Lewis's stunning First Sister trilogy perfect for fans of Red Rising, The Handmaid's Tale, and The Expanse. Astrid is finally free of the Sisterhood, yet her name carries on. She's called the Unchained by those she's inspired and the Heretic by those who want her voiceless once more. However, the Sisterhood thrives under the newly appointed Mother Lilian I, who's engaged in high-stakes politics among the Warlords and the Aunts to rebuild the Sisterhood in her own image. But the evil of the Sisterhood can't be purged with anything less than fire... Meanwhile, Hiro val Akira is a rebel without an army, a Dagger without a Rapier. As protests rock the streets of Cytherea, Hiro moves in the shadows, driven by grief and vengeance, as they hunt the man responsible for all their pain: their father... Transformed by the Genekey virus, Luce navigates the growing schism within the Asters on Ceres. Hurting in her new body, she works to bridge two worlds seemingly intent on mutual destruction. All while mourning her fallen brother, though Lito sol Lucius's memory may yet live on. Yet Souji val Akira stands in judgment on them all, plotting the future for all of humanity, and running out of time before war erupts between the Icarii and Geans. But can even the greatest human intellect outwit the Synthetics? This "sprawling, queer space opera" (NPR) trilogy comes to a sensational climax in this final installment, and is a must-read for science fiction fans everywhere.

Mage Vol. 6: The Hero Denied Book Three Image Comics

Prince Liam. Prince Frederic. Prince Duncan. Prince Gustav. You've never heard of them, have you?

These are the princes who saved Sleeping Beauty, Cinderella, Snow White, and Rapunzel, respectively, and yet, thanks to those lousy bards who wrote the tales, you likely know them only as Prince Charming. But all of this is about to change. Rejected by their princesses and cast out of their castles, the princes stumble upon an evil plot that could endanger each of their kingdoms. Now it's up to them to triumph over their various shortcomings, take on trolls, bandits, dragons, witches, and other assorted terrors, and become the heroes no one ever thought they could be. Christopher Healy's Hero's Guide to Saving Your Kingdom is a completely original take on the world of fairy tales, the truth about what happens after "happily ever after." It's a must-have for middle grade readers who enjoy their fantasy adventures mixed with the humor of the Diary of a Wimpy Kid books. Witty black-and-white drawings by Todd Harris add to the fun.
