 Fill Your Horn with Oil brings a unique approach on the subject of the Holy Spirit. There are many books written about the Holy Spirit, but this book will help you to go deeper in the subject and it's written in a very simple way for every one to understand. ● The dream did not come true the way you saw it? Fill your horn with oil and dream again! ● The plan has failed; it's not the end of the world; Fill your horn with oil and plan again. Our God is the God of AGAIN. ● If you lost your smile as you were passing through the valley of troubles; Fill your horn with oil and smile again! This book teaches us that it is the presence of the Holy Spirit that makes life easy. It is the anointing that makes preaching easy. Not necessarily preaching, it can be a project or a good business you are involved in; the anointing makes everything easy and possible. Maybe you are climbing a mountain in your life right now, it is painful, but the anointing makes it easy and possible. One day you will look back and marvel, "Did I come through that valley?" The Holy Spirit will enable us to do anything. Dr. Henry Hanya, born and raised in Chishamiso Village, Hippo Valley, Chiredzi, in Zimbabwe and he was born again in 1983. He attended Hippo Valley High School, and then went to the Bible College in Harare, Africa Multination for Christ College. After graduation, he became a Youth Pastor, preaching in High Schools and Colleges in the region of Matebeleland. He also impacted young people's lives in South Africa, Botswana, Zambia, Malawi and Mozambique. He attended New Creations Bible College (partially) in Richmond Indiana, and Criswell Bible College. He earned BA in Biblical Studies with Friends Christian International University. He also holds a Doctorate degree in Counseling Psychology with Rochville University.

 When was the last time you had a supernatural encounter with the Holy Spirit? All believers can have powerful divine encounters with the Spirit—not as isolated events but as a lifestyle in which... The supernatural realm is your greatest reality. Jesus becomes real in you. You are commissioned to demonstrate God's miraculous power. You have a profound desire for more of God's presence. To experience divine encounters, you need to have a strong understanding of who the Holy Spirit is. Apostle Guillermo Maldonado clears up doubts and false concepts about the Spirit while providing striking testimonies of people transformed by their supernatural encounters. God desires to manifest Himself as our Father, Provider, Miracle Worker, Healer, Deliverer, and Defender. He also wants us to impact families, communities, and even nations for Christ. Entering into an intimate relationship with the Holy Spirit will fill you with God's love and give you a compassionate heart for a hurting world. You don't have to be a spiritual leader, and you don't have to be perfect, to experience the presence of God and continue the works of Jesus on earth. All you need is a powerful divine encounter with the Holy Spirit.

Although it is a foundational confession for all Christians, much of the theological significance of Jesus's identity as "the Son of God" is often overlooked or misunderstood. Moreover, this Christological concept stands at the center of today's Bible translation debates and increased ministry efforts to Muslims. New Testament scholar D. A. Carson sheds light on this important issue with his usual exegetical clarity and theological insight, first by broadly surveying Jesus's biblical name as "the Son of God," and then by focusing on two key texts that speak of Christ's sonship. The book concludes with the implications of Jesus's divine sonship for how modern Christians think and speak about Christ, especially in relation to Bible translation and missionary engagement with Muslims across the globe.

#### *A Hunger for God* Kevin Bart

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Over the past several years, there has been a growing integration of data – geophysical, geological, petrophysical, engineering-related, and production-related – in predicting and determining reservoir properties. As such, geoscientists now must learn the technology, processes, and challenges involved within their specific functions in order to optimize planning for oil field development. Applied Techniques to Integrated Oil and Gas Reservoir Characterization presents challenging questions encountered by geoscientists in their day-to-day work in the exploration and development of oil and gas fields and provides potential solutions from experts. From basin analysis of conventional and unconventional reservoirs, to seismic attributes analysis, NMR for reservoir characterization, amplitude versus offset (AVO), well-to-seismic tie, seismic inversion studies, rock physics, pore pressure prediction, and 4D for reservoir monitoring, the text examines challenges in the industry as well as the techniques used to overcome those challenges. This book includes valuable contributions from global industry experts: Brian Schulte (Schiefer Reservoir Consulting), Dr. Neil W. Craigie (Saudi Aramco), Matthijs van der Molen (Shell International E&P), Dr. Fred W. Schroeder (ExxonMobil, retired), Dr. Tharwat Hassane (Schlumberger & BP, retired), and others. Prayer is an essential part of our daily life. Without prayer, we do not have the power to pursue God and carry out our divine destiny. Whenever we pray, there is a specific watch or interval of

time connected to it. Each prayer watch is a time for us to pray for our loved ones, our church, our government leaders, and for God's judgments and interception of Satan's diabolical plans. In "Watch and Pray: Understanding the Eight Prayer Watches," you will learn the answers to the following questions: - Why is prayer important? - What is a prayer watch? - What is a watchman? - What are the time intervals for each prayer watch? - What spiritual activities are involved during the eight prayer watches? This book also provides journal pages for readers to record their prayer requests, Scripture references, and prayer results. "Watch and Pray: Understanding the Eight Prayer Watches" will encourage your to pray and to see your life change and access all that God has for you in Christ Jesus.

The Old Testament was a crucial part of the history of scriptures. The Old Testament was written to assemblies. The Epistles were written to churches (assemblies). Hence the need to know the What, How and Why. This book is meant to be a guide albeit a Scripturally-researched one in our knowledge of the blessedness of the local church. "How to be a blessing" is a follow-up book to an earlier written one, "An Assembly Required." This will give further direction in what it takes to give your local church the advantage of your membership. Things to avoid. What and what not to do.
