HARPER GIANCARLO

Lilli the Witch at Vampire Castle Penguin
 From the preeminent writer of Taiwanese nativist fiction and the leading translator of Chinese literature come these poignant accounts of everyday life in rural and small-town Taiwan. Huang is frequently cited as one of the most original and gifted storytellers in the Chinese language, and these selections reveal his genius. In "The Two Sign Painters," TV reporters ambush two young workers from the country taking a break atop a twenty-four-story building. "His Son's Big Doll" introduces the tortured soul inside a walking advertisement, and in "Xiaoqi's Cap" a dissatisfied pressure-cooker salesman is fascinated by a young schoolgirl. Huang's

characters—generally the uneducated and disadvantaged who must cope with assaults on their traditionalism, hostility from their urban brethren and, of course, the debilitating effects of poverty—come to life in all their human uniqueness, free from idealization.

The Fifteen Minute Hamlet Harper Collins
 "Assured, compelling, and hypnotically readable—with a twist at the end I guarantee you won't see coming" (New York Times bestselling author Lee Child), T. M. Logan's debut psychological thriller dissects a troubled marriage straight to the marrow as one man separates the truth from the Lies... Six days ago, Joe Lynch was a happily married man, a devoted father, and a respected teacher living in a well-to-do London suburb. But that was before he spotted his wife's car entering a hotel parking garage. Before he

saw her in a heated argument with her best friend's husband. Before Joe confronted the other man in an altercation where he left him for dead, bleeding and unconscious. Now, Joe's life is unraveling. His wife has lied to him. Her deception has put their entire family in jeopardy. The man she met at the hotel has vanished. And as the police investigate his disappearance, suspicion falls on Joe. Unable to trust the woman he loves, Joe finds himself at the mercy of her revelations and deceits, unsure of who or what to believe. All he knows is that her actions have brought someone dangerous into their lives—someone obsessed with her and determined to tear Joe's world apart. What if your whole life was based on LIES?

Soon, though, Emil finds himself getting sleepy . . . and the next thing he knows, the man in the bowler hat is gone—and so is the money! With the help of some new friends Emil becomes a detective and tracks the thief through the city. Filled with enduring themes of leadership, courage, and teamwork, and the delightful illustrations of Walter Trier, *Emil and the Detectives* is a rollicking, heartwarming tale come alive.

Fatal Revenant Henry Z. Walck, Incorporated

The instant #1 New York Times bestseller! "It's the best memoir I've ever read."

—Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest

of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Blue Beard (Illustrated) Blurb

"Having freed his country from foreign oppressors, Colonel Kristian Barutanski governs Blitva with an iron fist. He is opposed by Niels Nielsen, a melancholy intellectual who rails against the dictator and the hypocrisy and moral bankruptcy of society Barutanski recognizes in Nielsen a genuine foe; yet Nielsen, haunted by his own lapses of conscience, struggles to escape both the regime and the role of opposition leader thrust upon him. He flees to the neighboring state of Blatvia - and finds his new country as corrupt and as tyrannical as the one he called home." -

The collection *Croatian Tales of Long Ago* is considered to be a masterpiece and features a series of newly written fairy tales heavily inspired by motifs taken from ancient Slavic mythology of pre-Christian Croatia. *Croatian Tales of Long Ago* are seen as one of the most typical examples of the writing style of Ivana Brlić-Mažuranić. The book has been compared by literary critics to Hans Christian Andersen and J. R. R. Tolkien due to the way it combines original fantasy plots with folk mythology.

Did Hitler—code name "Grey Wolf"—really die in 1945? Gripping new evidence shows what could have happened. The basis for the titular documentary. When Truman asked Stalin in 1945 whether Hitler was dead, Stalin replied bluntly, "No." As late as 1952, Eisenhower declared: "We have been unable to unearth one bit of tangible evidence of Hitler's death." What really happened? Simon Dunstan and Gerrard Williams have compiled extensive evidence—some recently declassified—that Hitler actually fled Berlin and took refuge in a remote Nazi enclave in Argentina. The recent discovery that the famous "Hitler's skull" in Moscow is female, as well as newly uncovered documents, provide powerful proof for

their case. Dunstan and Williams cite people, places, and dates in over 500 detailed notes that identify the plan's escape route, vehicles, aircraft, U-boats, and hideouts. Among the details: the CIA's possible involvement and Hitler's life in Patagonia—including his two daughters. "Describes a ghastly pantomime played out in the names of the Fuhrer and the woman who had been his mistress." —The Sun "Grey Wolf is more than a conspiracy yarn . . . Its authors show Hitler's escape was possible . . . a gripping read." —South China Morning Post "Remarkable detail." —Sir David Frost, *Frost Over the World* "Stunning saga of intrigue." —Pravda "Stunning account of the last days of the Reich." —Parapolitical.com "I thought the book was hugely thought-provoking and explores some of the untold, murky loose ends of World War Two." —Dan Snow, broadcaster and historian, *The One Show* BBC 1 "Laid out in lavish detail." —Daily Mail

"... The author continues his association with Hamlet by taking the most famous and best loved lines from Shakespeare's play and condensing them into a hilarious thirteen minute version. This miraculous feat is followed by an encore which consists of a two-minute version of the play! The vast multitude of characters are played by six actors with hectic doubling, and the action takes place at a shortened version of Elshore Castle."--Publisher description.

Principles of European Insurance Contract Law (PEICL) Abrams

Zabranjena, strastvena, tajna ljubav. Ljubav za koju ubijate. Ljubav koju branite dusom, srcem i tijelom. Ljubav koja se desava samo jednom u zivotu, onda kad za nju niste spremni. Covjek koji mrzi dodire i zena koja ih ne poznaje u intimnom smislu. Oboje jednako osteceni, on otudjen, ona tudja. Strast koja ce planuti, prerast ce granice svega mjerljivog, otkriti tajne, srusiti zidove, pokositi zrtve. Pitanje je samo jesu li Harden i Anabel dovoljno jaki da se i dalje bore za sebe, za novu snagu koju su pronasli jedno u drugome ili ce ih sudbina ponovno potuci, prokrvariti stare rane i pokazati da za njih nema sretnog kraja?

"The meaning of life is the most urgent of questions," said the existentialist thinker Albert Camus. And no less a philosopher than Woody Allen has wondered: "How is it possible to find meaning in a finite world, given my waist and shirt size?" "Movies and the Meaning of Life" looks at popular and cult movies, examining their assumptions and insights on meaning-of-life questions: What is reality and how can I know it? (The Truman Show, Contact, Waking Life); How do I find myself and my true identity? (Fight Club, Being John Malkovich, Boys Don't Cry, Memento); How do I find meaning from my interactions with others? (Pulp Fiction, Shadowlands, Chasing Amy); What is the chief purpose in life? (American Beauty, Life is Beautiful, The Shawshank Redemption); and How ought I live my life? (Pleasantville, Spiderman, Minority Report, Groundhog Day).
