The Five People You Meet in Heaven Back Bay Books
Welcome to Angel Falls, a small-town so delightful even enemies can't help falling in love in this "emotional, heartwarming romance you can't put down." (Lori Wilde, New

York Times bestselling author) Angel Falls is the last place Sara Langdon wants to be. Her hometown may be charming, but it's also filled with memories of her "wedding-that-never-was." Yet Sara's grandmother needs her, and joining her dad at his medical practice gives Sara time to figure out what she wants for her

future. But when her first patient turns out to be Colton Walker, the man who sabotaged her wedding, Sara starts to wonder if she'll ever be able to escape her past. As police chief, Colton Walker is devoted to his small town, and he's equally determined to avoid its newest resident. He and Sara have always gotten along like oil and

water, and since the bachelor party incident, he's her Enemy #1. But after sharing an unexpected--and unexpectedly hot--kiss, Colton starts to wonder if the woman he's always fighting with is the one he should be fighting for. Praise for Miranda Liasson: "Liasson will make you laugh and melt your heart in this can't miss read."-- Marina Adair, #1 bestselling author of *Summer in Napa* "Aby tugs at the heartstrings with this poignant contemporary"--

Publishers Weekly "Then There Was You was captivating and unputdownable." -- Under the Covers "A delightful and sexy small-town tale of love lost and found!" -- Fresh Fiction What readers are saying about Then There Was You "I absolutely adored this. It was a wonderful story filled with so much heart and love that completely filled me up. Excellent read!" "This story warmed my heart...I loved the quirky small-town vibe and the characters' strong sense of family." "Then

There Was You is perfect for someone who enjoys romances in a small town setting. It was engaging from the beginning and above all, sweet and cozy." "Full of heart, sharp one-liners and some definite tear-worthy moments." *Until There Was You* Hachette Books From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize.

Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he

understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

Infinite Jest HTJB, Inc.
“When this book was first published it received some attention from the critics but none at all from

the public. Nazism was finished in the bunker in Berlin and its death warrant signed on the bench at Nuremberg.” That’s Milton Mayer, writing in a foreword to the 1966 edition of *They Thought They Were Free*. He’s right about the critics: the book was a finalist for the National Book Award in 1956. General readers may have been slower to take notice, but over time they did—what we’ve seen over decades is that any time people, across the political spectrum, start to

feel that freedom is threatened, the book experiences a ripple of word-of-mouth interest. And that interest has never been more prominent or potent than what we've seen in the past year. *They Thought They Were Free* is an eloquent and provocative examination of the development of fascism in Germany. Mayer's book is a study of ten Germans and their lives from 1933-45, based on interviews he conducted after the war when he lived in Germany. Mayer

had a position as a research professor at the University of Frankfurt and lived in a nearby small Hessian town which he disguised with the name "Kronenberg." "These ten men were not men of distinction," Mayer noted, but they had been members of the Nazi Party; Mayer wanted to discover what had made them Nazis. His discussions with them of Nazism, the rise of the Reich, and mass complicity with evil became the backbone of this book, an indictment

of the ordinary German that is all the more powerful for its refusal to let the rest of us pretend that our moment, our society, our country are fundamentally immune. A new foreword to this edition by eminent historian of the Reich Richard J. Evans puts the book in historical and contemporary context. We live in an age of fervid politics and hyperbolic rhetoric. *They Thought They Were Free* cuts through that, revealing instead the slow, quiet accretions of change,

complicity, and abdication of moral authority that quietly mark the rise of evil.

When I Was You Penguin This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. *Monster* is a multi-

award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. *Monster* is now a major motion picture called *All Rise* and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and A\$AP Rocky. The late Walter Dean Myers was a National Ambassador for Young People's Literature, who was known for his commitment to realistically depicting kids

from his hometown of Harlem. [Fear and Loathing in Las Vegas](#) Ballantine Books Years in the making, Sarah J. Maas's #1 New York Times bestselling *Throne of Glass* series draws to an epic, unforgettable conclusion. Aelin Galathynius's journey from slave to king's assassin to the queen of a once-great kingdom reaches its heart-rending finale as war erupts across her world. . . Aelin has risked everything to save her people-but at a

tremendous cost. Locked within an iron coffin by the Queen of the Fae, Aelin must draw upon her fiery will as she endures months of torture. Aware that yielding to Maeve will doom those she loves keeps her from breaking, though her resolve begins to unravel with each passing day... With Aelin captured, Aedion and Lysandra remain the last line of defense to protect Terrasen from utter destruction. Yet they soon realize that the many allies they've gathered to battle Erawan's hordes

might not be enough to save them. Scattered across the continent and racing against time, Chaol, Manon, and Dorian are forced to forge their own paths to meet their fates. Hanging in the balance is any hope of salvation-and a better world. And across the sea, his companions unwavering beside him, Rowan hunts to find his captured wife and queen-before she is lost to him forever. As the threads of fate weave together at last, all must fight, if they are to have a chance at a

future. Some bonds will grow even deeper, while others will be severed forever in the explosive final chapter of the Throne of Glass series. *An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes* Penguin
From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they

were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make

money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway

platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

has other dreams too—unexplained, recurring ones starring the same man. Still, she doesn't think much of it, until a relocation to small-town Pennsylvania brings her face to face with the stranger she has been dreaming about for years. And this man harbors a jaw-dropping secret of his own—he's been dreaming of her too. Determined to understand, Mia and this not-so-stranger search for answers. But when diving into their pasts begins to unravel her life in the present, Mia emerges with

a single question—what if?
Before We Were Yours
Acorn Pub
For fans of Kristan Higgins and Susan Mallery. Genevieve has longed for her brother's best friend Wallace as long as she can remember. When she couldn't have the man of her dreams, she married his doppelganger. But Genevieve quickly finds that substitutes are never as good as the real thing. Now, with a disastrous two-month long marriage behind her, she's back in town and about to go

after studly, hard-bodied contractor Wallace - the only man who's ever put the cream in her pie. As his best friend's little sister, Genevieve has always been strictly off-limits to Wallace. Just one taste of gorgeous Gen, and he may have discovered the secret ingredient missing in all his serial dating. But when Genevieve's ex-husband shows up in town with hopes to reconcile, Wallace's life is about to get turned upside down ...

BONUS: This edition contains a Once Upon a Time, There Was You discussion guide. Even on their wedding day, John and Irene sensed that they were about to make a mistake. Years later, divorced, dating other people, and living in different parts of the country, they seem to have nothing in common—nothing except the most important person in each of their lives: Sadie, their spirited eighteen-year-old

daughter. Feeling smothered by Irene and distanced from John, Sadie is growing more and more attached to her new boyfriend, Ron. When tragedy strikes, Irene and John come together to support the daughter they love so dearly. What takes longer is to remember how they really feel about each other. Elizabeth Berg's immense talent shines in this unforgettable novel about the power of love, the unshakeable bonds of family, and the beauty of second chances.

almost unthinkable chapter in our nation's history and weaves a tale of enduring power."—Paula McLain
 Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage,

the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery

returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy

families all over the country—Lisa Wingate’s riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly’s #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life.

 Loveswept
 A stolen identity leads a woman down a dark and desperate path in a gripping novel of psychological suspense by Wall Street Journal bestselling author Minka Kent. After barely surviving a brutal attack, Brienne Dougray rarely leaves her house. Suffering from debilitating headaches and memory loss, she can rely only on

her compassionate new tenant, Dr. Niall Emberlin, a welcome distraction from the discomfiting bubble that has become her existence. But Brienne's growing confidence in her new routine is shaken when she stumbles across unsettling evidence that someone else is living as...her. Same name. Same car. Same hair. Same clothes. She's even friended her family on social media. To find out why, Brienne must leave the safety of her home to hunt a familiar stranger.

What she discovers is more disturbing than she could have ever imagined. With her fragile mind close to shattering, Brienne is prepared to do anything to reclaim her life. If it's even hers to reclaim.

Treasure Island Alexa Rivers

When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the

perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning

contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other. Penguin
From the author of Because of You comes an all-new contemporary

eBook romance. Though he plays by the rules, she's not afraid to break them. Now these two strong-willed military leaders will prove that opposites attract . . . even under fire. A by-the-book captain with a West Point background, Evan Loehr refuses to mix business with pleasure—except for an unguarded instance years ago when he succumbed to the deep sensuality of redheaded beauty Claire Montoya. Since that brief lapse in judgment, Evan has been at odds with her. But

when he is asked to train a combat team alongside Claire, battle-hardened Evan is in for the fight of his life. Strong, gutsy, and loyal, Captain Claire Montoya has worked hard to achieve her high military rank. In Evan Loehr, Claire sees a spoiled commander who puts the rules before everything else—including his people. Army orders force them together and Claire soon discovers that there is more to Evan than meets the eye. He too has dark secrets and deep longings. For all

their differences, Evan and Claire share two crucial passions: their country and each other. Includes a special message from the editor, as well as excerpts from these Loveswept titles: *Blaze of Winter*, *The Devil's Thief*, and *Santerra's Sin*. *Crying in H Mart* Vintage Love was never part of the plan... Then *There Was You...* Sterling Knight understands the value of hard work and financial stability better than anyone. His past certainly taught him that. So he's

determined to prove himself at work by ensuring that his company's next project—a resort in the small seaside town of Haven Bay—is a huge success. He's found the perfect piece of land. Now all he has to do is convince the stubborn (and distractingly beautiful) owner to sell. Katarina Hopa has no intention of ever selling her land to some corporate suit. That land, her sanctuary, is all she has left. But there's something about Sterling

that stirs feelings and desires she thought she'd buried with her husband long ago. Ignoring their intense attraction is impossible. All she can do now is guard her heart against the devastation that'll happen when everything falls apart. And it will fall apart. Because surely no one gets a second chance at true love... right? Can Katarina and Sterling overcome the pain of their tragic pasts and clear a path to happily ever after? Then *There Was You* is a steamy small-town

romance. If you like beachside kisses, quirky characters, and emotionally-charged stories, then you'll love the first book in Alexa Rivers's Haven Bay series. Download *Then There Was You* to laugh and cry your way to love today! *The Prophet* Penguin Random House A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up

family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is

an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." -- Sven Birkerts, *The Atlantic* **A Memoir** HarperCollins The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, *The Blue Book of Grammar* and

Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more.
