May the Best Man Win Harley's Little Black Book (2015-) #3
 A New York Times Best Seller If you could read my mind, you wouldn't be smiling. Samantha McAllister looks just like the rest of the popular girls in her junior class. But hidden beneath the straightened hair and expertly applied makeup is a secret that her friends would never understand: Sam has Purely-Obsessional OCD and is consumed by a stream of dark thoughts and worries that she can't turn off. Second-guessing every move, thought, and word makes daily life a struggle, and it doesn't help that her lifelong friends will turn toxic at the first sign of a wrong outfit, wrong lunch, or wrong crush. Yet Sam knows she'd be truly crazy to leave

the protection of the most popular girls in school. So when Sam meets Caroline, she has to keep her new friend with a refreshing sense of humor and no style a secret, right up there with Sam's weekly visits to her psychiatrist. Caroline introduces Sam to Poet's Corner, a hidden room and a tight-knit group of misfits who have been ignored by the school at large. Sam is drawn to them immediately, especially a guitar-playing guy with a talent for verse, and starts to discover a whole new side of herself. Slowly, she begins to feel more "normal" than she ever has as part of the popular crowd . . . until she finds a new reason to question her sanity and all she holds dear. "Clueless meets Dead Poets Society with a whopping final twist." -Kirkus Reviews "This book is highly recommended-readers will connect with Sam, relating to her anxiety about her peers, and root for her

throughout the book." -VOYA "A thoughtful romance with a strong message about self-acceptance, [this] sensitive novel boasts strong characterizations and conflicts that many teens will relate to. Eminently readable." -Booklist "A brilliant and moving story about finding your voice, the power of words, and true friendship. I couldn't put it down?" -Elizabeth Eulberg, Author of The Lonely Hearts Club "Brilliant, brave, and beautiful." -Kathleen Caldwell, A Great Good Place for Books "A riveting story of love, true friendship, self-doubt and self-confidence, overcoming obstacles, and truly finding oneself." -Melanie Koss, Professor of Young Adult Literature, Northern Illinois University "Romantic, unpredictable, relatable, and so very enjoyable." -Arnold Shapiro, Oscar- and Emmy-winning Producer "Characters to love and a story to break your heart. Readers will want to turn page after page

and read every last word. Then do it all over again." -Marianne Follis, Teen Librarian, Valley Ranch (Irving) Public Library

The #1 New York Times bestselling author of What If? and How To provides his best answers yet to the weirdest questions you never thought to ask The millions of people around the world who read and loved What If? still have questions, and those questions are getting stranger. Thank goodness xkcd creator Randall Munroe is here to help. Planning to ride a fire pole from the moon back to Earth? The hardest part is sticking the landing. Hoping to cool the atmosphere by opening everyone's freezer door at the same time? Maybe it's time for a brief introduction to thermodynamics. Want to know what would happen if you rode a helicopter blade, built a billion-story building, made a lava lamp out of lava, or jumped on a geyser as it erupted? Okay, if you insist. Before you go on a cosmic road trip, feed the residents of New York City to a T. rex, or fill every church with bananas, be sure to consult this practical guide for impractical ideas. Unfazed by absurdity, Randall consults the latest research on everything from swing-set physics to airplane-catapult design to clearly and concisely answer his readers' questions. As he consistently demonstrates, you can learn a lot from examining how the world might work in very specific extreme circumstances. Filled with bonkers science, boundless curiosity, and Randall's signature stick-figure comics, What If? 2 is sure to be another instant classic adored by inquisitive readers of all ages.

Uncle Tom's Cabin, or Life Among the Lowly, is American author Harriet Beecher Stowe's novel about the evils of slavery. Published in 1852, the novel had a profound effect on the world's view of African-Americans and slavery, so much so in the latter case that people have said the book laid the groundwork for the American Civil War. A Key to Uncle Tom's Cabin is a book by American author Harriet Beecher Stowe. It was published to document the veracity of the depiction of slavery in Stowe's anti-slavery novel Uncle Tom's Cabin (1852). First published in 1853 by Jewett, Proctor & Worthington, the book also provides insights into Stowe's own views on slavery. After the publication of Uncle Tom's Cabin, Southerners accused Stowe of misrepresenting slavery. In order to show that she had neither lied about slavery nor exaggerated the plight of enslaved people, she compiled A Key to Uncle Tom's Cabin.

[Heroes from the Mahabharata](#) Amerotica From Benjamin Franklin's drawing of the first American political cartoon in 1754 to contemporary cartoonists' blistering attacks on George W. Bush and initial love-affair with Barack Obama, editorial cartoons have been a part of American journalism and politics. American Political Cartoons chronicles the nation's highs and lows in an extensive collection of cartoons that span the entire history of American political cartooning. "Good cartoons hit you primitively and emotionally," said cartoonist Doug Marlette. "A cartoon is a frontal attack, a slam dunk, a cluster bomb." Most cartoonists pride themselves on attacking honestly, if ruthlessly. American Political Cartoons recounts many direct hits, recalling the discomfort of the cartoons' targets and the delight of their readers. Through skillful combination of pictures and words, cartoonists galvanize public opinion for or against their subjects. In the process they have revealed truths about us and our democratic system that have been both embarrassing and ennobling. Stephen Hess and Sandy Northrop note that not all cartoonists have worn white hats. Many have perpetuated demeaning ethnic stereotypes, slandered honest politicians, and oversimplified complex issues.
