Are you longing to hear from God, aching to know who He really is? The beautiful truth is this—we can encounter the living God today and every day in the pages of His Word. Whether you are a seasoned Bible reader or struggle to keep up with studying Scripture, *Open Your Bible* will leave you with a greater appreciation for the Word of God, a deeper understanding of its authority, and a stronger desire to know the Bible inside and out. Using powerful storytelling, real-life examples, and scripture itself, *Open Your Bible* will quench a thirst you might not even know you have, one that can only be satisfied by

God's Word.

Creates A Vivid And Compelling Portrait Of
Indians As He Argues That They Will
Survive And Flourish In The New
Millennium Precisely Because Of What
They Are, Warts And All, And Not Because
Of What They Think They Are Or Would
Like To Be. This Book, Which Will Stimulate
Reflection, Discussion And Controversy, Is

A Must Read For Both Foreigners Who Wish To Understand Indians And Indians Who Wish To Understand Themselves. *Hot Hand* Cornell University Press
 What we make, makes us. This is the central tenet of *Artful Design*, a photorealistic comic book that examines the nature, purpose, and meaning of design. A call to action and a meditation on art, authenticity, and social connection in a world disrupted by technological change, this book articulates a fundamental principle for design: that we should design not just from practical needs but from the values that underlie those needs. *Artful Design* takes readers on a journey through the aesthetic dimensions of technology. Using music as a universal phenomenon that has evolved alongside technology, this book breaks down concrete case studies in computer-mediated toys, tools, games, and instruments, including the best-selling app Ocarina. Every chapter elaborates a set of general design principles and strategies that illuminate the essential relationship between aesthetics and engineering, art and design. Ge Wang implores us to both embrace and confront technology, not purely as a means to an end, but in its potential to enrich life. Technology is never a neutral agent, but through what we do with it—through what we design with it—it provides a mirror to our human endeavors and values. *Artful Design* delivers an aesthetic manifesto of technology, accessible yet uncompromising.

Walter Scott Penguin

"One of the most intense, thrilling, and aching beautiful stories I've ever read."-- Marie Lu, New York Times best-selling author of the Legend trilogy The first in the New York Times bestselling author duo Amie Kaufman and Meagan Spooner's sweeping science fiction trilogy, *These Broken Stars* is a timeless love story about hope and survival in the face of unthinkable odds. It's a night like any other on board the *Icarus*. Then, catastrophe strikes: the massive luxury spaceliner is yanked out of hyperspace and plummets into the nearest planet. Lilac LaRoux and Tarver Merendsen are the only survivors. Lilac is the daughter of the richest man in the universe. Tarver comes from nothing, a young war hero who learned long ago that girls like Lilac are more trouble than they're worth. But with only each other to rely on, Lilac and Tarver must work together, making a tortuous journey across the eerie, deserted terrain to seek help. Then, against all odds, Lilac and Tarver find a strange blessing in the tragedy that has

thrown them into each other's arms. Everything changes when they uncover the truth behind the chilling whispers that haunt their every step. Lilac and Tarver may find a way off this planet. But they won't be the same people who landed on it.

Are you frustrated in your current job? Are you unemployed? Do you believe you can achieve more, but don't know where to start? The process outlined in this book has been used successfully by hundreds of clients. My clients are speech pathologists, chief marketing officers, certified public accountants, nurses, attorneys, plumbers, chief executive officers, music teachers, software engineers, supply chain managers, artists, etc. What do they all have in common? They all have a desire to do something different, to have rewarding, fulfilling work lives. They used this book to help them move from the frustrating situations they were in, towards rewarding, meaningful careers in their chosen field. This is what some of my clients have said: You changed my life! You made me put me first, and no one has ever made me put me first. No one ever asked me And what do YOU want for yourself? RACHELLE EVANS, Payroll Manager, Phoenix, AZ Brilliant! MICHAEL VAN INGEN, Cornell graduate "Getting There" by Luis Martinez offers step-by-step guidance & hints to help job-seekers -- whether you're a recent college grad or are an experienced worker looking for new directions -- achieve their professional goals. Few people have as deep an understanding of corporate hiring as Luis Martinez. As a Human Resources Consultant at Xerox, he has advised a whole spectrum of employees for many years. Now Martinez shares powerful lessons from his long career. Christine Cody, Sales Professional, Brooklyn, NY

Vampires . . . they ache, they love, they thirst for the forbidden. They are your friends and lovers, and your worst fears. "A major new voice in horror fiction . . . an electric style and no shortage of nerve."—Booklist At a club in Missing Mile, N.C., the children of the night gather, dressed in black, look for acceptance. Among them are Ghost, who sees what others do not; Ann, longing for love; and Jason, whose real name is Nothing, newly awakened to an ancient, deathless truth about his father, and himself. Others are coming to Missing Mile tonight. Three beautiful, hip vagabonds—Molochai, Twig, and the seductive Zillah, whose eyes are

as green as limes—are on their own lost journey, slaking their ancient thirst for blood, looking for supple young flesh. They find it in Nothing and Ann, leading them on a mad, illicit road trip south to New Orleans. Over miles of dark highway, Ghost pursues, his powers guiding him on a journey to reach his destiny, to save Ann from her new companions, to save Nothing from himself. . . . "An important and original work . . . a gritty, highly literate blend of brutality and sentiment, hope and despair."—Science Fiction Chronicle *Himāl* Bloomsbury Publishing USA

In James Patterson's follow-up to *I Funny*, middle schooler Jamie Grimm is ready for the national comedy semi-finals. . . but when his family and friends need his help, will he have to put his dreams on hold? In this follow up to the #1 New York Times bestseller *I Funny*, middle schooler Jamie Grimm has big dreams of being the best stand-up comic in the world—and he won't let the fact that he's wheelchair-bound stand in his way. After winning the New York state finals in the Planet's Funniest Kid Comic Contest, Jamie's off to Boston to compete in the national semi-finals. But when one of his best buddies runs into trouble at school and a sudden family health scare rears its head, Jamie has to put his comedic ambitions on hold and stand by the people he cares about. Can Jamie pass up the big competition for the sake of his friends and family?

Jimmy Patterson

Award-winning novelist Carl Deuker creates a mystery-thriller against the backdrop of high school football and the criminal underworld.

The Bookseller Penguin

The *Critical Heritage* gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work, enabling students and researchers to read for themselves, for example, comments on early performances of Shakespeare's plays, or reactions to the first publication of Jane Austen's novels. The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion, and little published documentary material such as letters and diaries. Significant pieces of criticism from later periods are also included, in order to demonstrate the fluctuations in an author's reputation. Each volume contains an introduction to the writer's published works, a selected bibliography, and an index of works, authors and subjects.

Shakespeare Quarterly Simon and Schuster

"Like the artists studied here, we pick and choose our Shakespeares, and through that labor another story emerges. Frozen in time on the page or screen, some of those collaborations continue to speak, but denuded of their immediate moment and surroundings; we are left to supplement the traces. In recovering that past, the present takes on greater clarity and contrast. But the proof must be in the telling. A writer lifts a pen. Enter the multiple forces—political and economic, psychological, formal, and technical—that serendipitously transform imagination into memory. Let the collaborative play begin."—from the Introduction Focusing on key writers, actors, theater directors, and filmmakers who have kept Shakespeare at the center of their endeavors over the past two hundred years, *Collaborations with the Past* illuminates not only the playwright's work but also the choices and responsibilities involved in re-creating culture, and the ingenuity and peril of the artistic process. By concentrating on rich yet problematic instances of Shakespeare's reanimation in such quintessentially modern forms as the novel and film, from Sir Walter Scott's *Kenilworth* to Kenneth Branagh's *Henry V*, Diana E. Henderson sketches a complex history of the pleasures and difficulties that ensue when Shakespeare and modern artists collaborate. Working with texts across the entire range of Shakespeare's career, Henderson demonstrates—through detailed analyses of novels including *Jane Eyre* and *Mrs. Dalloway* as well as filmed, televised, and staged performances—that art (even in the newest media) cannot avoid collaborating with the past. Only by studying that collaborative process can we comprehend Shakespeare and Anglo-American culture.

A detailed study of John Keats's classic volume of poetry published in 1820 considered in the light of the history of melancholy. First, book-length critical study of John Keats's collection of poems, *Lamia, Isabella, The Eve of St Agnes, And Other Poems* (1820). Considers the anthology as a poetically and thematically unified collection, instead of the more usual method of analyzing the poems in chronological order of writing. Proposes that the main theme running through the volume is melancholy, a very capacious medical category extending back to ancient Greco-Roman writers, through the Renaissance, and the subject of literary cults in the Romantic age. The first detailed study of Keats's markings and annotations on his copy of Robert Burton's *The*

Anatomy of Melancholy (1621) which was his favourite book during 1819 when he was writing the poems. This book examines John Keats's immensely important collection of poems, *Lamia, Isabella, The Eve of St Agnes, And Other Poems* (1820), and is published in the volume's bicentenary. It analyses the collection as an authorially organised and multi-dimensionally unified volume rather than as a collection of occasional poems. R. S. White argues that a guiding theme behind the 1820 volume is the persistent emphasis on different types of melancholy, an ancient, all-consuming medical condition and literary preoccupation in Renaissance and Romantic poetry. Melancholy was a lifelong interest of Keats's, touching on his medical training, his temperament and his delighted reading in 1819 of Burton's *The Anatomy of Melancholy*.

I Even Funnier Scholastic Inc.

This novel told from the perspectives of both humans and chimpanzees "packs a huge emotional punch" (*The Gazette, Montreal*). Looee is a chimp raised by a well-meaning and compassionate human couple who cannot conceive a baby of their own. He is forever set apart—not human, but certainly not like other chimps. Then one night, after years at the family's Vermont home, all their lives are changed forever. At the Girdish Institute, a group of chimpanzees has been studied for decades. There is proof that chimps have memories and solve problems, that they can learn language and need friends. They are political and altruistic. They get angry, and forgive. Mr. Ghoul has been there from the beginning, and has grown up in a world of rivals, sex, and unpredictable loss. Looee and Mr. Ghoul travel distant but parallel paths through childhood, adolescence, and early middle age. But ultimately their paths will cross at this Florida primate research facility, in this "strangely captivating [and] deeply moving" novel about the truths that transcend species, and the capacity for survival (Booklist).

Pennsylvania, 1971: Graham Davidson is a young man with survivor's guilt after the death of three siblings. Estranged from his father and seeking a direction in his life, Graham learns about vision quests from a Crow Indian. He secures seasonal employment in Yellowstone National Park and embarks on a spiritual journey.
Wyoming Territory, 1871: Under a full moon at a sacred thermal area, Graham finds himself in Yellowstone a century earlier - one year before it was established as a national park. He joins the Hayden Expedition which was commissioned to explore the region. Although a military escort provides protection for the explorers, the cavalry's notorious lieutenant threatens Graham. His perilous journey through the future park is marred by a horrific tragedy in a geyser basin, a grizzly bear attack, and an encounter with hostile Blackfoot Indians. Graham falls in love with Makawee, a beautiful Crow woman who serves as a guide. As the expedition nears its conclusion, Graham is

faced with an agonizing decision. Does he stay in the previous century with the woman he loves or travel back to the future? If you like the historical time travel adventure of *Outlander* or enjoyed the movie "Dances with Wolves," then you'll love *Burning Ground!*

It's summertime on the North Carolina coast and the livin' is easy. Unless, that is, you've just lost your mother to cancer, your sister to her extremist husband, and your husband to his executive assistant. Meet Gray Howard. Right when Gray could use a serious infusion of good karma in her life,

she inadvertently gets a stranger, Diana Harrington, fired from her job at the local pharmacy. Diana Harrington's summer isn't off to the greatest start either: Hours before losing her job, she broke up with her boyfriend and moved out of their shared house with only a worn-out Impala for a bed. Lucky for her, Gray has an empty guest house and a very guilty conscience. With Gray's kindness, Diana's tide begins to turn. But when her first love returns, every secret from her past seems to resurface all at once. And, as Gray begins to blaze a new trail, she discovers, with Diana's help, that what she envisioned as her perfect life may not be what she wants at all. In her warmest, wisest novel yet, Kristy Woodson Harvey delivers a discerning portrait of modern womanhood through two vastly different lenses. *Feels Like Falling* is a beach bag essential for Harvey fans—and for a new generation of readers.

Artful Design Lifeway Church Resources Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

Pathfinder CDS Combined Defence Services Entrance Examination Stanford University Press

The widespread opinion is that Northrop Frye's influence reached its zenith in the 1960s and 1970s, after which point he became obsolete, his work buried in

obscurity. This almost universal opinion is summed up in Terry Eagleton's 1983 rhetorical question, "Who now reads Frye?" In *The Reception of Northrop Frye*, Robert D. Denham catalogues what has been written about Frye – books, articles, translations, dissertations and theses, and reviews – in order to demonstrate that the attention Frye's work has received from the beginning has progressed at a geomantic rate. Denham also explores what we can discover once we have a fairly complete record of Frye's reception in front of us – such as Hayden White's theory of emplotments applied to historical writing and Byron Almén's theory of musical narrative. The sheer quantity of what has been written about Frye reveals that the only valid response to Eagleton's rhetorical question is "a very large and growing number," the growth being not incremental but exponential.

The Exhibitor Dell

In this innovative, performative approach to the expressive culture of the Yaqui (Yoeme) peoples of the Sonora and Arizona borderlands, David Delgado Shorter provides an altogether fresh understanding of Yoeme worldviews. Based on extensive field study, Shorter's interpretation of the community's ceremonies and oral traditions as forms of "historical inscription" reveals new meanings of their legends of the Talking Tree, their narrative of myth-and-history known as the Testamento, their fabled deer dances, funerary rites, and church processions.
