Pearson Education ESL La 4e de couverture indique : "Discover the innovative world of Business Partner, a new eight-level business English course for learners and professionals who want to communicate effectively in English in the workplace. Partnering with the Financial Times means that this course also offers a wealth of international business information on a wide variety of topics.

Personalize your learning experience with a structured modular approach that gives the flexibility to focus on specific needs and learning outcomes. Study real-life business stories provided through authentic videos that draw you in and keep you motivated. Learn about key business topics such as Careers choices, Business Sectors, Projects, Global markets and Communication. Immerse yourself in the integrated video-based Communication skills training programme to develop awareness of communication issues, including building rapport, dealing with interruptions, managing conversations, dealing with disagreement and responding to customer concerns. Get practical training in functional business skills such as networking, selling a product, dealing with conflict and generating and presenting ideas. Work on realistic case studies in the Business workshops. Evaluate your progress step by step against the Global Scale of English Learning Objectives for Professional English. Prepare for business English exams such as BEC, BULATS,

LCCI and PTE Professional™." English for Business Studies Student's Book Longman Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural.

The Routledge Course in Business Korean is a textbook for teaching Korean to mid-intermediate to low-advanced students to learn the language used in a business context in every-day life in Korea. The authors' intuitive approach makes it easy for students to follow the units, while the relevant and practical learning objectives benefit both student and teacher alike.

The book introduces the vocabulary and key phrases of business Korean and focuses on delivering real business-related situations, authentic expressions, and linguistically and culturally rich introductions and explanations of Korean business life. Audio files can be found on the

accompanying e-Resource. By the end of this course, you will be at level B2 of the Common European Framework for Languages and Advanced Mid-High on the ACTFL proficiency scales.
