The Easy Christmas Songbook for Piano by Lee Davis features beginning to intermediate arrangements for classic Christmas songs. The first arrangement you will learn for each song features interesting and recognizable melodies using mainly the right hand along with basic left hand parts. The second section of this songbook displays each song along with chord progressions, lyrics, and vocal melody lines. This is a great setup for sing-alongs because the lyrics are written in a large font so that multiple singers and musicians can read along. This course also includes access to audio tracks to help you learn and practice. We have included three different recordings of each song. The first version features just the piano playing the melody line. The second version has the piano playing along with other instruments. The last recording features the other instruments with no piano so that you can practice playing the piano part in context.

This Easy Piano arrangement of Laura Story's "Blessings" is easier to play than the original edition. Arranged by Carol Tornquist in the key of C major (rather than the album key of B major), it's easier to sight read and play---plus, the melody is played by the right hand, making it an effective piano solo if a vocalist isn't present.

Far too often, life's challenges and questions cause people to fight feelings of doubt and despair, as they search endlessly for hope. In *Singing in the Dark*, Ginny Owens introduces the reader to powerful ways of drawing closer to God and how the elements of music, prayer, and lament offer rich, vibrant, and joyful communion with Him, especially on the darkest days. Ginny has gained a unique life perspective, as she has lived without sight since age three. She brings rich, biblical teaching that will encourage readers and compel them to dig deep into the beautiful songs, prayers, and poetry of Scripture—the same words through which the people of the Bible flourished in impossible circumstances. *Singing in the Dark* includes reflection and journaling prompts at the end of each chapter.
