12 Years a Slave -

Narrative of Solomon

Northup - By Solomon

Northup - A Classic Slave

Narrative in LARGE PRINT

- When the editor

commenced the

preparation of the

following narrative, he did

not suppose it would

reach the size of this

volume. In order,

however, to present all

the facts which have been

communicated to him, it

has seemed necessary to extend it to its present length. Many of the statements contained in the following pages are corroborated by abundant evidence-others rest entirely upon Solomon's assertion. That he has adhered strictly to the truth the editor, at least, who has had an opportunity of detecting any contradiction or discrepancy in his statements, is well satisfied. He has invariably repeated the same story without deviating in the slightest particular, and has also carefully perused the manuscript, dictating an alteration wherever the most trivial inaccuracy has appealed. It was Solomon's fortune, during his captivity, to be owned by several masters. The treatment he received while at the "Pine Woods" shows that among slaveholders there are men of humanity as well of cruelty. Some of them are spoken of with emotions of gratitude-others in a spirit of bitterness. It is believed that the following account of his experience on Bayou Boeuf presents a correct picture of Slavery in all its lights, and

shadows, as it now exists in that locality. Unbiased, as he conceives, by any prepossessions or prejudices, the only object of the editor has been to give a faithful history of Solomon Northup's life, as he received it from his lips. In the accomplishment of that object, he trusts he has succeeded, notwithstanding the numerous faults of style and of expression it may be found to contain.

Twelve Years a Slave

BookShots

HAVING been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State - and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years - it has been suggested that an account of my life and fortunes would not be uninteresting to the public. Since my return to liberty, I have not failed to perceive the increasing interest throughout the Northern States, in regard to the subject of Slavery. Works of fiction, professing to portray its features in their more

pleasing as well as more repugnant aspects, have been circulated to an extent unprecedented, and, as I understand, have created a fruitful topic of comment and discussion.

This unforgettable memoir was the basis for the Academy Award-winning film *12 Years a Slave*. This is the true story of Solomon Northup, who was born and raised as a freeman in New York. He lived the American dream, with a house and a loving family - a wife and two kids. Then one day he was drugged, kidnapped, and sold into slavery in the deep south. These are the true accounts of his twelve hard years as a slave - many believe this memoir is even more graphic and disturbing than the film. His extraordinary journey proves the resiliency of hope and the human spirit despite the most grueling and formidable of circumstances.

Twelve Years a Slave (Illustrated) Two Pence Books

Describes the life of Solomon Northup, a free Black man from Saratoga, N.Y., who was kidnapped in 1841 and forced into slavery in Louisiana for

twelve years.

Twelve years a slave -

Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State-and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years-it has been suggested that an account of my life and fortunes would not be uninteresting to the public.

Twelve Years a Slave Courier Corporation

Solomon Northup was born a free man in New York State. At the age of 33 he was kidnapped in Washington D.C. and placed in an underground slave pen. Northup was transported by ship to New Orleans where he was sold into slavery. He spent the next 12 years working as a carpenter, driver, and cotton picker. This narrative reveals how Northup survived the harsh conditions of slavery, including smallpox, lashings, and an attempted hanging. Solomon Northup was among a select few who were freed from slavery. His account describes the

daily life of slaves in Louisiana, their diet and living conditions, the relationship between master and slave, and how slave catchers used to recapture runaways. Northup's first person account published in 1853, was a dramatic story in the national debate over slavery that took place in the nine years leading up to the start of the American Civil War

What would it mean to “get over slavery”? Is such a thing possible? Is it even desirable? Should we perceive the psychic hold of slavery as a set of mental manacles that hold us back from imagining a postracist America? Or could the psychic hold of slavery be understood as a tool, helping us get a grip on the systemic racial inequalities and restricted liberties that persist in the present day? Featuring original essays from an array of established and emerging scholars in the interdisciplinary field of African American studies, *The Psychic Hold of Slavery* offers a nuanced dialogue upon these questions. With a painful awareness that our

understanding of the past informs our understanding of the present—and vice versa—the contributors place slavery’s historical legacies in conversation with twenty-first-century manifestations of antiblack violence, dehumanization, and social death. Through an exploration of film, drama, fiction, performance art, graphic novels, and philosophical discourse, this volume considers how artists grapple with questions of representation, as they ask whether slavery can ever be accurately depicted, trace the scars that slavery has left on a traumatized body politic, or debate how to best convey that black lives matter. The *Psychic Hold of Slavery* thus raises provocative questions about how we behold the historically distinct event of African diasporic enslavement and how we might hold off the transhistorical force of antiblack domination.

12 Years a Slave Pelican Publishing

In 1841, a 33 year-old black carpenter named Simon Northup was living with his wife and children in upstate New York. A well-known fiddle player, he was asked by two white men to accompany

them to Washington DC to perform at a show. He agreed, but no sooner had he arrived than he was drugged, and shipped off to the infamous Williams Slave Pen. Northup's identity papers had disappeared, and - unable to prove his 'free' status - he was shipped to the southern 'slave states' and a life of bondage. *Twelve Years A Slave* tells the story of Northup's time on the plantations of the Deep South, the horrors and atrocities he suffered and observed, his time of hopelessness and the astonishing tale of his eventual release. An immediate bestseller when it was first published in 1853, the book is now an Oscar-winning film. It remains a timeless reminder of human hypocrisy; of a period when, as Northup himself states, slavery was tolerated in "a nation, whose theory of government... rested on the foundation of man's inalienable right to life, liberty, and the pursuit of happiness!"

Twelve Years a Slave CreateSpace

The true story behind the acclaimed movie *12 Years a Slave*, this book is based on the life of Solomon Northup, a free black man from New York who was

captured in the United States and sold into slavery in Louisiana. Solomon Northup awoke in the middle of the night with his body trembling. Slowly, he realized that he was handcuffed in a dark room and his feet were chained to the floor. He managed to slip his hand into his pocket to look for his free papers that proved he was one of 400,000 free blacks in a nation where 2.5 million other African Americans were slaves. They were gone. This remarkable story follows Northup through his 12 years of bondage as a man kidnapped into slavery, enduring the hardships of slave life in Louisiana. But the tale also has a remarkable ending. Northup is rescued from his master's cotton plantation in the deep South by friends in New York. This is a compelling tale that looks into a little known slice of history, sure to rivet young readers and adults alike. National Geographic supports K-12 educators with ELA Common Core Resources. How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About Twelve Years a Slave by Solomon Northup Twelve Years a Slave (1853) is a memoir and slave narrative by American Solomon Northup as told to and edited by David Wilson. Northup, a black man who was born free in New York state, details his being tricked to go to Washington, D.C., where he was kidnapped and sold into slavery in the

Deep South. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who in turn secured his release with the aid of the state. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans, and describes at length cotton and sugar cultivation and slave treatment on major plantations in Louisiana. The work was published eight years before the Civil War by Derby & Miller of Auburn, New York, soon after Harriet Beecher Stowe's best-selling novel about slavery, *Uncle Tom's Cabin* (1852), to which it lent factual support. Northup's book, dedicated to Stowe, sold 30,000 copies, making it a bestseller in its own right. *Twelve Years a Slave* Simon and Schuster Twelve Years a Slave is the immensely popular memoir of Solomon Northup, a free-born African-American who was kidnapped in Washington, D.C. in 1841 and sold into slavery. The narrative "Twelve Years a Slave" tells the incredible story of Solomon Northup. Solomon Northup was born to a free family in July 1808 in Minerva, New York. His father, reared in slavery, was freed after his master's death. The young Northup grew up on his father's farm and received a basic education. He married Anne Hampton in 1828, and they later moved to Saratoga, New York. He was a talented fiddler and was offered a job in a traveling circus by two gentlemen. Traveling to Washington D.C., he was drugged, sold into slavery in Richmond, and then shipped to slave markets in New Orleans. He spent the next 12 years as a slave in Louisiana with various masters before finally securing his release. His book, "Twelve Years a Slave" was published in 1853, an insider account of his experiences. "What difference is there in the color of the soul?" Solomon Northup was born a free man but was kidnapped and sold into slavery. Northup was a slave for 12 years in Louisiana before he was rescued. The narrative Northup wrote on his experience is one of the

most famous accounts of slavery. This unforgettable memoir was the basis for the Academy Award-winning film *12 Years a Slave*. This is the true story of Solomon Northup, who was born and raised as a freeman in New York.

Twelve Years a Slave
Musaicum Books

The story of Solomon Northup is a bizarre and incredible one. Born a free black in New York State in 1808, he was kidnapped in Washington, D.C., in 1841, and spent most of the next 12 years as a slave on a Louisiana cotton plantation. His years in this condition of servitude were filled with abuse, apprehension, and a profound fear for his life (he narrowly escaped lynching). Northup's years in captivity are dramatically recounted here, as are his attempts to bring charges against the men who originally abducted him. An educated man when he entered slavery, Northup was able to write about the institution as both an outsider and as one of its victims. The result was an exceptionally detailed and accurate description of slave life and plantation society. A bestseller in its time, the work is a moving, vital testament to

one of slavery's 'many thousand gone' who retained his humanity in the bowels of degradation.

Twelve Years a Slave
Badgley Publishing Company

"A moving, vital testament." -Saturday Review "An incredible document, amazingly told and structured. Tough, but riveting.-Rachel Kushner "The best firsthand account of slavery." -James McPherson *Twelve Years a Slave* (1853) is considered to be one of the most riveting and important documents recounting slavery in the United States. It is the heart-rending memoir of a free black man who is taken hostage and sold into slavery in a Louisiana plantation, his twelve years of bondage, and his remarkable escape to freedom. Since its publication, this classic has become a historical reference for its salient of depiction of life as a slave in the pre-Civil War deep south of the United States. More recently the book's popularity has soared due to the 2014 Academy Award winning motion picture. Northup's memoir begins during his early life as a free black man in Upstate New York.

He was a father of three children, a farmer, lumberjack, and a skillful musician. When two white men approached Northup about a well-paid job playing his violin in a circus, he accepted. They traveled to New York City, then Washington D.C, where after a day of celebrating his good fortunes with the two men he was drugged, and chained in a slave pen. Imprisoned by the ruthless slave-trader James Burch, he was brutally beaten and eventually sent by boat to New Orleans, Louisiana. Eventually Northup was sold to a merciful plantation owner, and

valued for his hard work, and gentle spirit. Due to his master's eventual financial hardships, Northup was sold again and again in a succession of brutal masters. With his tenacious sense of hope and goodwill he perseveres through twelve years of cruelty until his remarkable rescue from slavery and back to his freedom in New York. With its great message of hope, *Twelve Years a Slave* is one of America's great literary declarations of the power of the human spirit. With an eye-catching new cover, and professionally typeset manuscript, this edition of *Twelve Years a Slave* is both modern and

readable.

Stolen into Slavery

Lulu.com

"The true story of Solomon Northup, born a freeman in New York, but kidnapped in Washington D.C. and sold into slavery. Northup was kept in bondage for 12 years, until being able to write to friends and family in New York, who finally secured his release. This special edition contains extraordinary and unique illustrations by Jo M. Bramenson and is enhanced with a strong poem and a note from the writer and artist, who has a deep connection and interest about this theme."--Amazon.com.
