PARSONS JOSEPH

The tragedies of Euripides, literally tr. or revised, with critical and explanatory notes, by T.A. Buckley MIT Press
 A beautifully illustrated, wonderfully engaging A-to-Z guide to more than 700 major and minor gods and goddesses, characters, creatures, and places of classical Greek and Roman mythology. Classical Mythology A-to-Z is a comprehensive and engrossing guide to Greek and Roman mythology. Written by Annette Giesecke, PhD, Professor of Classics and Chair of Ancient Greek and Roman Studies at the University of Delaware, this brilliant reference offers clear explanations of every character and locale, and captures the essence of these timeless tales. From the gods and goddesses of Mount Olympus and the heroes of the Trojan War to the nymphs, monsters, and other mythical creatures that populate these ancient stories, Giesecke recounts, with clarity and energy, the details of more than 700 characters and places. Each definition includes cross-references to related characters, locations, and myths, as well their equivalent in Roman

mythology and cult. In addition to being an important standalone work, Classical Mythology A-to-Z is also written, designed, and illustrated to serve as an essential companion to the bestselling illustrated 75th-anniversary edition of Mythology by Edith Hamilton, including 10 full-color plates and 2-color illustrations throughout by artist Jim Tierney.

Of a Happy Life Penguin

Una historia de la lectura, desde los escribas hasta los audiolibros. Si miramos con perspectiva nuestra historia, de los más de 120.000 años que tiene nuestra especie, la escritura existe desde hace solo cinco mil. Leer es algo muy nuevo. Mucho más aún lo es la lectura individual y en silencio. Antes de leer como lo estás haciendo ahora mismo, la literatura era un acto social y se leía para otros, y no solo eso, sino que en el Renacimiento llegó a existir la figura de «Lector de su Majestad». Obras como El Quijote, La Celestina o El Lazarillo de Tormes llegaron al pueblo gracias a las declamaciones que se realizaban en las calles y este tipo de lectura sería clave también en el progreso de las ideas revolucionarias entre los franceses del siglo XVII. La lectura en voz alta llegó a ser un acto popular en las reuniones sociales del siglo XIX y, a pesar de haber cambiado

nuestro modo de leer, ha pervivido de un modo u otro hasta nuestros días. ¿Por qué se leía en voz alta? ¿Cuándo y por qué pasamos a hacerlo en silencio? ¿Tiene sentido leer en alto en el s.XXI? ¿Cómo han aprendido a leer las máquinas y cómo leeremos en el futuro?. Maribel Riaza intenta dar respuesta a todas estas preguntas en este libro ameno, divulgativo y lleno de curiosidades que nos lleva a conocer mejor cómo eran los lectores que nos han precedido y cómo se ha disfrutado de la literatura a través de este noble arte de leer.

Scaramouche FV Éditions

An exploration of our understanding of the purpose of capital and the cultural, historic and environmental aspects of how we have come to understand the relation between economic, social and environmental components of capital. Offers a vision of capital as a fuel to promote individual freedom in the context of community and Earth.

La voz de los libros Ediciones Universidad Alberto Hurtado

This book is a study of the literary reception of the originally Greek love-story of Hero and Leander, examining the nature of the tale and demonstrating its longevity and huge popularity from classical times to the present, in a great variety of different genres. Chapters consider the classical versions (Ovid, Musaios, Martial), medieval and renaissance versions in various European languages, folk and literary ballads (and even a pop song), the lyric, dramatic versions, settings to music, burlesques and travesties in all genres, modern reflections of the story in (experimental) literary forms.

Ideas and Forms of Tragedy from Aristotle to the Middle Ages

University of Pennsylvania Press

A posthumously published collection of thirty-six essays offering Italo Calvino's invigorating and illuminating analysis of his most treasured literary classics.

Essential Guide to Spanish Reading AGUILAR

"Dispara a todos los grajos que quieras, si puedes pegarles, pero recuerda que es pecado matar a un ruiseñor". Un inquietante retrato de raza y clase, inocencia e injusticia, hipocresía y heroísmo, tradición y transformación en el profundo sur de la década de 1930, *Matar a un ruiseñor* de Harper Lee sigue siendo tan importante hoy en día como lo fue su publicación inicial en 1960, durante los turbulentos años del movimiento de los Derechos Civiles. Ahora, esta novela más querida y aclamada renace para una nueva era como una hermosa novela gráfica. Scout, Gem, Boo Radley, Atticus Finch y la pequeña ciudad de Maycomb, Alabama, son todos capturados en ilustraciones vívidas y conmovedoras del artista Fred Fordham. Duradera en su visión, la novela atemporal de Harper Lee ilumina las complejidades de la naturaleza humana y las profundidades del corazón humano con humor, honestidad inquebrantable y una belleza tierna y nostálgica. Tanto los admiradores de toda la vida como los nuevos lectores se sentirán conmovidos por esta edición visual especial que une las filas de las adaptaciones de la novela gráfica *Una arruga en el tiempo* y *El alquimista*.

The Satires of Juvenal Paraphrastically Imitated, and Adapted to the Times Simon and Schuster

One of the greatest playwrights of Ancient Greece, the works of Euripides (484-406 BC) were revolutionary in their depiction of tragic events caused by flawed humanity, and in their use of the gods as symbols of human nature. The three plays in this collection show his abilities as the sceptical questioner of his age. *Alcestris*, an early drama, tells the tale of a queen who offers her own life in exchange for that of her husband; cast as a tragedy, it contains passages of satire and comedy. The tragicomedy *Iphigenia in Tauris* melodramatically reunites the ill-fated children of Agamemnon, while the pure tragedy of *Hippolytus* shows the fatal impact of Phaedra's unreasoning passion for her chaste

stepson. All three plays explore a deep gulf that separates man from woman, and all depict a world dominated by amoral forces beyond human control.

Macbeth Liverpool University Press

This vibrant collection of verse translations of Aristophanes' works- featuring *Clouds*, *Women at the Thesmophoria* (or *Thesmophoriazusae*), and *Frogs*- combines historical accuracy with a sensitive attempt to capture the rich dramatic and literary qualities of Aristophanic comedy. Including expansive introductions to each play, as well as detailed explanatory notes and an illuminating appendix, this volume presents fresh interpretations of three key works from one of the most original playwrights in the entire Western tradition.

Jason and Medea HarperCollins

In *A Companion to Celestina*, Enrique Fernandez brings together twenty-three hitherto unpublished contributions on the Tragicomedia de Calisto y Melibea, popularly known as *Celestina* (c. 1499) written by leading experts who summarize, evaluate and expand on previous studies. The resulting chapters offer the non-specialist an overview of *Celestina* studies. Those who already know the field will find state of the art studies filled with new insights that elaborate on or depart from the well-established currents of criticism. *Celestina*'s creation and sources, the parody of religious and erudite traditions, the treatment of magic, prostitution, the celestinesca and picaresque genre, the translations into other languages as well as the adaptations into the visual arts (engravings, paintings, films) are some of the topics included in this companion. Contributors are: Beatriz de Alba-Koch, Raúl Álvarez Moreno, Consolación Baranda, Ted L. Bergman, Patrizia Botta, José Luis Canet, Fernando Cantalapiedra, Ricardo Castells, Ivy Corfis, Manuel da Costa Fontes, Enrique Fernandez, José Luis Gastañaga Ponce de León, Ryan D. Giles, Yolanda Iglesias, Gustavo Illades Aguiar, Kathleen V. Kish, Bienvenido Morros Mestres, Devid Paolini, Antonio Pérez Romero, Amaranta Saguar García, Connie Scarborough, Joseph T. Snow, and Enriqueta Zafra.

Divination on stage Penguin UK

He was born with a gift of laughter and a sense that the world was mad. And that was all his patrimony. His very paternity was obscure, although the village of Gavrillac had long since dispelled the cloud of mystery that hung about it. Those simple Brittany folk were not so simple as to be deceived by a pretended relationship which did not even possess the virtue of originality. When a nobleman, for no apparent reason, announces himself the godfather of an infant fetched no man knew whence, and thereafter cares for the lad's rearing and education, the most unsophisticated of country folk perfectly understand the situation. And so the good people of Gavrillac permitted themselves no illusions on the score of the real relationship between Andre-Louis Moreau - as the lad had been named - and Quintin de Kercadiou, Lord of Gavrillac, who dwelt in the big grey house that dominated from its eminence the village clustering below. Andre-Louis had learnt his letters at the village school, lodged the while with old Rabouillet, the attorney, who in the capacity of fiscal intendant, looked after the affairs of M. de Kercadiou. Thereafter, at the age of fifteen, he had been packed off to Paris, to the Lycee of Louis Le Grand, to study the law which he was now returned to practise in conjunction with Rabouillet. All this at the charges of his godfather, M. de Kercadiou, who by placing him once more under the tutelage of Rabouillet would seem thereby quite clearly to be making provision for his future. Andre-Louis, on his side, had made the most of his opportunities. You behold him at the age of four-and-twenty stuffed with learning enough to produce an intellectual indigestion in an ordinary mind. Out of his zestful study of Man,

from Thucydides to the Encyclopaedists, from Seneca to Rousseau, he had confirmed into an unassailable conviction his earliest conscious impressions of the general insanity of his own species. Nor can I discover that anything in his eventful life ever afterwards caused him to waver in that opinion. In body he was a slight wisp of a fellow, scarcely above middle height, with a lean, astute countenance, prominent of nose and cheek-bones, and with lank, black hair that reached almost to his shoulders. His mouth was long, thin-lipped, and humorous. He was only just redeemed from ugliness by the splendour of a pair of ever-questing, luminous eyes, so dark as to be almost black. Of the whimsical quality of his mind and his rare gift of graceful expression, his writings - unfortunately but too scanty - and particularly his Confessions, afford us very ample evidence. Of his gift of oratory he was hardly conscious yet, although he had already achieved a certain fame for it in the Literary Chamber of Rennes - one of those clubs by now ubiquitous in the land, in which the intellectual youth of France foregathered to study and discuss the new philosophies that were permeating social life. But the fame he had acquired there was hardly enviable. He was too impish, too caustic, too much disposed - so thought his colleagues - to ridicule their sublime theories for the regeneration of mankind. Himself he protested that he merely held them up to the mirror of truth, and that it was not his fault if when reflected there they looked ridiculous.

Future Theatre Research Icex

NOW A MAJOR THREE-PART ITV1 DRAMA, STARRING EMILY WATSON AND DENISE GOUGH 'Too Close is a fantastically compelling, brilliantly scripted whydunnit' Guardian 'A gripping psychological thriller with a Killing Eve twist' Radio Times 'Seriously brilliant - quality writing, three dimensional characters and a sharp wit.' Emma Curtis, author of the bestselling *One Little Mistake* ***** Connie has woken up in a psychiatric hospital. She's been accused of a terrible crime, but she says she can't remember a thing. Forensic psychiatrist Dr Emma Robinson is assigned to the case. Her assessment will determine Connie's fate: prison, life in hospital - or freedom. Emma hopes the high-profile case will make her career but their sessions quickly become a cat-and-mouse game of manipulation and exploitation. Emma must get close enough to her patient to uncover the truth. But when dealing with someone as potentially dangerous as Connie, how close is too close? ***** AUTHORS LOVE TOO CLOSE: 'Wonderfully suffocating . . . Natalie Daniels is one to watch!' Phoebe Morgan 'Subtle, deep and chilling . . . I couldn't put it down.' Rosanna Ley 'A tremendous, powerful, audacious novel - full of scathing insight ; full of raw, compelling feeling.' William Boyd WHAT READERS ARE SAYING: 'I truly am astounded with this novel' 'Utterly absorbing, a real page turner' 'Full of twists and turns, enjoyed from beginning'

De Vita Beata (Of a Happy Life) is a wonderful philosophical treatise on the definition of Happiness.

Frogs and Other Plays Oxford University Press, USA

Agememnon is the first part of the Aeschylus's Orestian trilogy in which the leader of the Greek army returns from the Trojan war to be murdered by his treacherous wife Clytemnestra. In Sophocles' *Oedipus Rex* the king sets out to uncover the cause of the plague that has struck his city, only to discover the devastating truth about his relationship with his mother and his father. *Medea* is the terrible story of a woman's bloody revenge on her adulterous husband through the murder of her own children.

Why Read the Classics? Cambridge University Press

Ciccio already has many problems: romantic failure, an older brother who seems intent on breaking the heart of every

beautiful woman in São Paulo, a distant and larger-than-life father. When Ciccio finds, among the many of his father's books that line the walls of their house, a troubling letter dated 'December 21, 1931. Berlin', his existential crisis only intensifies. It seems that his father once had a child with another woman - a German son whose fate remains unclear. Ciccio sets out on a mission to locate his lost half-brother, and to win the respect of his father. But as Brazil's military government cracks down on dissent, and rumours of arrests and disappearances spread, while Ciccio has been out looking for his German brother, he finds that he has taken his eye off his immediate family . . . In writing *My German Brother*, acclaimed Brazilian novelist and musician Chico Buarque was driven by the desire to find out what happened to his own German half-brother - whether he survived the war in a bomb-ravaged Berlin, whether he had joined the ranks of the Hitler Youth. His novel has been a project of a lifetime, one that makes use of what happened, what might have happened, and pure imagination, in order to weave together the threads of narrative and arrive at a truth.

Penguin Small Pan Macmillan

Eli Rozik explores the principles that generated the theatre medium, and its possible roots in the preverbal imagistic mode of thinking. This mode characterises the remnants of preverbal thinking, such as unconscious thinking (dreaming), the embryonic speech of toddlers, and their imaginative play and drawings prior to mastering verbal thinking. The book is a recapitulation of major findings regarding the nature of the theatre, its medium, fictional creativity and origin, and includes new unpublished studies. It address the principles of imagistic, metaphoric, symbolic and fictional thinking, which characterise the theatre, as well as reception and acting. The work has been designed to fit the structure of a university course, and will appeal to people interested in broadening their knowledge and understanding of theatre art.

The Purpose of Capital National Geographic Learning

First published in 1844, *The Memoirs of Barry Lyndon, Esq.* by Thackeray is a picaresque novel also known as *The Luck of Barry Lyndon*. It chronicles the life of impoverished Redmond Barry, an Irishman who wants to be an English aristocrat. An opportunist, rake, and gambler, he serves in the Seven Years War, first under the English flag and then, for money, in the Prussian Army. Continuing to play with his luck, he gains wealth in the beginning but eventually is punished for his many lovable imperfections.

Matar a un ruiseñor (Novela gráfica) Classical Comics

Penguin Small is a classic story by Mick Inkpen with a surprise giant fold-out page. It tells the story of the last North Pole penguin, who as it turns out was also the smallest penguin! He wants to join his friends in the South Pole, but he's afraid of the water. If only penguins could fly... *Penguin Small* is a classic story with giant fold out pages, and as ever, vintage Inkpen illustrations for a fabulous story which explains why there are no penguins at the North Pole! 'A whale of a book.' - Independent. Mick Inkpen has won the British Book Award, the Children's Book Award and been shortlisted for both the Kate Greenway Medal and the Nestle Prize. He is consistently in the Top Ten most borrowed children's authors from public libraries.

The Memoirs of Barry Lyndon, Esq Walter de Gruyter GmbH & Co KG

"This full colour graphic novel presents "The Scottish Play" just as Shakespeare intended: in its original and unabridged format. Ideal for purists, students and readers who will appreciate the unaltered text." "Macbeth is probably the most dramatic of Shakespeare's tragedies and this version will give you a brand new and totally fulfilling view of the sheer genius of Shakespeare's story telling. Featuring stunning artwork, and full

of action, atmosphere and intrigue from start to finish, this new treatment of The Bard's tragedy will have you on the edge of your seat."--BOOK JACKET.

Anti-Tech Revolution BRILL

The mighty interstellar hero Astro Mouse and his bright first mate Light Bulb took a wrong turn on their way to the Moon (to see if it was made of cheese), getting lost in space. They go to infinity and beyond trying to find their way home with the help of their adopted, sentient caca. When they land on a planet populated by powdered sugar, the space crew thinks they might just have found their new home. But a quartet of notorious no-goods vacationing there, Skunk Girl, Captain Fastidious, Arkade, and Meduso, calling themselves the Troublesome 4, might just prove

problematic for the rodent and appliance super space duo.

My German Brother Hachette Children's

In the four and a half centuries since Machiavelli's death, no single and unanimously accepted interpretation of his ideas has succeeded in imposing itself upon the lively debate over the meaning of his works. Yet there has never been any doubt about the fundamental importance of Machiavelli's contribution to Western political theory. The Portable Machiavelli brings together the complete texts of *The Prince*, *Belfagor*, and *Castruccio Castracani*, newly translated by Peter Bondanella and Mark Musa especially for this volume. In addition, the editors include an abridged version of *The Discourses*; a play, *The Mandrake Root*, in its entirety; seven private letters; and selections from *The Art of War* and *The History of Florence*.
