Before the Krewe of Hunters, there was Harrison Investigations. Together for the first time in one value box set, three stories of romantic suspense tinged with ghosts and mystery, only from New York Times bestselling author Heather Graham. The Presence Toni MacNally buys a run-down Scottish castle to turn it into a

tourist destination, completed by inventing the perfect story about the ghost of the imaginary laird Bruce MacNiall. Then someone arrives claiming to actually be Laird MacNiall—a tall, dark, formidable Scot. Around the same time, the bodies of young women are being found in the nearby town. Toni's sinister, lifelike dreams suggest the impostor is connected to the recent deaths. Bruce claims he wants to help catch the murderer. But even if she wants to, can Toni trust him...when her visions seem to suggest the tempting laird might be the murderer?

The Séance A chill falls over Christina Hardy's housewarming party when talk turns to a recent murder that has all the hallmarks of the so-called 'Interstate Killer' murders from fifteen years before. To lighten the mood, the guests drag out an old Ouija board for a little spooky fun—and that's when things become truly terrifying. Cop-turned-writer Jed Braden is skeptical of Christina's ghostly encounters, but his police sources confirm all the intimate details of the case—her otherworldly source is reliable, and the body count is growing. The spirits are

right. The Interstate Killer is still out there, and Christina's life is hanging in the balance between this world and the next. Nightwalker One night, desperate for money to support her grandfather, Jessy Sparhawk places the bet that will change her life forever. Just as she's collecting her winnings, a man stumbles through the crowd, a knife protruding from his back, and crashes into her, pinning her to the table. Hired to investigate the murder, private detective Dillon Wolf finds himself fascinated by the gorgeous redhead who'd been trapped beneath the victim—and by the single word the dying man had whispered in her ear. Indigo. One murder leads to another as Dillon and Jessy realize that the nightmare is only just beginning—and that the dead still have a hand left to play.

This boxed set includes all three books in

the Special Investigations Group romantic suspense series. These detectives hunt down serial killers for a living so they're more jaded than most, especially when it comes to love... Shades of Desire: After losing her vision, photographer Natalie Jones is attacked, and she teams up with Special Agent Liam "Mac" McKenzie to catch a predator. Soon, Natalie dares to envision a future with Mac beyond the investigation...never guessing that the clues hidden within her photographs are drawing them into an explosive confrontation with a madman. Shades of Temptation: Carrie Ward, a Special Investigations Group detective, saves her risk taking for the job. But when she's asked to pursue a high-profile serial killer, she'll have to join forces with the last man she wants to depend on, playboy Detective Jase Tyler. Shades of Passion: Detective Simon Granger has devoted his life to solving high-risk cases, and he's vowed never again to get involved with a woman whose work is equally as dangerous. But when the Special Investigations Group teams him with a beautiful psychiatrist, his resolve is shattered by the tense and emotionally

charged partnership as they team up to find a killer.

Investigation of the Assassination of Martin Luther King, Jr CreateSpace

Ten days in Sydney, Australia with my first boyfriend! My Spring Break couldn't be better. Sure, it's a mission for GASI, but we lucked out with our cover story. We are boyfriend and girlfriend traveling with a group of American high school students. I mean, sure, we have some terrorists to stop. And some of the teens on the trip aren't the nicest. Then there's this guy, Aaron, who seems to be watching us. With Grandma, Nic, Christie, and some help from the Australians, how can we lose? Except some of our help is actually a hindrance and we're down to the wire on stopping the terrorists from blowing up the Sydney Tower. The brutal truth is that missions fail, but can we live with ourselves if we don't succeed?

This all-encompassing travel guide features approximately 100 exciting destinations like Buenos Aires, Brazil, Columbia, Greece, and Thailand, and

everything college students, grads, and those in their twenties and thirties want to know about them, including: the cities with the craziest sex shops; the best places to get a tattoo; where to check out some amazing street art; why you should try fried bugs; the best clubs to party until dawn; and much more. Broken into three parts, the first section focuses on what to do and where: food, fashion, music, sports, sex and partying, and more. The second half of the book dives into practical tips and advice on budgeting, hostels, and transportation, and the third section offers great ideas about extending your stay. Entertaining and informative, this lively guide also includes fun charts and graphs and 100 to 150 full-color photos throughout.

THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING FIXER-UPPER MYSTERY SERIES! Don't miss the Hallmark Movies & Mystery Originals starring Jewel, based on the Fixer-Upper Mystery series! In the seaside town of Lighthouse Cove in northern California, everyone knows the best man for the job is actually a

woman—contractor Shannon Hammer. But while her home-renovation and repair business is booming, her love life needs work. On a blind date with real estate agent Jerry Saxton, Shannon has to whip out a pair of pliers to keep Jerry from getting too hands on. She's happy to put her rotten date behind her, but when Jerry's found dead in a run-down Victorian home that she's been hired to restore, the town's attractive new police chief suspects that her threats may have laid the foundation for murder. Determined to clear her name, Shannon conducts her own investigation—with the help of her four best friends, her eccentric father, a nosy neighbor or two, and a handsome crime writer who's just moved to town. But as they get closer to prying out the murderer's identity, Shannon is viciously attacked. Now she'll have to nail down the truth—or end up in permanent foreclosure...

Book four of Murders by Design Interior designer Deva Dunne finds more than fabulous furnishings on her trip to the design mall; she and her client come upon

the body of one of Deva's favorite shop owners, swinging from the atrium railing. It looks like suicide, but Deva feels sure that the purveyor of Florida's finest antiques would never leap to his death from a tacky blue stool. Deva's boyfriend, studly and stoic police lieutenant Victor Rossi, looks into it, but there's not much to go on. He's focusing on their future these days, and he wishes Deva would steer clear of danger. But everyone around Deva seems to be keeping secrets, and she's getting some strange reactions to the designs she's doing for a big charity event. When she experiences a mysterious attack, she knows she's at the center of something huge—and if she doesn't outwit this killer fast, her only future will be six feet under. 73,000 words

For Immortal Huntress and cunning private investigator Nikki Glass, vengeance trumps all in this complete collection of acclaimed author Jenna Black's addictive urban fantasy series! The omnibus edition of all four Descendant novels, as well as the e-novella Pros and Cons that takes place between the events of Deadly

Descendant and Rogue Descendant, is a must-have for all urban fantasy fans.

**Special Investigations Group Boxed Set** Xlibris Corporation

An ancient evil is unleashed in the modern world— unless one fearless P.I. can hunt it down. . . . Nikki Glass, Immortal Huntress, returns in this new novel in the acclaimed series by Jenna Black. As a living descendant of Artemis the Huntress, private investigator Nikki Glass knows how to track someone down. But when an Oracle shows up, warning the Descendants about wild dog attacks in Washington, D.C., Nikki is afraid it might be a trap. The Olympians believe the “dogs” are really jackals, controlled by a blood-crazed descendant of the Egyptian death-god Anubis. Whatever. . . . If Nikki hopes to muzzle Dogboy, she’s got to catch him in the act. But when she stakes out a local cemetery, she ends up face-to-snout with a snarling pack of shadow-jackals whose bite is worse than their bark. These hellhounds are deadly—even for an immortal like Nikki. “Dog” spelled backward may be “god,” but that won’t stop Nikki from teaching these old gods some new tricks. Like playing dead.

It’s interesting that we tend to seek for answers with the same brain that has produced the questions and then wonder why we keep the questions but not have the answers or why the answers never seem to match our initial perceptions or expectations when making the questions? And yet, for some reason, we persist for months, and even years of our life, with the same questions. Very often, we give up on finding the answers, but the questions remain, buried in our subconscious mind. And so, and ironically, I find myself realizing that the best answers can only be seen and not searched. Truly, you can only look at what lays in front of you, because life is perfect already, and anything that can be found beyond our preconceived ideas about life is really beyond our preconceptions, thoughts or expectations, which means one cannot be without not being. In this book, I will show you what I’ve found when forgetting myself, when allowing myself to feel stupid and realizing that I know very little about life, and in specific, women, which is something I had to do if I wanted to truly know how to conquer a ten instead

of settling for less. I actually thought I had conquered many tens before in my life, you know, those women every man wants, that they try to anxiously seduce even as she is right next to me, or that they want to learn how to seduce by becoming my friends first and copying what I do next. But recent experiences shown me that the level can always be upgraded. Those tens are now ones when compared to the astonishing goddesses I met in the baltic countries. In my previous books I did mention women that are socially perceived as a ten. But what if you met the hottest girls in the world? What kind of ten is that previous girl you met? Relearning about how to answer such questions is what I did to write this book. After ending a five years relationship with a woman that was a ten from the social perception of any country we visited together, in a nearly total of thirty countries, often making men wondering what a guy like me had that they didn’t, and assuming it’s just the size of my cock, was what I did to upgrade my game and take it to a completely new level, far beyond my personal expectations. I decided to travel for 4 months in 7 of the

countries with the most beautiful women in the world: Finland, Estonia, Latvia, Lithuania, Denmark, Belgium and Spain. This book resumes conclusions that I'm not necessarily proud or happy about, but that, as a social, psychological, but also psychopathic, and foremost, mindfucking scientist, as well as researcher, do present very accurate insights into the female mind, at least the one that is at the top as the most appreciated, the tall, blond and blue or green eyes blond with long hair and beautiful facial features. You know, that goddess that you thought only existed either in the Lord of the Rings or very high quality porn movies. Yep, I'm going to teach you here how to blow yourself away with amazing success in picking up and dating the hottest women in the world. And if you can't, well, fuck it and fuck you, because I'm not your father and this isn't LSD and won't make miracles for you just because you read it. This is just a book. You're responsible for what you do, say and also for who you are. So, don't blame me or anyone else for being yourself and existing in the way you do. If you want these tips to work, you must use them over and over again, because they're so

good that they even work on men. That's right, I made as many male friends as I made female friends by behaving and talking like what I will show you here. And I also did have amazing conversations with some guys while seducing their girlfriend in front of them. The emails that these girls kept sending me still surprise me to this day.

**An Investigation of Permanent Record Cards for Secondary Schools** Bella Books

From USA Today bestselling author Jennifer Sucevic comes a steamy, older brother's teammate off-limits new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky football player who falls first and hard for her. Carson Roberts is Western University's most sought-after tight end. He's the total package. A pretty face to go along with all those sculpted muscles—check. An All-American—double check. A guaranteed one-way ticket to the NFL after graduation—triple check. Did I happen to mention that he's also my brother's best friend, which means I grew up with the guy and have crushed on him for nearly just as long? We're talking a

decade of unrequited yearning here, folks. Don't worry, I'm slowly coming to terms with the fact that he'll never see me as anything more than the little sis he never had. Sort of. And even if he did just so happen to notice that I've filled out and no longer wear braces, Brayden would have a major conniption. When it comes to the male species, he's ridiculously overprotective. Any guy who has so much as given me a bit of side-eye has been treated to a swift and memorable beat down. Which is precisely why I'm still in possession of my V-card. Want to know how to make being a nineteen-year-old virgin with a major crush on her brother's best friend even more pathetic? Blurt out at a frat party that you've spent all these years saving yourself for him. Sadly, I can't even blame it on the alcohol because I don't drink. If you're thinking it can't possibly get more humiliating than that, you'd be wrong. Oh. So. Wrong. ---- "There is an intense sexual tension between them that had me on the edge of my seat, waiting for it to break" -Joy, GoodReads "This was such a great read with real life issues that were handled admirably and the love between Elle and Carson was

 From USA Today bestselling author, Leslie Langtry comes the next assassin-in-

suburbia Merry Wrath Mystery... The Halloween Parade is coming up, and former CIA agent-turned-suburbanite Merry Wrath’s Girl Scout Troop hopes to repeat a 1st place trophy for the 3rd year in a row. But when they find a dead woman dressed as a witch, a mysterious treasure, and face a ruthless kidnapping, it looks like Merry’s in for a different kind of triple threat. To add fuel to her bonfire, Mom’s in town—meaning Merry has to replace all that bullet-riddled furniture in the guest room—and with her wedding date approaching, her groom-to-be's twin taxidermist sisters are insisting on doing the decorating. Between her family fiascos and a dead witch who was loathed by everyone in town, Merry's head is spinning faster than an apple in a bobbing barrel. Who wanted this mean girl dead? than anyone else. He might not like having sidekicks, but he hasn't gotten rid of his yet! David Wright digs up clues right by Emmet's side. It's fine, Emmett is totally not still into David. That was over back in high school! Find a Man, Don't Settle Down Cheating exes, missing exes, and former crushes There are few things in this world that private investigator Emmett Naoki loves. His job and the business he's built, OWL Investigations, are his biggest passion. Then there's sleeping in and working alone, but he isn't getting much of either these days. His hates are similarly specific. He despises his gift—or curse, depends on how you look at it—of always being hit with the truth right in the face. He loathes smug bastards who used to make him feel unwanted as a teen. Yet he's hired their king, David Wright, as his sidekick. In Emmett's defense, he was drunk at the time. At the top of his hate list are liars and cheaters. They're the lowest of the low. So why exactly has Emmet agreed to help cheating ex no.1, Byron, to find backstabbing—and now missing—ex no.2, Chris? Especially since the cops think nothing's amiss. It's Murder on the Catwalk More lying, more cheating,

more blasts from the past. With a side of murder. Just when Emmett thought he was done with exes with a thing for backstabbing, another one falls in his lap. Not his ex, for once. No, this one belongs to Emmett's new partner at OWL Investigations and former—okay, maybe current—crush, David. The bad news? Shirou is here to stay and piss off Emmett for the foreseeable future. Why David doesn't kick him out, Emmett will never know. The worst news? Emmett can't stop thinking about the kiss he's shared with David. There's good news, sort of. Emmett gets to travel to a seaside resort in Turkey to investigate a suspicious death. Too bad he must go back to his modeling roots to find the killer! Leave Me, Baby, One More Time Sidekicks are so much trouble! Especially when you have a soft spot for them. And they're suspected of murder. Private investigator Emmett Naoki went to great lengths to stay clear of his assistant and past and present crush, David Wright. Yet one call for help is all it takes for Emmett to drop his vacation plans and run home to save David's ass. The hardest part is to keep the I told you sos to a minimum. For months, David has refused

to kick Shirou, his ex, to the curb. To no one's surprise, Shirou puts them all in danger when his long-term lover is murdered. In Emmett and David's office. David makes an obvious suspect. He's also too stubborn to make things easier for himself. Add a possible Yakuza connection, an on-and-off girlfriend with an axe to grind, and David's lying ex being as useless as ever, and Emmett is served a bitter cocktail of disasters just waiting to happen. Bottoms up! If you like fast-paced mysteries, snarky private investigators, and enough secrets and trust issues to last you a lifetime, download this binge-worthy three novel collection today and see where Emmett's "gift" takes him next.

In *Let Me Be Brief*, Jordan McKenzie has worked as a legal secretary in the San Francisco Bay Area for a number of years

for a quasi-public entity. Not long ago she moved from one branch of her law firm, Brown, Holt & Lister, to another location where the supervisor, Ophylia Millard, is something of a micromanager. No one is happy with Ophylia's management style and most of the staff wishes she'd move on as quickly as they can. Jordan tries to keep her head down and out of the line of Ophylia's fire until she arrives at work one day to find said supervisor dead. Worse, Jordan also finds herself as the number one suspect. Relying on her knowledge and experience as a top litigation secretary, she begins her own investigation to clear her name. Determined to prove her innocence Jordan utilizes the same discovery techniques she'd use as a legal secretary. Can she convince the local detective bent on arresting her that she's really just an innocent victim? Or will she be using her legal skills at the gray bar inn (commonly called the local jail)?

*Hot and Sour Suspects* Carina Press

In what appears to be an accident, a military transport making its approach to a small civilian airstrip plummets abruptly from the sky. The official Air Force report

reveals that a brief disruption in the airports electrical power had occurred just before the crash. The sudden loss of runway lighting, the investigation concludes, caused the pilot to lose his bearings. It was a no brainer. Case closed! Or was it? If it had been that simple, why were the alarms resonating in the compulsive brain of Noel Parke, New York regional director of the Department of Homeland Protection? As Parke and his long-term associate Hiram Willoughby dig deeper into the events immediately preceding the crash, they begin to discover an inconsistency here and a contradiction there. Suddenly their growing suspicions gain new life as Dr. Natalie Bernard, top scientist at the Energy Warfare Complex, arrives on the scene with a shocking revelation. What had brought down the plane, she is convinced, was not the darkened runway, but an intense beam of microwave energy from an ultra-advanced weapon that she herself had designed for the Air Force. Someone, probably on her own research team, had stolen her blueprints and replicated the prototype. And now the most sophisticated weapon on the planet

was in the wrong hands. In Times Square, the lights begin to flicker. But dont worry, its just a warning. The Electrician wants

tons of money, or hell shut off the lights everywhere for years at a time. Noel Parke must find a way to stop him before the city plunges into a silent darkness from which

it may never recover. Silent Darkness is not science fiction. It is a warning of what lies at the corner of today and tomorrow.
