**#1 NEW YORK TIMES BESTSELLER** (December 2017) A stunning new novel from the #1 New York Times bestselling author Nora Roberts—Year One is an epic of hope and horror, chaos and magick, and a journey that will unite a desperate group of people to fight the battle of their lives... It began on New Year's Eve. The sickness came on suddenly, and spread quickly. The fear spread even faster. Within weeks, everything people counted on began to fail them. The electrical grid sputtered; law and government collapsed—and more than half of the world's population was decimated. Where there had been order, there was now chaos. And as the power of science and technology receded, magick rose up in its place. Some of it is good, like the witchcraft worked by Lana Bingham, practicing in the loft apartment she shares with her lover, Max. Some of it is unimaginably evil, and it can lurk anywhere, around a corner, in fetid tunnels beneath the river—or in the ones you know and love the most. As word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets, and with nothing left to count on but each other, Lana and Max make their way out of a wrecked New York City. At the same time, other travelers are heading west too, into a new frontier. Chuck, a tech genius trying to hack his way through a world gone offline. Arlys, a journalist who has lost her audience but uses pen and paper to record the truth. Fred, her young

colleague, possessed of burgeoning abilities and an optimism that seems out of place in this bleak landscape. And Rachel and Jonah, a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive. In a world of survivors where every stranger encountered could be either a savage or a savior, none of them knows exactly where they are heading, or why. But a purpose awaits them that will shape their lives and the lives of all those who remain. The end has come. The beginning comes next.

**Year One** St. Martin's Paperbacks

A historical romance set in America's Old West, *Lawless* is “a novel by Jackie MacNamara,” the book written by the character in #1 New York Times bestselling author Nora Roberts' *Loving Jack*. In the late 1800s, the Arizona Territory was an unsettled, wild frontier traversed by the likes of Jake Redman. Prejudiced against for his partial Apache parentage, the gunslinger had little patience for the civility practiced by Sarah Conway. Yet she brought more than polite manners from her east coast city society, possessing a strength of character needed to make the western town of Lone Bluff her home—and an enticing, fiery passion as dangerous to Jake as anything he ever faced with a six-gun.

From Nora Roberts comes the #1 New York Times bestseller *Shelter in Place* (June 2018)—a powerful tale of heart, heroism...and propulsive suspense. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone--until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide.
