Presenting Psychology is a fresh, concise variation of the breakout bestseller Scientific American: Psychology, combining the communicative style of the world's most respected science magazine with thoughtful immersive learning to help you reach all kinds of students. Authored by longtime community college instructors Deborah Licht and Misty Hull alongside science journalist, Coco Ballantyne, the text centers on profiles and video interviews of 25 real people to help students better understand, remember, and relate to psychology's defining concepts. Chapters also feature full-page Scientific American-style infographics which guide students through essential, often

complex concepts step by step.

**The PhD Viva** MacMillan

This indispensable book helps PhD candidates to understand the viva process and to prepare and present their work in the best possible manner. With concrete guidance, examples and activities throughout, it covers everything from the constitution of the PhD viva panel and how to prepare as the event draws closer to typical questions and how to answer them. Chapters are enriched with authentic case studies and insights from successful PhD graduates. This text is suitable for PhD and other doctoral degree students across all disciplines, and helpful to supervisors and examiners.

*Ready for IELTS. Class CDs* Macmillan Elt

The new IELTS preparation course builds on the successful elements of the Ready for Series to ensure students aiming for IELTS bands 5 - 6.5 are ready for success! All four key skills are systematically developed and practised in each unit, while in-depth exam training is presented.
