TOWNSEND DICKSON

The Magical Sexual Practices of Ancient Egypt Oxford University Press

When an ancient ritual captures public attention beyond reason, how can a single drop of semen nourish and prosper the entire ancient Egyptian nation? Here lies the answer. This book will delve into the ancient ritual in a thorough and detailed manner, exploring the secrets behind its ability to advance an Egyptian nation. What mysteries are concealed within? How is it possible that a single drop of semen can contribute to the greatness and prosperity of an ancient civilization like Ancient Egypt? Let us uncover the answers here...! Egyptian Tantra Yoga Penn State Press

The disconnection between spirituality and passionate love leaves a broad sense of dissatisfaction and boredom in relationships. The author illustrates how our vitality and capacity for joy depend on restoring the soul of the sacred prostitute to its rightful place in consciousness.

EYE OF THE SUN - The Sacred Legacy of Ancient Egypt John Hunt Publishing

A step-by-step guide to raising kundalini and embodying the dynamic, sexual force, that is the Power of Sekhem. Sex is the most potent force in the universe. A primal power. And sacred sexuality is a gateway to the divine. Something that the ancient Egyptians recognised instinctively. In *The Magical Sexual Practices of Ancient Egypt*, bestselling author, Judy Hall, offers the reader powerful sexual magic for the present day. It reveals sexual secrets hidden for millennia. This jealously guarded secret doctrine is now available to everyone. The system activates your creative erotic potential. Kindling the inner and outer mystic marriages, it is a joining of souls with the divine. Through a cosmic orgasm that is literally mind-blowing, the process generates the power to manifest and integrate expanded consciousness into the everyday world. The system can be used to attract a twin-flame or make a sacred marriage with an existing partner. The practice can also be worked alone to invoke an integration with your highest Self. Crystals support the practice throughout. Accompaniment to Judy Hall's new novel, *The Alchemy of the Night*.

The Woman Who Would Be King Lulu.com

The title of this volume, *Sacred Marriages*, consciously plays with the traditional concept of sacred marriage, but the plural form, "sacred marriages," gives the reader an idea that something more is at stake here than a monomaniacal idea of manifestations deriving from a single prototype. Following the guidelines of one of the contributors, Ruben Zimmermann, the editors tentatively define "sacred marriage" as a "real or symbolic union of two complementary entities, imagined as gendered, in a religious context." "Sacred marriages" (plural), then, refers to various expressions of this kind of union in different cultures that seek to overcome, to cite Zimmermann again, "the great dualism of human and cosmic existence." The subtitle indicates that the contributors are primarily interested in different aspects of the divine-human sexual metaphor—that is, the imagining and reenactment of a gendered relationship between the human and divine worlds. This metaphor, which is essentially about relationship rather than sexual acts, can find textual, ritual, mythical, and social expressions in different times and places. Indeed, the sacred marriage ritual itself should be considered not a manifestation of the "sacralized power of sexuality experienced in sexual intercourse" but one way of objectifying the divine-human sexual metaphor.

SACRED SEXUALITY: EGYPTIAN TANTRA YOGA: The Art of Sex Sublimation and Universal Consciousness This Volume will expand on the male and female principles within the human body

and in the universe and further detail the sublimation of sexual energy into spiritual energy. The student will study the deities Min and Hathor, Asar and Aset, Geb and Nut and discover the mystical implications for a practical spiritual discipline. This Volume will also focus on the Tantric aspects of Ancient Egyptian and Indian mysticism, the purpose of sex and the mystical teachings of sexual sublimation which lead to self-knowledge and Enlightenment.

Guide to Kemet Relationships Univ of Wisconsin Press

This is the book that introduced readers to the erotic life that flourished along the banks of the Nile at all levels of society. While much was known about the sexual life of the Greeks and Romans, this was the first to describe the rich and varied sexual life of the ancient Egyptians, which they described in words and pictures, many of which are reproduced here as photographs and facsimile drawings, drawn from sources such as sculptures, reliefs, paintings, sketches of erotic scenes and objects such as pottery and jewellery, as well as texts which vividly describe the passions of gods and men. Lise Manniche discusses all aspects of the intimate life of Egyptians including prostitution, concubines, adultery, homosexuality, intercourse with animals, necrophilia, incest and polygamy, from the Old Kingdom to the start of the Graeco-Roman period. First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Sex and Society in Graeco-Roman Egypt Routledge

This book is about the superior intelligence and self empowerment which comes from interacting with beings that inhabit a parallel universe to this one, from whom man has traditionally gained his knowledge about his place and purpose on Earth and in the cosmos. In ancient times, the ability to tap into this superior wisdom was transmitted to kings and pharaohs upon their coronation by one who was in touch with these extra-dimensional beings or life-forms, which are also known as spirits of the land. Shamans and high priestesses, since at least Neolithic times, were in communication with these spirits and so they were able to transmit their wisdom to the ruler or monarch during sacred sex rites. These shamanic practices became known as Sovereignty rites because they created a force that fired up the king's higher brain centres, giving him a superior intelligence and thus the ability and the right to reign, with the crown he wore on his head merely a symbol of his enlightened inner crown. As a shaman and mythologist, Annie Dieu-Le-Veut is regularly in communion with the spirits of the land where she lives in Glastonbury, Somerset, in the UK. In this book, she has laid out the way for the ordinary person to benefit from experiencing shamanic sexual practises by visiting other dimensions on the inner planes. In Part 1, she helps you to build your foundation stone upon which you will erect the temple of your understanding about the ancient Mystery Teachings, which were based on a sort of Earth magic known as the Alchemical Marriage, the Faery Marriage, or the Marriage of the Sun and the Moon. She lays out historical and mythological evidence from all over the world that sacred sex was an integral part of the Kingship rites that bequeathed wisdom on the initiate. And you will discover the original meaning of the Holy Grail, which can be traced back to the ritual centres of the Neanderthals of about 45,000 years ago. In Part II, you will go on to learn how to practise these shamanic rites yourself, through simple steps that take you into an enchanted world of spirits, magicians and Grailkeepers. These will enable you to fire up your own superior intelligence to enrich your own life and, if you should so choose, contribute to the work of the Sovereignty of your own land. Annie is also the author several popular esoteric books such as "The Bright World of Gods", "The Grail Mysteries", "Stories in the Stars" and "Stories in the Summerlands."

Violence and Gender in Ancient Egypt Routledge

Experience the orgasmic rapture of Sacred Union with your Twin Soul and the Divine • Includes practices in sacred sexuality, emotional intimacy, and soul awareness to awaken the Love, Power, and Wisdom of your soul, attract your Twin Soul, and satisfy your soul's longing to reunite with God • Draws on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual

shamanism, the Egyptian Mystery schools, and Christ Consciousness • Offers examples of Sacred Union, including Jesus and Mary Magdalene and Rumi and Shams as well as experiences of modern couples Jesus and Mary Magdalene, Rumi and Shams, King Solomon and the Queen of Sheba, Isis and Osiris--in these sacred unions we recognize the merging not only of Twin Souls but also of these lovers with the Divine. In Sacred Sexual Union, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to awaken the magnetic energies of your soul, draw your Twin Soul to you, and, with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union--known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity--and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

This volume offers new research on an essential but often controversial aspect of life in Dynastic Egypt. Its originality lies in combining research which uses Egyptology's traditional strengths, philological and iconographic, with reflections on material culture and on the discipline of Egyptology itself. The authors are internationally-recognized authorities in their fields.

Sex and Gender in Ancient Egypt Amberley Publishing Limited

There are many questions related to sexuality that all of us lovers of ancient Egypt have asked at some point: was the image of depravity that the Romans spread, especially referring to Queen Cleopatra, true? How did they deal with homosexuality? What were their favorite positions in bed? Did they practice bestiality, necrophilia, incest, pedophilia, and other rumored deviancies? The truth is that by studying this aspect of Egyptian life we find truly amazing items, like a pornographic papyrus that scandalized the very Champollion himself, a pharaoh who slips through the night in the bed of one of his generals, a goddess who sleeps with her dead husband, a god who praises the buttocks of another while trying to sodomize him, or a festival in which women copulate with a ram in-front of a crowd. This work pinpoints these issues and many others, including the use of aphrodisiacs and contraceptives, love spells, erotic poetry or the attitude towards adultery, in an entertaining and concise but rigorous way, and accompanied by more than 30 images that will help us understand this important facet of life and social relations of the ancient Egyptians.

Eros on the Nile Cruzian Mystic Books

Contents that the roots of Christian belief come not from Judaea but from Egypt • Shows that the Romans fabricated their own version of Christianity and burned the Alexandrian library as a way of maintaining political power • Builds on the arguments of the author's previous books The Hebrew Pharaohs of Egypt, Moses and Akhenaten, and Jesus in the House of the Pharaohs In Christianity: An Ancient Egyptian Religion author Ahmed Osman contends that the roots of Christian belief spring not

from Judaea but from Egypt. He compares the chronology of the Old Testament and its factual content with ancient Egyptian records to show that the major characters of the Hebrew scriptures--including Solomon, David, Moses, and Joshua--are based on Egyptian historical figures. He further suggests that not only were these personalities and the stories associated with them cultivated on the banks of the Nile, but the major tenets of Christian belief--the One God, the Trinity, the hierarchy of heaven, life after death, and the virgin birth--are all Egyptian in origin. He likewise provides a convincing argument that Jesus himself came out of Egypt. With the help of modern archaeological findings, Osman shows that Christianity survived as an Egyptian mystery cult until the fourth century A.D., when the Romans embarked on a mission of suppression and persecution. In A.D. 391 the Roman-appointed Bishop Theophilus led a mob into the Serapeum quarter of Alexandria and burned the Alexandrian library, destroying all records of the true Egyptian roots of Christianity. The Romans' version of Christianity, manufactured to maintain political power, claimed that Christianity originated in Judaea. In Christianity: An Ancient Egyptian Religion Osman restores Egypt to its rightful place in the history of Christianity.

The Sex Lives of Saints Moody Publishers

An Egyptologist who reads Egyptian hieroglyphics firsthand examines the esoteric tradition of Egypt in remarkable detail, exploring the dimensions of the language, cosmology, and temple life to show that a sacred mandate--the transformation of the human condition into its original cosmic substance--formed the foundation of Egypt's endeavors and still has great relevance today.

Sex and Erotism in Ancient Egypt Llewellyn Worldwide

Sexuality in ancient Egypt was open, untainted by guilt. Sex was an important part of life, from birth to death and rebirth. Singles and married couples made love. The gods themselves were earthy enough to copulate. The Egyptians even believed in sex in the afterlife. Sex was not taboo. Even the Egyptian religion was filled with tales of adultery, incest, homosexuality and masturbation, with hints of necrophilia! Masculinity and femininity itself were strongly linked with the ability to conceive and bear children. The ancient Egyptians were aware of the function of the sex act and the purpose of the male semen in that act, but there were some misconceptions as to the semen's source, its route through the female body and its eventual fertilisation of the female ovum. It is this misconception about the female body, coupled with Egyptian religious belief, that will lead the reader to some surprising conclusions about ancient Egyptian temple practices.

Sacred Sexuality in Ancient Egypt SCB Distributors

This book is about Sovereignty. It's about the superior intelligence and self empowerment which comes from interacting with beings which inhabit a parallel universe to this one - another dimension - from whom man has traditionally gained his wisdom about his place and purpose on Earth and in the cosmos. In ancient times, the ability to tap into this superior wisdom was transmitted to kings and pharaohs by one who was in touch with these extra-dimensional beings or lifeforms, who are also known as the spirits. Sovereignty comes from the spirits of the land, otherwise known as the Fae, the Gentry, the Sidhe or the Faeries. These spirits are like Man, but are of an Elder and wiser race which inhabits a timeless zone within the parallel dimensions. These days, only children can see them, who haven't yet had that perceptivity educated and ridiculed out of them. Shamans and high priestesses in Neolithic times were in touch with these spirits of the land, and so were able to transmit their wisdom to the king or pharaoh in sacred sex rites during his coronation night. This became known as the Sovereignty because it fired up the king's higher brain centres, giving him a superior intelligence and thus the ability and the right to reign. Our ancestors have left us magical keys in their orally passed on myths which, like messages in a bottle, can help us find the way to spark up that wisdom again, in ourselves. As a shaman and mythologist, the author Ishtar Babilu Dingir is regularly in communion with the spirits of the land where she lives in Glastonbury, Somerset. In this book, she has laid out the way for the ordinary person to regain their Sovereignty, which is their birthright, through shamanic sexual practises and also by learning to visit these other dimensions on the inner planes. First, she lays the foundation stone for the teaching by showing the evidence - from ancient Greece, Egypt, Crete, India, Sumer and Babylon - that sacred sex was an integral part of the Kingship rites, and the literary evidence that the spirits were present in the lovemaking. She also explains about our earlier ancestors' understanding about the Faery Marriage, and what she believes is the original meaning of the Holy Graal, tracing it back to the Neanderthals about 45,000 years ago. The reader then learns how to perform shamanic sex themselves, to fire up their own superior intelligence. Finally, Ishtar reveals more about her own relationship with the local spirits of the land, so that others may become inspired to explore their own locality and thus begin their quest towards higher brain development and self-empowerment - to Sovereignty.
