Tim Burton is a contradiction - a film-maker who has a unique style and yet remains grounded in the Hollywood studio system. How can someone who has such a distinctive personal vision survive in an aggressive and increasingly bland marketplace? How can he command such large budgets to realise his ideas? The answer is simple - Tim Burton may well be a cinematic artist but his films are also financially successful. Burton's world is one of outsiders on the periphery of society. His heroes are psychologically scarred, perpetually naïve and childlike, misunderstood or unintentionally disruptive. They are all figures who upset conventional society and morality. Even his villains are rarely without merit; circumstance and society blur the divide between moral fortitude and personal action. But most of all his films have an overriding aura of the fairy tale, the fantastic and the magical. The Pocket Essential Tim Burton looks at the man and his films, from his early shorts right through to his latest blockbusters. It covers the films, their making and their merit. This is the essential companion to Hollywood's premiere magician.

Nightmare Before Christmas 13 Days of Christmas Open Road + Grove/Atlantic

Characters such as the Siamese Quadruplets, Emily Amputee, and Narcoleptic Scottie populate a collection of thirteen warped, twisted, and hilarious tales. Reprint.

Things Are What You Make of Them Disney Electronic Content

Compassionate, witty, and unsettling, *Antarctica* is the debut collection of one of Ireland's most exciting and versatile new talents. Claire Keegan, winner of several prestigious awards including the William Trevor Prize, writes stories that have a razor-sharp narrative style and unembellished tone, and move from the cruel, hard life of rural Ireland to the hot landscape of the southern United States. From the title story about a married woman who takes a trip to the city with a single purpose in mind—to sleep with another man—*Antarctica* draws you into a world of obsession, betrayal, and fragile relationships. In "Love in the Tall Grass," Cordelia wakes on the last day of the twentieth century and sets off along the coast road to keep a date, with her lover, that has been nine years in the waiting. In "Passport Soup," Frank Corso mourns the curious disappearance of his nine-year-old daughter and tries desperately to reach out to his shattered wife who has gone mad with grief. Keegan's characters inhabit a world where dreams, memory, and chance can have crippling consequences for those involved. Moving in its quiet intensity, the award-winning *Antarctica* is a rare and arresting debut.

The Melancholy Death of Oyster Boy

Frankenweenie: A Graphic Novel! Simon and Schuster

Twenty-three illustrated gothic tales from the dark corridors of the imagination of Tim Burton. Burton - the creative genius behind *Batman*, *Edward Scissorhands*, *Mars Attacks!* and *Nightmare Before Christmas*, among others - now gives birth to a cast of gruesomely sympathetic children: misunderstood outcasts who struggle to find love and belonging in their cruel, cruel worlds. His lovingly lurid illustrations evoke both the sweetness and tragedy of these hopeful, yet hapless beings.

The Melancholy Death of Oyster Boy Faber & Faber Limited

Published to accompany a major retrospective at the Museum of Modern Art, an accessible chronicle of the Academy Award-winning filmmaker's creative process includes early childhood drawings, moving-image stills, puppets, storyboards and other examples of his work as a graphic artist from non-film projects.

My Art and Films Summersdale Publishers LTD - ROW

Tim Burton is one of the great modern-day visionaries of cinema, a director who has fabricated his

own deliciously nightmarish universe in movies as extraordinary as *Beetlejuice*, *Edward Scissorhands*, *Mars Attacks!* and *The Nightmare before Christmas* - not to mention his twisted takes on the tales of *Batman*, *Sleepy Hollow* and *Planet of the Apes*. Following the release of his re-imagining of Roald Dahl's *Charlie and the Chocolate Factory* with long-time comrade Johnny Depp (who also provides a new foreword here), this updated and fully illustrated new edition of the definitive Burton interview book casts light on Burton's Burbank childhood, his early work at Disney, the recurrent themes and stunning designs of his movies, and the creative obsessions that fuel them.

The art of Tim Burton Disney Electronic Content

What happens when two holidays collide? Thirteen days of frighteningly festive fun! Count down the days to see Jack, Sally, and their Halloween Town friends put a spooky spin on Christmas traditions! Jack Skellington is here from Halloween Town. You'll notice his handiwork scattered around. This year, he's decided to play Sandy Claws. But when Halloween creates Christmas . . . you might see a few flaws. From the minds of Tim Burton, Disney Imagineers, and acclaimed artist Jerrod Maruyama comes a picture book celebrating the classic animated film and the Disneyland ride it inspired. Renowned Imagineers Steven Davison and Carolyn Gardner's text turns turtle doves and French hens into floating candles and true-love potions, accompanied by beloved Burton characters painted in a new art style that will appeal to fans of all ages. Adorably spooky and frightfully festive, this tale will get fans of all ages into the holiday spirit!

The Philosophy of Tim Burton Thomas Nelson

They dared Florence to enter the haunted house on top of the hill. She is frightened, but Florence musters the courage to go inside. As she makes her way up to the top she finds many ghastly things along the way. Will she make it back out or be turned into a stump forever? *The Stumps of Flattop Hill* is a macabre tale of a little girl who enters the town's legendary haunted house in the face of fear. A dark tale for children in the tradition of the Brother's Grimm, it calls to mind the provocative illustration style of Edward Gorey. Scary and entertaining, this book challenges the idea of what children's books can be.

Beetlejuice: Handbook for the Recently Deceased Hardcover Ruled Journal Univ. Press of Mississippi

In partnership with Tim Burton and Harper-Collins Publishing, Dark Horse has created a boxed set which includes the hardcover book, *The Melancholy Death of Oyster Boy and Other Stories* (limited edition, new designed cover) along with an exclusive PVC figure of Voodoo Girl. A perfect companion to the nine figures released in the three Dark Horse Burton PVC sets, Voodoo Girl is unavailable in any format other than this package. Measuring 7" x 4" x 9 1/2", one side of the double-sided window box displays the book and the other the highly-detailed figure. A must-have for all Burton fans! Recommended for ages 8+

Stories Penguin UK

The man leads a seemingly conventional life. Every morning he leaves his suburban house, and his wife and young daughter, walking past the hissing lawn-sprinklers to the station where people wait for trains that hardly ever come. But the world around him is changing. The summer's heat is so intense that the pavements begin to crack. Railway lines swell and buckle. And now the man realises that he is changing too . . . Full of extraordinary images, *The Dream of a Beast* is a vision of the beast that perhaps lies inside us all. Its power lingers long beyond its final pages.

The Fall of the House of Usher and Other Writings John Murray

In 1952, just one year after Coach Adolph Rupp's University of Kentucky Wildcats won their third national championship in four years, an unlikely high school basketball team from rural Graves County, Kentucky, stole the spotlight and the media's attention. Inspired by young coach Jack Story and by the Harlem Globetrotters, the Cuba Cubs grabbed headlines when they rose from relative obscurity to defeat the big-city favorite and win the state championship. A classic underdog tale, *The Graves County Boys* chronicles how five boys from a tiny high school in southwestern Kentucky

captured the hearts of basketball fans nationwide. Marianne Walker weaves together details about the players, their coach, and their relationships in a page-turning account of triumph over adversity. This inspiring David and Goliath story takes the reader on a journey from the team's heartbreaking defeat in the 1951 state championship to their triumphant victory over Louisville Manual the next year. More than just a basketball narrative, the book explores a period in American life when indoor plumbing and electricity were still luxuries in some areas of the country and when hardship was a way of life. With no funded school programs or bus system, the Cubs's success was a testament to the sacrifices of family and neighbors who believed in their team. Featuring new photographs, a foreword by University of Kentucky coach Joe B. Hall, and a new epilogue detailing where the players are now, *The Graves County Boys* is an unforgettable story of how a community pulled together to make a dream come true.

Luca and Isolde investigate a dancing madness.

Through the Woods Penguin

From breathtaking stop-action animation to bittersweet modern fairy tales, filmmaker Tim Burton has become known for his unique visual brilliance -- witty and macabre at once. Now he gives birth to a cast of gruesomely sympathetic children -- misunderstood outcasts who struggle to find love and belonging in their cruel, cruel worlds. His lovingly lurid illustrations evoke both the sweetness and the tragedy of these dark yet simple beings -- hopeful, hapless heroes who appeal to the ugly outsider in all of us, and let us laugh at a world we have long left behind (mostly anyway).

Tragic Thoughts SCB Distributors

One girl, one painting a day...can she do it? Linda Patricia Cleary decided to challenge herself with a year long project starting on January 1, 2014. Choose an artist a day and create a piece in tribute to them. It was a fun, challenging, stressful and psychological experience. She learned about technique, art history, different materials and embracing failure. Here are all 365 pieces. Enjoy!

Tim Burton Harper Collins

Working under the personal supervision of Tim Burton, Dark Horse has created a trio of large-size vinyl figures that reflect all of the nuance and detail of past smaller models. This series is scheduled to include Stain Boy, Oyster Boy, and Toxic Boy, all extremely popular characters from Burton's *The Melancholy Death of Oyster Boy and Other Stories*, and all packaged in individual full-color window boxes.

The Dream of a Beast *The Melancholy Death of Oyster Boy* Twenty-three illustrated gothic tales from the dark corridors of the imagination of Tim Burton. Discover a terrifying world in the woods in this collection of five hauntingly beautiful graphic stories that includes the online webcomic sensation "His Face All Red," in print for the first time. Journey through the woods in this sinister, compellingly spooky collection that features four brand-new stories and one phenomenally popular tale in print for the first time. These are fairy tales gone seriously wrong, where you can travel to "Our Neighbor's House"—though coming back might be a problem. Or find yourself a young bride in a house that holds a terrible secret in "A Lady's Hands Are Cold." You might try to figure out what is haunting "My Friend Janna," or discover that your brother's fiancée may not be what she seems in "The Nesting Place." And of course you must revisit the horror of "His Face All Red," the breakout webcomic hit that has been gorgeously translated to the printed page. Already revered for her work online, award-winning comic creator Emily Carroll's stunning visual style and impeccable pacing is on grand display in this entrancing anthology, her print debut.
