KIRSTEN GALVAN

The American Heritage Essential Student Thesaurus

Perfection Learning

Offers 200 synonym paragraphs and 800+ synonyms. Lets your students express themselves better by providing ample use of the terms in sentences. Good index. 96 pages, 2 colors.

The American Heritage High School Dictionary Houghton Mifflin Harcourt

More than 200 alphabetically arranged entries give synonyms, definitions, and parts of speech, with example sentences for each synonym to distinguish shades of meaning.

American Heritage Essential Student Thesaurus Silver Burdett Press

Clear, concise, effective, THE RANDOM HOUSE GUIDE TO GOOD WRITING is for anyone who wishes to communicate well in writing.

Mitchell Ivers shows us how to master the medium and the message with an array of features: Precise guidelines on word usage, grammar, and punctuation--and how to decide with "rules" you can discard to suit your purpose; How to choose the tone and style appropriate to your audience and subject; The essential components of plot in fiction and structure in nonfiction, and much more. An Alternate Selection of the Book-of-the-Month Club

A Main Selection of the Writer's Digest Book Club

American Heritage Essential Student Thesaurus Houghton Mifflin

More than 200 alphabetically arranged entries give synonyms, definitions, and parts of speech, with example sentences for each synonym to distinguish shades of meaning.

The American Heritage Student Dictionary Facet Publishing

More than 200 alphabetically arranged entries give synonyms, definitions, and parts of speech, with example sentences for each synonym to distinguish shades of meaning.

The American Heritage Dictionary of the English Language Collins Reference

Includes sections with brief biographical and geographic entries, and abbreviations.

Webster's School Thesaurus Laurel

A comprehensive American English dictionary.

American Heritage Thesaurus Houghton Mifflin

The American Heritage(R) Student Dictionary contains the most

current and comprehensive vocabulary for students in grades 6 through 9. More than 65,000 entries are enhanced by more than 2,000 photographs and illustrations. New computer and Internet terms make this trusted reference work more relevant than ever. The extensive program of biographical and geographic entries has been revised and supplemented in view of the latest cultural and political developments.

The American Heritage Essential Student Thesaurus Everbind Ideal for students in the upper grades of elementary school, 100 Words Every Fourth Grader Should Know is the latest book in the popular 100 Words series from the American Heritage® Dictionaries. This book includes one hundred words of varying degrees of difficulty, representing the kind of vocabulary students often encounter in their classes and in their reading. From accommodate to zest, with stops along the way at frank, persuade, and vengeance, the words are invariably intriguing and useful. Each entry includes the word's pronunciation, clear definitions of its various senses, and one or more short example sentences, along with a longer quotation from a classic or contemporary author showing how the word is used in a broader context.

The American Heritage Dictionary HarperCollins Horace G. Danner's *A Thesaurus of English Word Roots* is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In *A Thesaurus of English Word Roots*, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odynacusis.. In this manner, *A Thesaurus of English Word Roots* places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological

aspects of English language.

American Heritage Essential Student Thesaurus Indiana Historical Society

This shrink-wrapped set includes the 1999 editions of *The American Heritage(R) Student Dictionary* and *The American Heritage(R) Student Thesaurus*.

The American Heritage Student Dictionary Houghton Mifflin This is the definitive thesaurus for middle school and high school students. No other book at this level offers as many synonyms, example sentences, or features.

The American Heritage Essential Student Thesaurus Perfection Learning

More than 200 alphabetically arranged entries give synonyms, definitions, and parts of speech, with example sentences for each synonym to distinguish shades of meaning.

American Heritage Student Dictionary Houghton Mifflin

This detailed book is a "how-to" guide to building controlled vocabulary tools, cataloging and indexing cultural materials with terms and names from controlled vocabularies, and using vocabularies in search engines and databases to enhance discovery and retrieval online. Also covered are the following: What are controlled vocabularies and why are they useful? Which vocabularies exist for cataloging art and cultural objects? How should they be integrated in a cataloging system? How should they be used for indexing and for retrieval? How should an institution construct a local authority file? The links in a controlled vocabulary ensure that relationships are defined and maintained for both cataloging and retrieval, clarifying whether a rose window and a Catherine wheel are the same thing, or how pot-metal glass is related to the more general term stained glass. The book provides organizations and individuals with a practical tool for creating and implementing vocabularies as reference tools, sources of documentation, and powerful enhancements for online searching.

The American Heritage Student Science Dictionary Collins Reference

Roget's II: The New Thesaurus, Third Edition, is the essential writing tool for every classroom, home, and office, providing all the features that have made Roget's a trusted name for 100 years.
