delightful story from multi-award-winning author Maxine Beneba Clarke, beautifully illustrated by street artist Van T Rudd. Maglia Rosa The Creative Company Every year, people ask Groundhog the same, boring old question. Is spring around the corner? Or are we doomed to more winter? Sure, they care about his shadow, but what about him and his interests? He's had enough!

Groundhog packs his bags and sets out for a much-needed vacation. Now the town is holding auditions to find someone to fill his spot. None of the animals seem right for the job, though. Not Elephant, not Ostrich, and most certainly not Puppy. No one has Groundhog's flair for the dramatic, but is it too late to woo him back into the spotlight? With a fresh take on a familiar event and bold,

lively illustrations, this hilarious audio eBook will leave readers wishing it was Groundhog's Day year-round. *Mabel and Sam at Home* Constable Never underestimate the power of good friends! Patchwork, a colorfully quilted stuffed bear, sets forth on a quirky journey and enlists the help of his wildly eclectic bunch of buddies including a great blue whale, a mama-loving

llama, and a gracious narwhal to help him repair his best pal, a raggedy bear named Fred. Patchwork Helps a Friend is the debut picture book from artist and designer Jacqueline Schmidt of Screech Owl Design. Schmidt's charming illustrations bring to life the endearing tale written by Gail Greiner. As this imaginative story unfolds, we learn that anything can be accomplished

with the help of trusted friends. This sweetly illustrated story celebrates the value of friendship and the love of a good adventure while including always-captivating children's book staples like talking animals, surprises, and even some dancing! For those who fell in love with Laura Vaccaro Seeger's Dog and Bear, Patchwork Helps a Friend is a no-brainer must-have

that promises to be read aloud over and over again! Patchwork Helps a Friend is the introductory book in the series, Patchwork's Adventures, taking youthful readers (ages 3 to 7) on highly visual, emotionally-driven adventures led by the oh-so loveable stuffed bear and his menagerie of animal comrades. [Groundhog's Day Off](#) MIT Press Robert Penn

has saddled up nearly every day of his adult life. In his late twenties, he pedaled 25,000 miles around the world. Today he rides to get to work, sometimes for work, to bathe in air and sunshine, to travel, to go shopping, to stay sane, and to skip bath time with his kids. He's no Sunday pedal pusher. So when the time came for a new bike, he decided to pull out all the stops. He would build his dream

bike, the bike he would ride for the rest of his life; a customized machine that reflects the joy of cycling. It's All About the Bike follows Penn's journey, but this book is more than the story of his hunt for two-wheel perfection. En route, Penn brilliantly explores the culture, science, and history of the bicycle. From artisanal frame shops in the United Kingdom to California, where he finds the perfect

wheels, via Portland, Milan, and points in between, his trek follows the serpentine path of our love affair with cycling. It explains why we ride. It's All About the Bike is, like Penn's dream bike, a tale greater than the sum of its parts. An enthusiastic and charming tour guide, Penn uses each component of the bike as a starting point for illuminating excursions into the rich history of cycling. Just

like a long ride on a lovely day, It's All About the Bike is pure joy-enriching, exhilarating, and unforgettable. *Merckx* Hachette UK Perfect for fans of Raina Telgemeier, *Awkward*, and *All's Faire* in Middle School, this graphic novel follows a neighborhood of kids who transform ordinary cardboard into fantastical homemade costumes as they explore conflicts with friends, family, and their own

identity. "A breath of fresh air, this tender and dynamic collection is a must-have." -- Kirkus, Starred Welcome to a neighborhood of kids who transform ordinary boxes into colorful costumes, and their ordinary block into cardboard kingdom. This is the summer when sixteen kids encounter knights and rogues, robots and monsters--and their own inner demons--on one last quest before school starts again. In the Cardboard

Kingdom, you can be anything you want to be--imagine that! The Cardboard Kingdom was created, organized, and drawn by Chad Sell with writing from ten other authors: Jay Fuller, David DeMeo, Katie Schenkel, Kris Moore, Molly Muldoon, Vid Alliger, Manuel Betancourt, Michael Cole, Cloud Jacobs, and Barbara Perez Marquez. The Cardboard Kingdom affirms the power of imagination

and play during the most important years of adolescent identity-searching and emotional growth. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS * THE NEW YORK PUBLIC LIBRARY * SCHOOL LIBRARY JOURNAL * A TEXAS BLUEBONNET 2019-20 MASTER LIST SELECTION "There's room for everyone inside The Cardboard Kingdom,

where friendship and imagination reign supreme." -- Ingrid Law, New York Times bestselling author of Savvy "A timely and colorful graphic novel debut that, like its many offbeat but on-point characters, marches to the beat of its own cardboard drum." --Tim Federle, award-winning author of Better Nate Than Ever *Good-bye, Curtis* Hachette UK

Difference is everywhere, just look and see. This whole-wide-big-world is wondrous-unique. A gorgeous picture book about our diverse and wonderful world from award-winning author Maxine Beneba Clarke and illustrator Isobel Knowles. PRAISE FOR THE PATCHWORK BIKE 'Like all the best writing, The Patchwork Bike asks more questions than it answers, making it a

great conversation starter to learn more about other cultures, but it's also a delightful picture book for kids aged three and up that depicts the universal joy that riding a bike bestows.' - Books+Publishing 'This is a wonderfully fast-moving picture book that celebrates the rebellious, the inventive and the just plain entertaining spirit of kids who are left to, rather than on their own devices.' -

Picture Book Perusal *Ben Rides On* Macmillan Start with a simple block. Slice, turn, and sew slices back together. Then watch the magic happen! It's hard to believe such complex-looking quilts can come from such easy-to-sew blocks, but turnabout techniques transform even the most basic blocks into showstopping quilts. In some cases slicing isn't even necessary-- just turn units

as directed for unique designs! Each chapter focuses on a single block; just follow along to sew, slice, turn, and sew again. Find several design options for each block, along with a total of 23 quilt patterns, so you can make lap quilts, runners, and more with the turnabout blocks you create. Wicked Nix Simon and Schuster Cass McKenna much prefers ghosts over "breathers."

Ghosts are uncomplicated and dependable, and they know the dirt on everybody...and Cass loves dirt. She's on a mission to expose the dirty secrets of the poseurs in her school. But when the vice president of the student council discovers her secret, Cass's whole scheme hangs in the balance. Tim wants her to help him contact his recently deceased mother, and Cass reluctantly agrees. As

Cass becomes increasingly entwined in Tim's life, she's surprised to realize he's not so bad—and he needs help more desperately than anyone else suspects. Maybe it's time to give the living another chance....

Give Up the Ghost
 Bloomsbury Publishing USA
 From a new voice in international fiction, a prize-winning collection of stories that cross the world—Africa, London, the West Indies, Australia—and express the global experience

“with exquisite sensitivity” (Dave Eggers, author of *The Circle*). In this collection of award-winning stories, Maxine Beneba Clarke gives voice to the disenfranchised, the lost, and the mistreated. Her stories will challenge you, move you, and change the way you view this complex world we inhabit. Within these pages, a desperate asylum seeker is pacing the hallways of Sydney’s

notorious Villawood detention centre; a seven-year-old Sudanese boy has found solace in a patchwork bike; an enraged black militant is on the war-path through the rebel squats of 1960s Brixton; a Mississippi housewife decides to make the ultimate sacrifice to save her son from small-town ignorance; a young woman leaves rural Jamaica in search of her destiny; and a

Sydney schoolgirl loses her way. In the bestselling tradition of novelists such as Chimamanda Ngozi Adichie and Marlon James, this urgent, poetic, and essential work announces the arrival of a fresh and talented voice in international fiction. *My Papi Has a Motorcycle* Images Publishing Eddy receives a mysterious gift from India, an old-fashioned bike that

transports its rider through time. *This One Summer* Knopf Books for Young Readers An empowering celebration of identity, acceptance and Hawaiian culture based on the true story of a young girl in Hawai'i who dreams of leading the boys-only hula troupe at her school. Ho'onani feels in-between. She doesn't see herself as wahine (girl) OR kane (boy). She's happy to be in

the middle. But not everyone sees it that way. When Ho'onani finds out that there will be a school performance of a traditional kane hula chant, she wants to be part of it. But can a girl really lead the all-male troupe? Ho'onani has to try . . . Based on a true story, *Ho'onani: Hula Warrior* is a celebration of Hawaiian culture and an empowering story of a girl who learns to lead and

learns to accept who she really is-- and in doing so, gains the respect of all those around her.

Ho'onani's story first appeared in the documentary *A Place in the Middle* by filmmakers Dean Hamer and Joe Wilson.

[When We Say Black Lives Matter](#)

Penguin
A timely,

powerful and much-needed picture book exploring the background to the Black Lives Matter movement for young children. A beautifully illustrated and poignant picture book about the Black Lives Matter movement - its deep history, background and meaning - as well as a focus on the tremendous

amount of work still left to do. Through author-illustrator Maxine Beneba Clarke's glorious artwork and lyrical text, this book fosters activism, being anti-racist and using your voice and your power for good. A brave, empowering and inspiring read for all children.
