Meet Wanda, with her beautiful hair. She is brave and strong, but she's unhappy because every day when she goes to school she gets teased about her hair by the boys on the bus. But Grandmother Makhulu knows what to do. She shows Wanda her hair secrets and tells her stories of other women with beautiful hair, including Wanda's own mother. And Wanda comes to realise that her hair is her crown and something to be proud of. Next time she goes

to school she holds her head high. The boys are not teasing her now. They say she looks like a queen. And Wanda knows its true.

Afrikaans Houghton Mifflin Harcourt Cousins Forever is a beautifully written and illustrated book that captures the special relationship that cousins share. When one of the two families moves abroad, the two cousins do not let the distance come between them. They talk often about their friends, animals, different seasons, and outdoor activities, via video chat. With new words and languages being part of their everyday life, the two girls come up with a fun, painting game, the "Word Swap". A lovely tribute to the unique friendship of cousins.

Parents, aunts, uncles, and grandparents can share this book with little ones who are just beginning the lifelong journey as cousins together. Close friends are family also, so if you don't have an extended family, your child's best friend may also be referred to as a cousin. After reading this book, children will:

- ✓ Be prompted to write their very own favorite words
- ✓ Be encouraged to express themselves through art
- ✓ Want to paint and get creative

Albert Einstein has been quoted to have said that creativity is intelligence having fun, and that imagination is more important than knowledge. Creativity is the highest form of intelligence because it goes beyond knowledge recall and extends into

knowledge creation. Did you know that creative young children who use their imagination are more effective, resourceful, resilient, and confident than their peers? Creative children are also better equipped to overcome obstacles and navigate changes in life. This book makes the perfect gift for creative little boys and girls, teachers, librarians, and parents. Perfect for all children ages 3, 4, 5, 6, 7, 8, and up. Most suitable for Pre-K, grade 1, grade 2, grade 3, and parents and teachers who appreciate a well-written and beautifully illustrated book with traditional watercolor art to enhance a child's world. Cousins Forever is also available in several bilingual editions (English-

Spanish, English-Greek, English-Portuguese, English-French, English-German, English-Italian).

Math Books for Children

Saul Barnard is a man with a self-imposed mission - to halt the wanton destruction of the Knysna Forest, home of wild elephants and the fiercely independent families of woodcutters. For years he has protected the forest from intruders, and has developed a mystical kinship with the spirit of Old Foot, the majestic and indomitable bull elephant. When word goes round that Old Foot is on the rampage, Saul is propelled towards a terrible confrontation that will change his future for ever.

*Nominated for the

2019 CILIP Carnegie Medal* *Spectator Best Books of the Year selection* Two unlikely heroes inspire a whole town by fighting to save a tree Sometimes, in the blink of an eye, you do something that changes your life forever. Like climbing a tree with a girl you don't know. Marnus is tired of feeling invisible, living in the shadow of his two brothers. His older brother is good at breaking swimming records and girls' hearts. His younger brother is already a crafty entrepreneur who has tricked him into doing the dishes all summer. But when a girl called Leila turns up on their doorstep one morning with a petition, it's the start of an unexpected adventure. And finally,

Marnus gets the chance to be noticed... Storyflight African Storybook Initiative Cameron will soon be starting kindergarten and her whole family is nervous. How will they manage without her when she goes off to school? This sweet and funny story starring a young African-American girl with autism will help all kids-and their families-face the great big wonderful change that is school. Sheletta Brundidge and her husband, Shawn, named their four kids in alphabetical order to keep them straight. (Kidding.) (Sort of.) Andrew, Brandon, Cameron, and Daniel range in age from thirteen to five. The three youngest have been diagnosed with autism spectrum

disorders, which turned Sheletta into an advocate for children with special needs and their parents. An Emmy-winning broadcaster, Sheletta hosts the Taking Authority Over Autism podcast. It can be found at SHElettaMakesMeLaugh.com, the multimedia podcast platform she founded. Darcy Bell-Myers has loved to draw since she was a little girl. She lives with her husband and three children, who also love to draw, in Stillwater, Minnesota. As the mom of a child on the autism spectrum, Darcy has experienced the struggles and superpowers of these remarkable kids firsthand. The illustrator of books that include *Shiva's Dance*; *Needles: The First*

Christmas Tree; *Mary Emma, Walk!*; *Wyatt's Big Day*; and *Higgledy Piggledy*, she's also the author/illustrator of *The Animal Babies ABC Book of Ballet*. What is Bigger Than Anything? Silsnorra LLC

"An enraged elephant flips a car onto its roof. A lioness prises open the door of a terrified couple. A leopard helps itself to a family's picnic breakfast. A fleeing impala leaps through an open car window. A lion charges around inside a busy rest camp. A hyaena snatches a baby from a tent. A tourist takes a bath in a croc-infested dam ... These are just a few of the 101 jaw-dropping sightings, scrapes and encounters in this collection of extraordinary true stories from the roads, camps, picnic sites and walking trails of South Africa's Kruger National Park, as told by the

very people who experienced them.

There are no game ranger tales here - each and every story happened to an ordinary Kruger visitor doing what over a million tourists do in this spectacular reserve each year."-- Back cover.

Dinaane Standard Publishing Company Roscoe, a seasoned circus dog, is growing old. Tricks he once performed with ease are getting difficult. Luckily the new puppy, Rolly, is a quick learner. She helps out her old friend, who is worried that one day he'll get fired from the circus. When a crisis interrupts the Christmas performance, it's up to old Roscoe to save the day! His golden heart and incredibly sensitive

nose come in handy.
As Roscoe himself
says, "I may forget

everything else, but I
will never forget the
smell of a child."
