Imagine spending your whole life searching for the one; searching for acceptance; searching for just a hint of satisfaction. Imagine walking through life alone, confused, and convinced you will never find what it is your heart desires. Jared Covington is such a man in search of all things life has promised, but has not delivered. I'm On My Way is a passionate tale of a sometimes bitter, sometimes angry, but always hopeful young man and his search to undercover the love of his life and in the process, himself. In terse, fluid prose, David paints three-dimensional portraits of each of his main characters. Set against the backdrop of New York City, the book addresses critical issues surrounding being black, gay and at times closeted in

America without sounding preachy. David's high quality of writing, and carefully developed themes seamlessly takes us into the hearts and minds of several young men sorting through some of life's most pressing issues. This engrossing debut, challenges stereotypes, emits hope, and brings to life the often-misunderstood world of gay minorities.

As agony aunts and long-term partners, Anne Hooper and Phillip Hodson are more than aware that men and women see sex differently. In 'How to Make Love to a Man' they discuss the fundamental differences in men and women's expectations of sex, and how these differences can be reconciled to both partner's satisfaction. Beautifully designed and illustrated throughout with photographs and line drawings, this unique book helps men understand women and women understand themselves.

Why do we go weak in the knees for a man in uniform? He could be a police officer, a military man, a fire fighter, or one of those guys in sexy brown pants who delivers nice packages (both in a box and in his pants!) to your door—something about the uniform makes us stop and stare. A uniform transforms an everyday guy into a modern-day Superman, on who stands straighter, prouder. And one we can't wait to get naked. Because the only thing sexier than a man in uniform is a man out of uniform.

What is it about older men that gay boys find so irresistible? Some say young men in search of a "daddy" to partner up with-sometimes for life, sometimes just for the night-are looking for someone to mentor them. Take care of them. But there are plenty of young studs with dirty minds who simply find that men get better with age. Older men are hotter. More confident. More experienced. For some, it's all about dominance and submission. For others, it's about getting off with a guy who turns you on. These are the couplings explored in Daddy Knows Best, a sizzling collection of erotic stories-some romantic, some raunchy-that probe the younger man-older man dynamic in sensual, graphic detail.

**Out of Uniform** Blurbs

What is it about a dad bod? These five sizzling tales from prolific erotica author Rebecca Ryatt features sexy young women (18+) in uninhibited action with men who are old enough to be their fathers - and none of the guys are a Clooney or a Pitt. They are dull, middle-aged and respectable; well, respectable until the girls get their hands on them... This book is intended for mature audiences only, and if you buy it, here's what you'll get: Nursing Mr Nolan Dull Graham Nolan, 49, can't help but fantasize about his son's 19-year-old girlfriend Felicity. After all, she is stunningly beautiful. But when the delicious Felicity visits Graham on his day for some career advice, all his fantasies come true... Doing Mr Doughty Sexy student Cassidy visits her friend Jade, but she's not in: only Jade's boring, but very sweet dad, Mr Doughty. He invites Cassidy in and a harmless accident with a soft drink turns into some wild, and unforeseen antics in the bedroom... Teaching Mr Till Lara Langtree, 23, applies for a job at her old college. Five years earlier, the dirty dean Mr Till had humiliated her - but she enjoyed it. And now she's back to teach the middle-aged headmaster a lesson. But who will end up dominating whom? Measuring Mr Mazari When 18-year-old blonde Natasha gets a job at Mr Mazari's shop, she learns that part of her duties will be 'weights and measures'. But what she 'weighs and measures' isn't what you'd expect in a retail store - not with fat and dirty Mr Mazari around. Luring Mr Lane Fifty-year-old Melvyn can't take his eyes off his son's prom date, the gorgeous Lila. And when Melvyn has to take hot Lila home, she turns out not to be an innocent teen, but a confident young woman who knows what she wants - and she wants him. This 26,000-word collection of stories has previously been published as individual stories under the Younger Woman With An Older Man banner. They can still be bought as singles on Amazon,

Palmer's work deftly captures fleeting moments of soulful sensuality combined with the raw power of the male form. Sometimes explicit, sometimes coy, Palmer's images always manage to trigger the viewer's lustful instincts. The erotic combination of water and body is a constant theme that runs throughout. Jeff Palmer's first photo collection and a worthy contribution to classical male photography.

**Daddy Knows Best** Simon and Schuster

The International Council on Pastoral Care and Counseling (ICPCC) met in August 2011 in Rotorua, New Zealand for its 9th International Congress.

Various discussions in the field arose from actual challenges, such as the earthquake in Japan, social changes, and, mainly, deprivations all over the world. The ICPCC offers guidelines on how to cope with these situations, which also include the indigenous traditions of the Maori culture, projects on inter-religious encounter, etc. - all of which provoke a rethinking of traditional spirituality. The Congress proceedings are presented in this book as a state of discussion within this globalized network. (Series: Theologie: Forschung und Wissenschaft - Vol. 33)

Dark Hard Chocolate is a collection of ten fictional short stories that deal with black men - from the Caribbean, Africa and Canada in Toronto. Each of these men is at a different place in dealing with their sexuality. Some men are gay, bisexual, confused or other. Every story looks beyond the characters' sexuality and places them within the context of the families/ communities they come from. In the first story we meet Tony Clark, a nineteen year old Jamaican man who is kicked out of home. Another character we come across is Jovan whose boyfriend feels compelled to marry a woman. Andre from Montreal just wants to enjoy his first Pride in Toronto. The last story is about the love story between Damien and Emmanuel. We met these characters in Kwame Stephens' sold out stage play "Man 2 Man". Their story in this anthology continues where the play ended.

How to Get ANY MAN to do ANYTHING You Want is quite possibly the most evil (and most important) book ever written! It is the definitive guide to solving all of your problems with men, forever. This humorous and unfair guide to men shows you exactly how to get what you want - when you want it - without a lot of hassle, and makes you laugh all the way to happiness and personal enlightenment. Every woman should own a copy of this book (it fits nicely in your purse, and hides well under the bed). Nothing is left to chance. If you have a man in your life (or want to get a good one) this book shows you how to make him think of you as a goddess as you get him to stop fighting you for control, end arguments quickly and easily, and buy you that diamond tennis bracelet you have had your eye on. This book will make you more popular than you can imagine (well, with guys anyway), and transform a dull, boring relationship into a lively, fun one with lots of romance and affection for both of you.
