Of course, Bill had a disability of his own: fussy about his food, not into suntans, bit of a night person: yep, Bill was a vampire. But at least now Sookie nows there *are* guys she can date who won't worry about her catching them thinking about other women ...

She can deal with that, but her normal sisterly concern turns to cold fear when a sniper sets his deadly sights on the local changeling population. Sookie has until the next full moon to find out who's behind the attacks - unless the killer decides to find her first.
