## SHAYLEE GAIGE

---

**The Brownies** John Curley & Assoc

Hordes of grotesque and comical little elves swarm on every page, intent on mischief or merry-making. cf. Children's catalog. H.W. Wilson Co.

**Balanchine's Tchaikovsky** New York : Simon and Schuster  
 Hospital romance. A nursing sister rejoins a hospital to find the doctor responsible for her previous departure has also returned.

*Russian Folk-tales* New York : Century Company  
 Russian literature for children and young people has a history that goes back over 400 years, starting in the late sixteenth century with the earliest alphabet primers and passing through many different phases over the centuries that followed. It has its own success stories and tragedies, talented writers and mediocrities, bestsellers and long-forgotten prize winners. After their seizure of power in 1917, the Bolsheviks set about creating

a new culture for a new man and a starting point was children's literature. 70 years of Soviet control and censorship were succeeded in the 1990s by a re-birth of Russian children's literature. This book charts the whole of this story, setting Russian authors and their books in the context of translated literature, critical debates and official cultural policy.

*Fairy Tales and Legends* BRILL

There is a special value to this book which none other has, namely the opportunity for two Russians with a specialized knowledge of Tchaikovsky to speak to each other on the same ground. Balanchine, as always when speaking his native tongue, expresses himself more freely here than in English. As a result, he touches upon many points that are of particular interest to his ballet public.
