## WHITAKER TOBY

---

Pédagogie de l'orthographe française Houghton Mifflin

No parent, teacher or nursery group should be without this classic treasury. There are songs, rhymes and games for every occasion, all chosen for their proven popularity with young children.

Collected from all over Britain, the contents reflect the cultural diversity of the nation, making it an outstandingly rich and stimulating collection. Since the first edition of This Little Puffin was published over thirty years ago, it has been revised and updated, allowing it to remain the most invaluable book of its kind.

*A Great Weekend in Amsterdam* Gambit Publications

Whatever the reason, a few days in a foreign city is becoming an increasingly popular way of taking a holiday. Focusing on the limited amount of time available, the books in this series suggest

the most interesting ways of getting to know a city in just a few days. This title focuses on Amsterdam and is full of recommendations for hotels, restaurants, cafes, shops and places to see, with addresses, opening times and descriptions.

*This Little Puffin* National Geographic Books

A small format guide to Rome that focuses on the best things to do and see in the limited amount of time that a weekend allows.

*A Great Weekend in Rome* Hachette

Chess Explained is a new series of books about chess openings.

They are not theoretical works in the traditional sense, but more a series of lessons from a chess expert with extensive over-the-board experience with an opening. It is as if you were sitting at the board with a chess coach answering your questions about the plans for both sides, the ideas behind particular moves, and what specific knowledge you need to have. The Nimzo-Indian is one of

the most important of all chess openings, and popular at all levels of play. The Nimzo has provided the backbone of the opening repertoire of a large portion of the world's top players over the last 80 years. It is considered a fully reliable defense, and provides winning chances for both sides as it leads to structures of great strategic variety and complexity. Key battlegrounds in the Nimzo include the blockade, IQP positions, the handling of unbalanced pawn-structures, and the struggle between bishop and knight. All these topics are covered in depth in this book, and an understanding of them will prove valuable in a much broader context than just the Nimzo-Indian.
