International Express Yale University Press

Functional language ready for immediate use Balance of general and business English that is more directly relevant to adult professionals NEW video footage with every level to improve students' listening and speaking skills Student-centred approach, mature lifestyle topics, and authentic international contexts to reflect the real needs and interests of working adults Regular review units and self-study options in the Workbook and handy Pocket Book
International Express OXFORD

'International Express' has a formula that combines general English with business situations. It gives students the social and functional English they need to work, travel, and socialize. The new editions come with a MultiROM with extra interactive self-study material.

International Express Upper Intermediate OUP Oxford

This popular and successful four-level series combines general English with business situations, making it the perfect course for adult professional learners who need English for work, travel, and socializing. Social and functional language that students can use in their day-to-day lives. Contemporary, international topics that are ideal for adult learners. Discovery approach to grammar that helps students develop a real understanding of the language. The Upper-Intermediate Student's Book contains: Personal trainer MultiROM - a new resource which gives students self-

study material including an interactive wordbank, and dictation and language practice activities, pocket Book - the 'take anywhere' reference book of grammar, and social and functional English. Course components: Teacher's Resource Book with photocopiable resources and tests, Workbook with Student's CD, Class CDs.

International Express OXFORD

International Express Intermediate

International Express Intermediate

Oxford University Press, USA

The New Edition of International Express Pre-Intermediate retains all the key features of this popular and successful four-level course. It combines engaging, up-to-date topics with a time-efficient and student-centred approach to language work, and clearly focused activities that reflect learner's real communicative needs - the ideal course for professional adults who use English for work, travel, and socializing.

International Express Third Edition Intermediate Class CD (2 Discs) OUP

Oxford

This practical coursebook introduces all the basics of semantics in a simple, step-by-step fashion. Each unit includes short sections of explanation with examples, followed by stimulating practice exercises to complete in the book. Feedback and comment sections follow each exercise to enable students to monitor their progress. No previous background in semantics is assumed, as students begin by discovering the value

and fascination of the subject and then move through all key topics in the field, including sense and reference, simple logic, word meaning and interpersonal meaning. New study guides and exercises have been added to the end of each unit to help reinforce and test learning. A completely new unit on non-literal language and metaphor, plus updates throughout the text significantly expand the scope of the original edition to bring it up-to-date with modern teaching of semantics for introductory courses in linguistics as well as intermediate students.

The Texture of Memory Teach Yourself Reinforces skills and task types covered in the Coursebook; practises key vocabulary and grammar; can be used in the classroom or for self-study.

International Express, Pre-Intermediate
