From New York Times and USA Today bestselling author Jill Shalvis comes a new story in her Heartbreaker Bay series... When the one you want ... Daisy doesn't believe love is ever-lasting, so it's ironic as hell that she parlayed a business degree into a wedding planning business. More ironic still is her latest job bringing her back into contact with the man who'd taught her that love can't last. Is the one you can't have... To say Diego has been taught the hard way to bury emotions is an understatement. But when he's called home to help the brother he hasn't seen or spoken to in years, that's one thing. It's another entirely to also come face to face with the first woman he ever loved. First and only... Can love conquer all? Daisy's learned to depend only on herself, and Diego is and always has been an island of one. And yet when they're together, even when they're bickering, still wary and haunted by memories of what was ... it's magic. The question is, how to find their way back to each other...? **Every 1001 Dark Nights novella is a standalone story.

For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

A scarily brilliant debut collection in the vein of Lindsay Hunter and Katherine Faw Morris. In her debut story collection, *Heartbreaker*, Maryse Meijer, flashlight in hand, goes deep into the darkest rooms of

the psyche. With gorgeously restrained and exacting prose that packs a cumulatively devastating punch, she unapologetically unmask the violence we are willing to perform upon one another in the name of love and loneliness and the unremitting desire to survive. In doing so, she lights societal convention and reader expectation on fire, exploring the darker emotional truths surrounding love and sex, femininity and masculinity, family and girlhood.

How to Handle a Heartbreaker

HarperCollins

It opens with a killing on a south Florida beach. Val Duran, an undercover cop, is forced to witness the murder of his partner, which has been arranged by a drug kingpin called Junior. In retaliation, Val kills two of Junior's men, but the score is far from settled. Val quits Florida fast

and doesn't stop until he reaches Hollywood. He ends up doing stunt work in B movies, but his real life turns out to be much more hazardous: He's fallen hard for Kyle Abbott, a marine biologist with an attitude, a pedigree, and a take on nature ("survival is all about speed and cunning, camouflage and adaptability") that would have forewarned Val had she not completely disarmed his habitual protective paranoia. Which means that he doesn't see Junior coming until it's almost too late. And, even more dangerously, Val doesn't notice how fast he's sinking into the morass of Kyle's deadly, dysfunctional family: Her dissolute stepbrother and his dangerous girl friend are planning to forcibly wrest the purse strings to Daddy's fortune from the control of overbearing Stepmom. Val might be able to keep himself out of Junior's line of fire, but he doesn't see any way to help Kyle without dragging her directly into it. The cast of edgy eccentrics, a breakneck pace and caustic humor, a seamless combination of the macabre and the eccentric, the raucous and the romantic--all these elements combine to make *Heartbreaker* the fiercest, most audacious novel we

have had from Robert Ferrigno in years. **Heartbreaker** Melody Grace Books New York Times bestselling author Sarah MacLean follows her highly acclaimed *Bombshell* with *Heartbreaker*, featuring a fierce, fearless heroine on a mission to steal a duke's secrets...and his heart. A Powerful Duke Henry Carrington, Duke of Clayborn, has spent a lifetime living in perfection and has no time for the scandals that arise every time Adelaide ends another groom. His own reputation is impeccable—and the last thing he needs is a frustrating, fascinating woman discovering the truth of his past, or the secrets he holds close. A Perfect Match When the two find themselves on a breakneck journey across Britain to stop a wedding, the duke has no choice but to follow her across Britain on a

A poignant new novel that combines humour and heartache, from the brilliant mind of Governor General's Award finalist Claudia Dey Seventeen years after falling from a stolen car into a remote northern town, Billie Jean Fontaine is still an outsider. She may follow the stifling rules of this odd place, but no one will forget that she came from elsewhere. When Billie Jean vanishes one cold October night in her bare feet and track suit with only her truck keys, those closest to her begin a frantic search. Her daughter, Pony, a girl struggling against being a teen in the middle of nowhere; her killer dog to whom she cannot tell a lie; her husband, The Heavy, a man haunted by his past; and the charismatic Supernatural, a teenage boy longing only to be average. the darkest secrets of their beloved, and lay bare the mysteries of the human heart. With her luminous prose, wry humour and dead-on cultural observations, Claudia Dey has created a storytelling tour de force about what it means to love, no matter the consequences.
