Samos and its neighbouring islands are rich in history, culture, architecture and natural beauty and this book describes 50 walks on old walking trails, with detailed maps and photos.

World Prehistory Cambridge University Press

This is the first edition of the Walking on Samos guidebook, describing 21 walks on the Greek island of Samos, a paradise for walkers. The northern coast with its wooded slopes and vineyards is interlaced with old mule tracks and, together with the old

monasteries and the archaeological sites around Pythagorio, these are strong features of the book. And in the south-west you can climb the highest mountain in the Aegean, 1,440 above sea level! 21 of the best old walking trails are described with detailed maps, GPS data and route photos along with lots of interesting facts worth knowing about the island. There is plenty to discover on one of the finest walking islands of Greece.

Te Araroa is a 3000km walking trail from Cape Reinga to Bluff, the world's newest long trail, and one of the world's longest. Te Araroa walkers will discover the great diversity of New Zealand's wilderness: the coastline, the forest, the volcanoes, the mountain passes, the lakes and river valleys. This fully updated walking guide is indispensable for those contemplating a through-hike, either in one go or over years, and also for those who simply want to walk any one of the trail's 115 stand-alone tracks.
