In today's world we want everything to be clear, effective and instantaneous, a useless desire that, in addition, locks the human being into only appearance. Contemporary art, as a reflection of the concerns and needs of today's humanity demands attention, silence, reflection and a discerning eye. For this reason, it becomes a privileged platform for the encounter with Mystery, with a God who escapes all configurations or concepts. This function is what makes the work of the Dominican, Kim En Joong OP, an internationally recognised artist, so remarkable. These pages deepen, from a novel theological perspective, the different elements that make up his work: colour, shape, light, composition ... a perspective that guides us towards the contemplation of the Mystery that the painter shows us. A fascinating book, which is one and the same time accessible and a gift for all, believer or not, who feels the thirst for depth.

L'épreuve du Grand oral semble effrayante au premier abord. Elle est nouvelle et les élèves pratiquent peu ce type d'interrogation orale. Surtout, elle compte pour le baccalauréat et n'est pas à négliger ! Le Grand oral du Bac étape par étape vise à l'efficacité et à la mise en pratique immédiate. Il s'agit d'abord de décortiquer les enjeux de cette épreuve et de donner des outils concrets pour chaque élève : comprendre le déroulé de l'oral, savoir comment se positionner face à un jury, préparer ses questions de présentation, savoir parler de manière audible, placer son corps dans l'espace... Vous entrerez dans les « coulisses » d'une interrogation orale et comprendrez les enjeux de la posture d'un jury d'enseignants - et ses attentes - dans le cadre de l'examen officiel et important qu'est le baccalauréat. A travers différents exercices, vous pourrez vous entraîner et cibler les points qui sont pour vous une difficulté. Le trac que vous ressentirez fait inévitablement partie des données de l'épreuve : des exercices vous aideront à mieux le gérer et à le transformer en énergie positive. Au-delà des conseils pour le Grand oral, vous travaillerez la confiance en soi et l'assertion, de sorte à prendre conscience, une fois l'épreuve passée, qu'elle n'était pas si terrible ! Nicolas Loriod est professeur agrégé et enseigne au Lycée Pasteur (Besançon). Illustrations de Franck Lucéa.

Do you want to have more meaningful conversations in French? Do you want to feel comfortable in a

variety of situations? Based on authentic texts, such as songs, poems, and conversations between native speakers, this course will help you improve and build upon the language you already have so that you develop your skills to a level where you can enjoy communicating in French. Incorporating information about the culture, history and geography of France and French speaking countries, you will be introduced to the more advanced points of French grammar, as well as more colloquial language, and develop your vocabulary so you can express your opinion on a number of topics, as well as react to other people's opinions. What will I achieve by the end of the course? By the end of Enjoy French you will have increased your capacity to understand the spoken and written language, and furthered your ability to communicate with French speakers, orally and in writing. This course aims to take you from a good intermediate level (B1/B2 on the Common European Framework of Reference for languages / Advanced Low of the ACTFL) and help you progress up to a C1 / Advanced High level. Is this course for me? If you already know some French and want to take it further, this is the course for you. It's perfect for the self-study learner, with a one-to-one tutor, or for the post-beginner classroom. What do I get? A coursebook with over two hours of audio online that features: - Ten units that cover more complex situations than your basic tourist scenarios - Carefully levelled and sequenced material - a solid path to build up your knowledge - Authentic texts, such as poems, songs, excerpts and conversations to present the language - Learn through the Discovery Method which helps you notice patterns and retain the language you learn - Learn to learn - tips and advice on becoming a better language learner - Easy to use workbook format. What else can I use to learn

French? If you require an absolute beginner course, you can try our Get Started in French. If you want a comprehensive beginner to intermediate course, you should try our Complete French. Rely on Teach Yourself, trusted by language learners for over 75 years.
