activities. Students are asked to describe what they already know about life during the Great Depression. Describe the light and dark imagery surrounding the scene out front of the jail. Describe the editorial by Mr. Underwood, and explain why the characters compare his death to that of a songbird. Complete sentences from the story with their missing vocabulary words. Explore the choice of having Scout act as narrator in the story, and what advantages and

disadvantages come with first person point of view. Analyze the character of Atticus by using a T-Chart for match characteristics with proof from the text. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: To Kill a Mockingbird is a Pulitzer Prize-winning story about a young girl and her family living in Maycomb, Alabama during the Depression.

Six-year-old Scout Finch lives with her older brother Jem, and lawyer father Atticus. Scout and Jem befriend a boy named Dill who stays with his aunt each summer. The three children become fascinated with their neighbor, Boo Radley, who stays hidden in his home. One summer, Atticus is appointed by the court to defend a black man named Tom Robinson, who is accused of raping a young white woman. Atticus receives much disapproval from the townspeople, which

leads to Scout, Jem and Dill saving their father and Tom from an angry mob.

As many people may know, Word Search Puzzles help the brain a lot. First of because they are challenging, you can

set a time limit or work on them as soon as you wake up, because this will constantly refresh your brain. They are also helpful to enhance concentration and focus, often searching a seemingly endless ocean of letters forces you to search in a systematic way, for example going row by row instead of randomly testing your luck. If you do this often enough you'll find that your brain gets slightly better at organising stuff. Word puzzles help also to get a greater sensitivity,

As you do more and more word searches, capturing certain fragments of a word becomes easier. This is what improving sensitivity is like. More sensitivity makes you more aware of your surroundings (somewhat like a detective picking out nuances at a crime scene). And what makes doing word searches better is doing them featuring Billboard Hot 100, with your favourite musicians, popstars, rappers and music bands. So get your word search book now and enjoy your

quarantine time!!!
