The award-winning Vertigo series continues with a new introduction by former DC Comics President and Publisher Paul Levitz, and a special sketchbook section by series artist Mark Buckingham. Imagine that all the characters from the world's most beloved storybooks were real-real, and living among us, with all of their powers intact. How would they cope with life in our mundane, un-magical reality? The answer can be found in FABLES, Bill Willingham's celebrated reimagining of the venerable fairy tale canon. From Snow White and the Big Bad Wolf to Goldilocks and Little Boy Blue, the folk tales of old are reborn here as exiles living in the magically camouflaged New York City neighborhood of Fabletown. FABLES: THE DELUXE EDITION BOOK TWELVE includes the worlds-shaking events of "Super Team" and "Inherit the Wind," as well as the pivotal tales "The Ascent"

and "All in a Single Night" from FABLES #101-113.

In the first book of its kind, architectural critic Michael Webb and Esto photographer Roger Straus III examine 35 extraordinary modern houses that have been restored, enhanced, or extended by new owners who see them as timeless classics. Built in the heyday of modernism, from the 1930s through the early 1960s, these houses were designed by exceptional architects for themselves or for adventurous clients. A few were preserved as time capsules, but most endured years of neglect or abuse and might easily have been torn down. Webb explores how these houses were created--as daring experiments or as creative responses to site and climate-- and the research and effort that went into their restoration. Included here are villas that fuse craft and invention, machines for living, and residences that embrace the landscape. Here, too, are houses inspired by the purity of classical temples, and frugal dwellings that have been sensitively enlarged. After a long eclipse, these houses and the enlightened attitudes they embody are being rediscovered by creative individuals searching for distinctive, open, light-filled places to live. Modernism is a way of living, more than a style, and this book celebrates the architects and owners who respect its character and scale. Also included are nearly 200 photographs taken

by Roger Straus, all of which were specially commissioned for this book.

"Visceral battles, complex politics, and fascinating worldbuilding bring Devin's words to life."—Anna Stephens, author of *Godblind* War rages as one empire falls and another rises in its ashes in the action-packed sequel to Devin Madson's bold epic fantasy, *We Ride the Storm*. There is no calm after the storm. In Kisia's conquered north, former empress Miko Ts'ai is more determined than ever to save her empire. Yet, as her hunt for allies grows increasingly desperate, she may learn too late that power lies not in names but in people. Dishiva e'Jaroven is fiercely loyal to the new Levanti emperor. Only he can lead them, but his next choice will challenge everything she wants to believe about her people's future. Abandoned by his Second Swords, Rah e'Torin must learn to survive without a herd. But honor dictates he bring his warriors home—a path that could be his salvation or lead to his destruction. And sold to the Witchdoctor, Cassandra Marius' desperate search for a cure ties her fate inextricably to Empress Hana and her true nature could condemn them both. Get swept into the thrilling continuation of a bold and brutal epic fantasy series, perfect for readers of Mark Lawrence, John Gwynne, and Brian Staveley. Praise for *The Reborn Empire*: "Imaginative worldbuilding, a pace that builds perfectly to a heart-pounding finale and captivating characters. Highly recommended." —John Gwynne, author of *The Shadow of the Gods* "A complex tale of war, politics, and lust for power." —The Guardian *The Reborn Empire We Ride the Storm We Lie with Death We Cry for Blood For more from Devin Madson, check out: The Vengeance Trilogy The Blood of Whisperers The Gods of Vice The Grave at Storm's End*

Meanwhile, the identity of the person chosen to be Tsuna's Mist Guardian is finally revealed! Junior high student Tsuna is a failure at school, sports and social life. He needs a Mafia hit man tutor like he needs a hole in the head...and he's about to get both!

*Fairy Tail: Twin Dragons of Saber Tooth* Universe Publishing(NY)

The first English-language publication of a classic French book on the relationship between the development of photography and of the medical category of hysteria. In this classic of French cultural studies, Georges Didi-Huberman traces the intimate and reciprocal relationship between the disciplines of psychiatry and photography in the late nineteenth century. Focusing on the immense photographic output of the Salpêtrière hospital, the notorious Parisian asylum for insane and incurable women, Didi-Huberman shows the crucial role played by photography in the invention of the category of hysteria. Under the direction of the medical teacher and clinician Jean-Martin Charcot, the inmates of Salpêtrière identified as hysterics were methodically photographed, providing skeptical colleagues with visual proof of hysteria's specific form. These images, many of which appear in this book, provided the materials for the multivolume album *Iconographie photographique de la Salpêtrière*. As Didi-Huberman shows, these photographs were far from simply objective documentation. The subjects were required to portray their hysterical "type"—they performed their own hysteria. Bribed by the special status they enjoyed in the purgatory of experimentation and threatened with transfer back to the inferno of the incurables, the women patiently posed for the photographs and submitted to presentations of hysterical attacks before the crowds that gathered for Charcot's "Tuesday Lectures." Charcot did not stop at voyeuristic observation. Through techniques such as hypnosis, electroshock therapy, and genital manipulation, he instigated the hysterical symptoms in his patients, eventually giving rise to hatred and resistance on their part. Didi-Huberman follows this path from complicity to antipathy in one of Charcot's favorite "cases," that of Augustine, whose image crops up again and again in the *Iconographie*. Augustine's virtuosic performance of hysteria ultimately became one of self-sacrifice, seen in pictures of ecstasy, crucifixion, and silent cries.

Tsunayoshi Sawada (Tsuna for short) is a cowardly junior high student who doesn't excel at academics or sports. He only attends school so he can stare at his beautiful classmate Kyoko from afar. But Tsuna's life takes a dramatic turn when Reborn, a suit-wearing, gun-toting baby who claims to be an Italian hit man, shows up at his house. Reborn was sent to Japan to groom Tsuna for his future life as a big Mafia boss. Tsuna doesn't believe this absurd story, so Reborn shoots Tsuna in the head with his gun. As Tsuna faces his own death, he's filled with regret that he never confessed his feelings to Kyoko...and suddenly he's overcome with supernatural powers that allow him to run off screaming to tell Kyoko how much he loves her. After five minutes, Tsuna goes back to normal. Reborn explains how his gun works: when he shoots a person in the head, if that person has regrets about her life, then she will die and be reborn, temporarily endowed with special powers that enable her to fix or solve whatever is the source of her regret. (If Reborn shoots someone who is free of regret, she would die.) Tsuna becomes Reborn's disciple, and because Reborn shoots Tsuna in the head all the time, he is constantly being reborn and growing into a stronger and better person, gradually impressing those around him and making friends.

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows

of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com

NEVER BEFORE PUBLISHED AN ALL-NEW GUILD HUNTER NOVEL Return to New York Times bestselling author Nalini Singh's sensual and painfully beautiful Guild Hunter world in her new novel of sacrifice, loyalty, and the choices of love that can shatter the heart. In the wake of a brutal war, the archangel Raphael and his hunter consort, Elena, are dealing with the treacherously shifting tides of archangelic politics and the people of a battered but not broken city. The last thing their city needs is more death, especially a death that bears the eerie signature of an insane enemy archangel who cannot—should not—be walking the streets. This hunt must be undertaken with stealth and without alerting their people. It must be handled by those who can become shadows themselves... Ash is a gifted tracker and a woman cursed with the ability to sense the secrets of anyone she touches. But there's one man she knows all too well without a single instant of skin contact: Janvier, the dangerously sexy Cajun vampire who has fascinated and infuriated her for years. Now, as they track down a merciless killer, their cat-and-mouse game of flirtation and provocation has turned into a profound one of the heart. And this time, it is Ash's secret, dark and terrible, that threatens to destroy them both.

"Performing, printing, and then circulating these studies, government established an economy of exchange with its diverse constituencies. In this medium, which Frankel terms "print statism," not only tangible objects such as reports and books but knowledge itself changed hands. As participants, citizens assumed the standing of informants and readers."

No one wanted Ai Ling. And deep down she is relieved—despite the dishonor she has brought upon her family—to be unbetrothed and free, not some stranger's subservient bride banished to the inner quarters. But now, something is after her. Something terrifying—a force she cannot comprehend. And as pieces of the puzzle start to fit together, Ai Ling begins to understand that her journey to the Palace of Fragrant Dreams isn't only a quest to find her beloved father but a venture with stakes larger than she could have imagined. Bravery, intelligence, the will to fight and fight hard . . . she will need all of these things. Just as she will need the new and mysterious power growing within her. She will also need help. It is Chen Yong who finds her partly submerged and barely breathing at the edge of a deep lake. There is something of unspeakable evil trying to drag her under. On a quest of his own, Chen Yong offers that help . . . and perhaps more.

*Archangel's Shadows* Harper Collins

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece." *The Book of Strange New Things* is a masterpiece from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their “book of strange new things.” But Peter is rattled when Bea's letters from home become increasingly desperate:

typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

Can Matt Murdock deny the hero within? After *Shadowland*, Matt turned his back on his life as Daredevil and hopped a cross-country bus, hoping to forget the bloodshed and betrayal he presided over as leader of the Hand. When he finds himself in a small desert town that doesn't take kindly to outsiders, Matt quickly realizes there's a reason behind the locals' enmity. Corruption has spread through the townsfolk and to the highest level of law enforcement--and when the sheriff learns of Matt's past as a super hero, he aims to eliminate the threat altogether. With his life on the line and innocent citizens in need of a hero, Matt Murdock will face his legacy as Daredevil and decide once and for all whether to be a hero or to abandon his life as a crime-fighter and start anew.
