Agenda to Change Our Condition McGraw Hill Professional
 Ari Gold, after years of dominating the Hollywood agency scene, finally offers invaluable tips and advice on how to be as successful in work and in life as Gold himself. Ari Gold is known for his ruthless approach to deal-making and client relationships that

made him one of, if not the, most powerful and sought-after agents in Hollywood until he retired in 2011. In his new book *The Golden Standard*, Gold will illuminate, for the first time, his unique, effective and, some would say, outrageous philosophies on running a successful business, client management, employee motivation, keeping a happy home life, and other keys to his many successes. Brash, emphatic, instructive and always wise, Gold's book will rival business and leadership bestsellers the world over. In his own words and with his trademark enthusiasm,

Gold's tome will be the only book anyone wanting to make something of him or herself will ever need. Ari Gold says: "In my humble opinion, if you want to run a successful business this is the only book you'll ever have to read. And my humble opinion is never wrong."

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker
 Profiled in The Los Angeles Times Publishing for the centenary of

her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Connor and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her

turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

Topi Shukla Zondervan

"Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, *Topi Shukla* is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET.

Kabir was a great iconoclastic-mystic poet of fifteenth-century North India; his poems were composed orally, written down by others in manuscripts and books, and transmitted through song. Scholars and translators usually attend to written collections, but these present only a partial picture of the Kabir who has remained vibrantly alive through the centuries mostly in oral forms. Entering the worlds of singers and listeners in rural Madhya Pradesh, *Bodies of Song* combines ethnographic and textual study in exploring how oral transmission and performance shape the content and interpretation of vernacular poetry in North India. The book investigates textual scholars' study of oral-performative traditions in a milieu where texts move simultaneously via oral, written, audio/video-recorded, and electronic pathways. As texts and performances are always socially embedded, Linda Hess brings readers into the lives of those who sing, hear, celebrate, revere, and dispute about Kabir. *Bodies of Song* is rich in stories of individuals and families, villages and towns, religious and secular organizations, castes and communities. Dialogue between religious/spiritual Kabir and social/political Kabir is a continuous

theme throughout the book: ambiguously located between Hindu and Muslim cultures, Kabir rejected religious identities, pretensions, and hypocrisies. But even while satirizing the religious, he composed stunning poetry of religious experience and psychological insight. A weaver by trade, Kabir also criticized caste and other inequalities and today serves as an icon for Dalits and all who strive to remove caste prejudice and oppression.

This monograph studies research conducted for the purpose of investigating the relationship between vocabulary recognition and morphological knowledge during the early and middle elementary school years. The findings suggest that lexical development can be characterized in terms of increasing morphological complexity, and as a child ages, the proportion of known complex words that the child figured out by analyzing their morphological structure increased.
