an affair. *All the Hopeful Lovers* tracks the emotional rollercoaster she lives through over the seven days following her discovery. At the same time we learn what's going on inside the mind of Tom and of his lover Meg. Weaving through this web of middle-aged lovers is a tangle of teenage ones, as Belinda's flirty daughter Chloe tries to set up Jack with shy Alice, without realizing that Jack is full of secret longings for her.
