ODOM ADRIENNE

Jane and the Madness of Lord Byron Mit Press
Neither day nor night, twilight has long exerted a fascination for Western artists, thinkers, and writers, while haunting the Romantics and intriguing philosophers and scientists. In *The Last of the Light*, Peter

Davidson takes readers through our culture's long engagement with the concept of twilight—from the melancholy of smoky English autumn evenings to the midnight sun of northern European summers and beyond. Taking in poets and painters, Victorians and Romans, city and countryside, and deftly combining memoir, literature, philosophy,

and art history, Davidson shows how the atmospheric shadows and the in-between nature of twilight has fired the imagination and generated works of incredible beauty, mystery, and romance. Ambitious and brilliantly executed, this is the perfect book for the bedside table, richly rewarding and endlessly thought-provoking.

Manfred Simon and Schuster

In *Loving What Is*, bestselling author Byron Katie introduced thousands of people to her simple and profound method of finding happiness through questioning the mind. Now, *I Need Your Love—Is That True?* examines a universal, age-old source of anxiety: our

relationships with others. In this groundbreaking book, Katie helps you question everything you have been taught to do to gain love and approval. In doing this, you discover how to find genuine love and connection. The usual advice offered in self-help books and reinforced by our culture advocates a stressful, all-consuming quest for love and approval. We are advised to learn self-marketing and manipulative skills—how to attract, impress, seduce, and often pretend to be something we aren't. This approach doesn't work. It leaves millions of walking wounded—those who, having failed to find love or appreciation, blame themselves and

conclude that they are unworthy of love. *I Need Your Love—Is That True?* helps you illuminate every area in your life where you seem to lack what you long for most—the love of your spouse, the respect of your child, a lover’s tenderness, or the esteem of your boss. Through its penetrating inquiry, you will quickly discover the falseness of the accepted ways of seeking love and approval, and also of the mythology that equates love with need. Using the method in this book, you will inquire into painful beliefs that you’ve based your whole life on—and be delighted to see them evaporate. Katie shows you how unraveling the knots in the search for love, approval, and

appreciation brings real love and puts you in charge of your own happiness. “Everyone agrees that love is wonderful, except when it’s terrible. People spend their whole lives tantalized by love—seeking it, trying to hold on to it, or trying to get over it. Not far behind love, as major preoccupations, come approval and appreciation. From childhood on, most people spend much of their energy in a relentless pursuit of these things, trying out different methods to be noticed, to please, to impress, and to win other people’s love, thinking that’s just the way life is. This effort can become so constant and unquestioned that we barely notice it anymore. This book

takes a close look at what works and what doesn't in the quest for love and approval. It will help you find a way to be happier in love and more effective in all your relationships. What you learn here will bring fulfillment to all kinds of relationships, including romantic love, dating, marriage, work, and friendship." —Byron Katie

Ada Hay House, Inc
A fantasy for adults (rather than yet another adolescent power trip wish fulfillment testosterone fest), *Autumn Angels* evokes the smart playfulness of a Rudy Rucker, a Philip Jose Farmer, or a Kurt Vonnegut.--Ivan Lerner, *Revolution Science Fiction*.

The Radical Declaration Harmony

The Old Money Book details how anyone from any background can adopt the values, priorities, and habits of America's Upper Class in order to live a richer life. Expanded and updated for a post-pandemic world.

The Old Money Book - 2nd Edition Penguin UK

A masterful portrait of two remarkable women, revealing how two turbulent lives were always haunted by the dangerously enchanting, quicksilver spirit of that extraordinary father whom Ada never knew: Lord Byron. In 1815, the clever and courted Annabella Milbanke married the notorious and brilliant Lord Byron. Just one year later, she fled, taking with her their baby daughter, Ada Lovelace. Byron

himself escaped into exile and died as a revolutionary hero in 1824. Brought up by a mother who became one of the most progressive reformers of Victorian England, Byron's little girl was introduced to mathematics as a means of calming her wild spirits. As a child invalid, Ada dreamed of building a steam-driven flying horse. As an exuberant and boldly unconventional young woman, she amplified her explanations of Charles Babbage's unbuilt calculating engine to predict the dawn of the modern computer age. During her life, Lady Byron was praised as a paragon of virtue; within ten years of her death, she was vilified as a disgrace to her sex. Well over a

hundred years later, Annabella Milbanke is still perceived as a prudish wife and cruelly controlling mother. But her hidden devotion to Byron and her tender ambitions for his mercurial, brilliant daughter reveal a deeply complex but unexpectedly sympathetic personality. Drawing on fascinating new material, Seymour reveals the ways in which Byron, long after his death, continued to shape the lives and reputations both of his wife and his daughter.

Crooked Lane Books
In this powerful book of quotations, Byron Katie talks about the most essential issues that face us all—love, sex, and relationships; health, sickness, and

death; parents and children; work and money; and self-realization. The profound, lighthearted wisdom embodied within is not theoretical; it is absolutely authentic. Not only will this book help you on many specific issues, but it will point you toward your own wisdom and will encourage you to question your own mind, using the four simple yet incredibly powerful questions of Katie's process of self-inquiry, called *The Work*. Katie is a living example of the clear, all-embracing love that is our true identity. Because she has thoroughly questioned her own mind, her words shine with the joy of understanding. "People used to ask me if I was enlightened,"

she says, "and I would say, 'I don't know anything about that. I'm just someone who knows the difference between what hurts and what doesn't.' I'm someone who wants only what is. To meet as a friend each concept that arose turned out to be my freedom."

Byron in Love: A Short Daring Life

John Murray

Coinciding with the 200th anniversary of the publication of *Frankenstein* in 1818, a prize-winning poet delivers a major new biography of Mary Shelley—as she has never been seen before. We know the facts of Mary Shelley's life in some detail—the death of her mother, Mary Wollstonecraft, within days of her birth; the upbringing in

the house of her father, William Godwin, in a house full of radical thinkers, poets, philosophers, and writers; her elopement, at the age of seventeen, with Percy Shelley; the years of peripatetic travel across Europe that followed. But there has been no literary biography written this century, and previous books have ignored the real person—what she actually thought and felt and why she did what she did—despite the fact that Mary and her group of second-generation Romantics were extremely interested in the psychological aspect of life. In this probing narrative, Fiona Sampson pursues Mary Shelley through her turbulent life, much as Victor Frankenstein

tracked his monster across the arctic wastes. Sampson has written a book that finally answers the question of how it was that a nineteen-year-old came to write a novel so dark, mysterious, anguished, and psychologically astute that it continues to resonate two centuries later. No previous biographer has ever truly considered this question, let alone answered it.

 'You will end up grinning dippily and recommending this wild, searching book to everyone you know.' The Times
 'A gorgeously poignant novel of hope and transformation' O: The Oprah Magazine
 Brimming with love, forgiveness and

redemption, this is a heartrending story about what happens when a perfect world is shattered and what it takes to put it right. - Summer, 1972: In the claustrophobic heat, eleven-year-old Byron and his friend begin 'Operation Perfect', a hapless mission to rescue Byron's mother from impending crisis. Winter, present day: As frost creeps across the moor, Jim cleans tables in the local café, a solitary figure struggling with OCD. His job is a relief from the rituals that govern his nights. Little would seem to connect them except that two seconds can change everything. And if your world can be shattered in an instant, can time also put it right? - What readers are saying: ***** 'A stunningly

beautiful and poignant book.' *****

'Heartbreaking and so beautifully written.'

***** 'A touching story with a twist I didn't see coming.' ***** 'Thought provoking and full of hope.' ***** 'The story is quiet, and yet absolutely absorbing... I loved this book'

author Southern charm meets the dark mystery of the bayou as a hundred-year flood, a malicious murder, and a most unusual Mardi Gras converge at the Crozat Plantation B&B It's Mardi Gras season on the bayou, which means parades, pageantry, and gumbo galore. But when a flood upends life in the tiny town of Pelican, Louisiana—and deposits a body of a stranger behind the Crozat Plantation B&B—the celebration takes a decidedly dark turn. The citizens of Pelican are ready to, “Laissez les bon temps rouler”—but there's beaucoup bad blood on hand this Mardi Gras. Maggie Crozat is determined to give the stranger a name and find out why he was

murdered. The post-flood recovery has delayed the opening of a controversial exhibit about the little-known Louisiana Orphan Train. And when a judge for the Miss Pelican Mardi Gras Gumbo Queen pageant is shot, Maggie's convinced the murder is connected to the body on the bayou. Does someone covet the pageant queen crown enough to kill for it? Could the deaths be related to the Orphan Train, which delivered its last charges to Louisiana in 1929? The leads are thin on this Fat Tuesday—and until the killer is unmasked, no one in Pelican is safe. A simmering gumbo of a humorous whodunit, Mardi Gras Murder is the fourth piquant installment in USA Today–bestselling

author Ellen Byron's award-winning Cajun Country mysteries. **I Need Your Love - Is That True?** W. W. Norton & Company "Ada, Countess of Lovelace and daughter of Romantic poet Lord Byron, is sometimes referred to as the world's first computer programmer. But how did a young woman in the nineteenth century without a formal education become a pioneer of computer science? Drawing on previously unpublished archival material, including a remarkable correspondence course with eminent mathematician Augustus De Morgan, this book explores Ada Lovelace's development from her precocious childhood into a gifted, perceptive and

knowledgeable mathematician who, alongside Mary Somerville, Michael Faraday and Charles Dickens, became part of Victorian London's social and scientific elite. Featuring images of the 'first programme' together with mathematical models and contemporary illustrations, the authors show how, despite her relatively short life and with astonishing prescience, Ada Lovelace explored key mathematical questions to understand the principles behind modern computing."--

Page 4 de la couverture.

American Triumvirate

Penguin

"[Ada Lovelace], like Steve Jobs, stands at the intersection of arts

and technology."—Walter Isaacson, author of *The Innovators Over 150* years after her death, a widely-used scientific computer program was named "Ada," after Ada Lovelace, the only legitimate daughter of the eighteenth century's version of a rock star, Lord Byron. Why? Because, after computer pioneers such as Alan Turing began to rediscover her, it slowly became apparent that she had been a key but overlooked figure in the invention of the computer. In *Ada Lovelace*, James Essinger makes the case that the computer age could have started two centuries ago if Lovelace's contemporaries had recognized her research and fully

grasped its implications. It's a remarkable tale, starting with the outrageous behavior of her father, which made Ada instantly famous upon birth. Ada would go on to overcome numerous obstacles to obtain a level of education typically forbidden to women of her day. She would eventually join forces with Charles Babbage, generally credited with inventing the computer, although as Essinger makes clear, Babbage couldn't have done it without Lovelace. Indeed, Lovelace wrote what is today considered the world's first computer program—despite opposition that the principles of science were “beyond the strength of a woman's physical power of

application.” Based on ten years of research and filled with fascinating characters and observations of the period, not to mention numerous illustrations, Essinger tells Ada's fascinating story in unprecedented detail to absorbing and inspiring effect.

Poems on the Underground Hay House, Inc

A startling reevaluation of Lady Byron's marriage and the untold story of her complex life as single mother and progressive force. The center of public attention after her tumultuous marriage to Lord Byron, Annabella Milbanke transformed herself from a neglected wife into a figure of incredible resilience and social vision. After

she and her infant child were cast out of their home, she was left to navigate the stifling and unsupportive social environment of Regency England. Far from a victim or an obstacle to Byron's work, however, Lady Byron was a rebel against the fashionable snobbery of her class, founding the first Infants School and Co-Operative School in England. A poet and talented mathematician, Lady Byron supported the education of her precocious daughter, Ada Lovelace, now recognized and lauded as a pioneer of computer science, and saved from death her "adoptive daughter" Medora Leigh, the child of Lord Byron's incest with his sister. Lady Byron was adored by

the younger abolitionist Harriet Beecher Stowe and by many notable friends. Yet her complex relationships with her family, including the sister Byron loved, runs like a live wire through this skillfully told and groundbreaking biography of a remarkable woman who made a life for herself and became a leading light in her century.

Question Your Thinking, Change

the World Simon and Schuster

AN POST IRISH BOOK AWARD NOVEL OF THE YEAR Longlisted for the Dublin Literary Awards "Mr. Ryan writes conspicuously beautiful prose... The fleeting happiness and abiding melancholy of the asymmetry, heightened by the

intimately rendered surroundings, brings out Mr. Ryan's most sensuous and emotive writing." -The Wall Street Journal From the Booker nominated author of The Queen of Dirt Island, Donal Ryan's new novel follows the Gladney family across three generations seeking the true meaning of what it is to find home and love. In 1973, twenty-year-old Moll Gladney takes a morning bus from her rural home in Ireland and disappears. Bewildered and distraught, Paddy and Kit must confront an unbearable prospect: that they will never see their daughter again. Five years later, Moll returns from London. What - and who - she brings with her will change the course of

her family's life forever. Beautiful and devastating, this exploration of loss, alienation and the redemptive power of love reaffirms Donal Ryan as one of the most talented and empathetic writers at work today.

Pegasus Books

"A Star is Bored is an absolute knockout. Riotously funny and wickedly tender." — Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and the Six "Wildly funny and irreverent... Lane's writing lifts the novel far above its gossamer Hollywood setting, suffusing [the novel] with a complex sensitivity." - The New York Times Book Review A hilariously heartfelt novel

influenced in part by the author's time assisting Carrie Fisher. People Magazine Best Book of Summer 2020 - Named a Must-Read Summer book by Town & Country - Named One of the 14 Best Books of Summer 2020 by Harper's Bazaar - One of Library Journal's 2020 "Titles to Watch" - One of the 30 Best Beach Reads According to Parade Magazine

She needs an assistant. He needs a hero. Charlie Besson is tense and sweating as he prepares for a wild job interview. His car is idling, like his life, outside the Hollywood mansion of Kathi Kannon, star of stage and screen and People magazine's Worst Dressed list. She's an actress in need of assistance, and he's adrift and in need of a

lifeline. Kathi is an icon, bestselling author, and award-winning movie star, most known for her role as Priestess Talara in a blockbuster sci-fi film. She's also known in another role: Outrageous Hollywood royalty. Admittedly so. Famously so. Chaotically so, as Charlie quickly discovers. Charlie gets the job, and his three-year odyssey is filled with late-night shopping sprees, last-minute trips to see the aurora borealis, and an initiation to that most sacred of Hollywood tribes: the personal assistant. But Kathi becomes much more than a boss, and as their friendship grows Charlie must make a choice. Will he always be on the sidelines of life, assisting the great

forces that be, or can he step into his own life's leading role? Laugh-out-loud funny, and searingly poignant, Byron Lane's *A Star is Bored* is a novel that, like the star at its center, is enchanting and joyous, heartbreaking and hopeful.

In Byron's Wake

Simon and Schuster
Max the dog's beloved wife Crepes is about to have puppies--and Max finds himself on a wild journey in India, returning home just in time to meet his expanded family The hero of *Max Makes a Million* goes off on a wild search for the meaning of life that takes him to India, where he visits the Temple of Doubletalk, meets a chatty guru named Vivek Shabaza-zaza-za, and has other

adventures.

Who Would You Be Without Your Story?

HarperCollins

This wonderful new edition of *Poems on the Underground* is published to celebrate the 150th anniversary of the Underground in 2013. Here 230 poems old and new, romantic, comic and sublime explore such diverse topics as love, London, exile, families, dreams, war, music and the seasons, and feature poets from Sappho to Carol Ann Duffy and Wendy Cope, including Chaucer and Shakespeare, Milton, Blake and Shelley, Whitman and Dickinson, Yeats and Auden, Seamus Heaney and Derek Walcott and a host of younger poets. It includes a new foreword and over two

dozen poems not included in previous anthologies.

Strange Flowers

Unbound Publishing Vampire literature provides elements of everything from the penny dreadful horrors to powerful doses of myth and eroticism. This anthology includes Bram Stoker's detailed research notes for "Dracula" and an exploration of the historical implications of vampire mythology to the arts.

Loving What Is Henry Holt and Company In the spring of 1816, Lord Byron was the greatest poet of his generation and the most famous man in Britain, but his personal life was about to erupt. Fleeing his celebrity, notoriety and debts, he sought refuge in Europe,

taking his young doctor with him. As an inexperienced medic with literary aspirations of his own, Dr Polidori could not believe his luck. That summer another literary star also arrived in Geneva. With Percy Bysshe Shelley came his lover, Mary and her step-sister Claire Clairmont. For the next three months, this party of young bohemians shared their lives, charged with sexual and artistic tensions. It was a period of extraordinary creativity from which would emerge Frankenstein, the gothic masterpiece of Romantic fiction, Byron's Childe Harold, Shelley's Mont Blanc, and The Vampyre by John Polidori, the first great vampire novel. It was also a time of remarkable drama and

emotional turmoil. For Byron and the Shelleys, their stay by the lake would serve to immortalise them in

the annals of literary history. But for Claire and Polidori, the Swiss sojourn would scar them forever.
