In HOW TO INVEST IN COMMERCIAL REAL ESTATE, authors Dowell and Stachenfeld have created the ultimate guide for anyone who would like to invest in the real estate asset class but doesn't quite know where to start. In an easy-to-read format, all aspects of commercial real estate investment are clearly and entertainingly described, including more complex deal structures. But this book isn't just for beginning investors. Even seasoned professionals will benefit from reading it, especially from the authors' insights into

the more intricate elements of the market. The authors, a commercial real estate investor and a commercial real estate attorney, have over seventy years combined of invaluable experience with commercial real estate. Their love for their subject is palpable, and they pass along their passion and enthusiasm to the reader. Because the real estate market is viable and changeable, this guide includes a final chapter addressing current trends and the authors' predictions for the future. The three sections begin with an outline of real estate basics, followed by a deeper analysis of practical applications. Section three presents conclusions and commentary on the state (and the future) of the market. So whether you are taking those first steps into commercial real estate investment or want to upgrade your expertise, **HOW TO INVEST IN COMMERCIAL REAL ESTATE** will prove to be a much needed and frequently referenced resource.

This house-flipping business plan should be treated as the roadmap for a real estate investor who plans to start or has

recently started a property flipping business. The purpose of the business plan will be to guide the investor through the early stages of structuring, operating, and growing their specialty real estate business. It not only includes what should be done on the typical rehab project, but this document also outlines the way in which the property investor should run their flipping business over many projects. Therefore, any investor intent on running a successful rehab company needs to have their own house flipping business plan, which will be made much easier with our fill-in-the-blank template and comprehensive growth strategies. This document will essentially act as a blueprint for the company itself. It will detail specific goals that the investor has for their company, a detailed plan of action on how to achieve those goals, and a realistic time frame and budget to track each goal against. The plan has been created so that as the business continues to grow, the business owner will be able to easily update this document to reflect their changing goals or maintain goal alignment. Additionally, the business plan can be used to solicit feedback from

industry professionals, and discuss possible funding strategies with banks, business partners and/or investors. Investors who complete our house flipping business plan template will get the opportunity to better know the strengths and weaknesses of their company, the growth strategies of the competition, industry trends to seize upon, and the demands of the local marketplace.

Investment in real estate is about taking control of your financial future. All too often, potential investors overlook available benefits because the process seems too difficult or beyond their means. In this guide, expert investor and adviser Martin Stone demystifies buying property by tracing the steps from beginning to end, helping you define your financial and personal goals in order to build a successful and realistic plan. He goes straight to the heart of why multiunit buildings are such solid long-term investments, offering easy-to-follow guidelines that allow you to pursue your dreams. Loaded with vital information on

the world of real estate, this guide offers insider secrets on tax shelter benefits and money-saving techniques for valuing property correctly and determining its most profitable use. Stone also provides time-saving tips on borrowing money and discovering which investments have the potential to turn into tomorrow's hot commodities. The book features handy checklists and charts to assist in putting together a top-rate investment plan, generating cash flow, and choosing the best real estate team. Filled with actionable advice gleaned from the author's decades of business experience, *Real Estate Investing for Everyone* sets you on the path to building wealth for a secure future.

Real Estate Investing is an excellent way to earn income that will far surpass any "job" related income. If you do your homework on each transaction, you are almost guaranteed a solid return on your investment. You just need to research your options, create a workable plan, and check every step of the process with your own eyes. If you do these things, you

greatly increase your chances of success! It does take more effort and patience than traditional methods of investing. However, the returns are far more gratifying and potentially larger, too. Rather than just pushing a button to buy and sell, you are directly involved with every step of the process. The rewards are directly linked to the effort you place into it. Better yet, you have the potential to profit from every investment, every time. In this book, we're going to go over everything you need to know to get started in as a Real Estate Investor. By the time you finish this book, you should be ready to start investing and creating wealth. Will you need more information that is presented here for the long haul? You bet! This book, while useful in getting started, is only the tip of the iceberg I suggest that you will become a life-long learned of this craft. In good markets and bad, it's possible to turn a profit and help get you out of a dead end, going now where JOB (Just Over Broke). I wish you well as you begin your journey. *Rental Property Investing* iUniverse A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

If you want to increase your wealth through investing in property but have absolutely no clue where to start, then keep reading ... Have you ever thought about the huge potential to create wealth through investing in rental properties? Thinking about it and doing it are two different things. You want to invest, but you have no idea where to start? Before you can make a down payment, there is important information that you've got to know. For example, do you know where the best place to find a rental property to invest in is? Do you browse the web or do you go to an auction? And should you look for a property that is in your neighborhood, or should you be searching for an investment in a beachfront property? There are countless questions you need to ask and know the answers to before you can start investing. It isn't as simple as going to the store to buy a loaf of bread. If investing in real estate was that easy, then everyone would be doing

it. The first key to unlocking the door to your investment dreams is to create a detailed business plan. You need to understand the secrets to analyze the market so that you land a profitable property. With a clear strategy that has been created by real estate experts, you can get yourself on the property ladder, and start making direct income through rent. Buying the property is only the first step. You have to find tenants and as any successful investor will tell you, you have to retain these tenants. But do you have any idea what the best methods are for retaining tenants? And how do you deal with difficult tenants? There are numerous options for managing your properties and once you understand the pros and cons to each different management strategy, then you can make a sound choice and start thinking about adding to your property portfolio. In this book, "Rental Property Investing", you will discover: The 5 easy steps to create a successful business plan The tax benefits that property investors are entitled to and how to claim them The 5 principles to succeed as a property investor The different sources for finding a property and the best one for you How to

see the big picture when analyzing potential properties to add to your portfolio How to buy a \$0 house A simple explanation of how to calculate your future expenses The criteria that you have to use when selecting the right location to invest in The 3 types of rental management strategies and how to choose the best one for you How to create an exit strategy and the best time to do it The 5 stages of finding a tenant And much, much more. There are two traps that most people fall into when they think about property investment. The first is that you have to be rich to do it. The second is that it is so difficult that only very few clever people can become a property investor. Neither of these things is true. There are millions of ordinary people with property portfolios around the world. You can become one of them without studying for years. 7 Steps to Real Estate Riches Easton Studio Press LLC

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the

other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's right for you and your business and also an easy to

follow workbook. The workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document. Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly
