Your round-trip ticket to the wildest,
wackiest, most outrageous people,
places, and things the Sunflower State
has to offer! Whether you're a born-and-
raised Kansan, a recent transplant, or
just passing through, Kansas Curiosities
will have you laughing out loud as Pam
Grout takes you on a rollicking tour of
the strangest sides of the Sunflower
State. Visit the Museum of the World's
Largest Collection of the World's
Smallest Versions of the World's Largest
Things—and get your own largest ball
starter kit. Meet more chainsaw-

wielding, glow-in-the-dark-scrap-metal-zoo-building, grapefruit-peel-sculpting, papier-mâché-mixing, porcelain-pig-painting grassroots artists than you can shake a stick at! Get a load of Big Brutus, a sixteen-story coal shovel that has become a popular tourist attraction; and discover the thrill of an indoor hurricane—it'll blow you away.

My Itchy Travel Feet: Breathtaking Adventure Vacation Ideas *Frommers
The original edition of Exploring the Black Hills and Badlands provided the only detailed coverage of the 115-mile Centennial Trail, and now the revised version includes all of the results of the major relocation project in the Northern Black Hills. Also featured is the just-completed 110-mile George S. Mickelson rails-to-trails conversion, and a section

focusing on family hikes and other information useful to family groups.

Wyoming Off the Beaten Path features the things travelers and locals want to see and experience--if only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales.

The Darkest Night Rowman & Littlefield
Hiking Kentucky's Red River Gorge is the definitive guide to trails in the Red River Gorge Geologic Area, Natural Bridge State Park, and Clifty Wilderness. The book showcases 25 of the best hikes in the Gorge, as well as a back-of-book bonus on nearby trails. Distinguished

from other Red River Gorge guides, this book provides readers not only with detailed maps, sharp photos, and individual-trail details, THIS guidebook outlines definitive hikes--ways to explore the area and enjoy its flora, fauna, and history. The easy-to-use layout treats each hike distinctly, as its own adventure. Because of this, the routes are detailed with photographs, maps, trail gradient information and, most importantly, ratings for key elements that make a trail appealing to a wide variety of people. This allows the reader to make informed decisions about which trails they will want to hike, which ones will be appropriate for children, and so on. Further, readers will discover how to combine trails and routes for a great hiking day or backpacking trip. This book

is ideal for people who've never been to the Gorge, or even beginner hikers. The book simply looks great and is easy to read, and designed for planning hikes as well as while on the trail.

Pack up the car and enjoy twenty-four of the most memorable drives in the Treasure State. Offering over 2,250 miles of riding pleasure, this indispensable highway companion maps out unforgettable trips for exploring the region. Discover classic areas of the state that many visitors miss, from Glacier National Park's magnificent Going-to-the-Sun Road in the northwest to the rugged rangelands and red-tinted badlands of eastern Montana. Along the way you'll discover ghost towns,

glaciers, hot springs, and great hiking and wildlife-viewing opportunities—a mere taste of what the Big Sky Country has to offer.

Exploring the Black Hills and Badlands Moon Travel

Each guide contains not only detailed information on the best transportation, accommodation, restaurant, and sightseeing options but also custom maps and fascinating sidebars--all the tools travelers need to make their own choices and create a travel strategy that is theirs alone.

Wyoming Backroads eBookIt.com
 The Rocky Mountain and Great Basin states are the heart of ghost-town country. Once-bustling pioneer outposts, mining camps, lumber towns, and railroad villages stand today as reminders of the glory days of gold rushes, industrial progress, and that pioneering spirit of the Old West. This book guides readers to the fascinating and scenic ghost towns of Colorado, Wyoming, Idaho, Montana, Utah, and Nevada. Varney highlights popular tourist destinations as well as out-of-the-way spots unfamiliar even to natives of the region. Maps, historical background, and stunning color photographs bring to

life dozens of ghost towns and provide practical information for exploring this fascinating chapter of American history.

Hiking Wyoming's Bighorn

Mountains Rowman & Littlefield

The 2nd edition of Fodor's guide to Montana and Wyoming has been redesigned and updated to appeal to today's travelers.

Fodor's Montana & Wyoming Big Earth Publishing

Naturalist John James Audubon found the Great Plains and their wildlife so riveting when he visited the region in 1834 that he broke off a letter to his wife because he was too excited to write. In the almost two hundred years since then, the Wyoming landscape, deemed the "Italy of America" by landscape painter Albert Bierstadt, has retained its glory if

not its place in the imagination of the American public. This book reminds us of the remarkable bounty contained in the wild beauty and rich history of the Wyoming grasslands--even as these riches are under threat from both human and natural forces. This landscape is now captured in all its spectacular diversity in the photography of Michael P. Berman and William S. Sutton, two of the modern American West's most accomplished and well-known landscape photographers. Essays by Frank H. Goodyear, Jr., and Charles R. Preston provide a contextual framework for the images. Goodyear introduces us to the imagery of the American West and explains the place of Berman's and Sutton's work within that tradition, and Preston focuses on the natural history of the grasslands,

illuminating the area's ecological diversity and changes through the seasons and over the years. In 2012 Berman and Sutton launched their massive Wyoming Grasslands Photographic Project, a partnership between The Nature Conservancy, Wyoming Chapter, and the Buffalo Bill Center of the West. Working in the tradition of late-nineteenth-century explorers and photographers of the American West, Berman and Sutton shot more than 50,000 digital photographs of Wyoming prairie, from the Red Desert of southwestern Wyoming to the Thunder Basin National Grassland of the state's northeastern corner. The best of their extraordinarily sensitive, revealing, and powerful images appear in these pages, documenting the sweep and the seasons

of the Wyoming landscape. In eloquent words and pictures, including a foreword by environmental historian Dan Flores, Wyoming Grasslands offers dramatic proof of how the land that inspired the likes of Audubon and Bierstadt, while having altered over time, still holds and demands our attention.

NightBlaze Books
Casper, Wyoming: 1973. Eleven-year-old Amy Burr ridge rides with her eighteen-year-old sister, Becky, to the grocery

store. When they finish their shopping, Becky's car gets a flat tire. Two men politely offer them a ride home. But they were anything but Good Samaritans. The girls would suffer unspeakable crimes at the hands of these men before being thrown from a bridge into the North Platte River. One miraculously survived. The other did not. Years later, author and journalist Ron Franscell—who lived in Casper at the time of the crime, and was a friend to Amy and Becky—can't forget Wyoming's most shocking story of abduction, rape, and murder. Neither could Becky, the surviving sister. The two men who violated her and Amy were sentenced to life in prison, but the demons of her past kept haunting Becky...until she met her fate years later at the same bridge where she'd lost her

sister.

Hiking Kentucky's Red River Gorge Insiders' Guide

Explore the secluded places and unusual sights and sounds of Wyoming, from the wild--such as the Snowy Range Scenic Byway or the Tensleep Preserve--to the wacky--such as Como Bluff Museum, a structure made of 5,775 dinosaur bones.

Wyoming Off the Beaten Path Frommers

In Pass the Butterworms Cahill takes us to the steppes of Mongolia, where he spends weeks on horseback alongside the descendants of Genghis Khan and masters the "Mongolian death trot"; to the North Pole, where he goes for a pleasure dip in 36-degree water; to Irian Jaya New Guinea, where he spends a companionable evening with members

of one of the last head-hunting tribes. Whether observing family values among the Stone Age Dani people, or sampling delicacies like sautéed sago beetle and premasticated manioc beer, Cahill is a fount of arcane information and a master of self-deprecating humor.
