The Truth about Stories Akashic Books

An award-winning play about the relationship between brothers. Nothing but the Truth is the story of two brothers, of sibling rivalry, of exile, of memory and reconciliation, and the ambiguities of freedom. The play was John Kani's debut as sole playwright and was first performed in the Market Theatre in Johannesburg. It won the 2003 Fleur du Cap Award for best actor and best new South African play. In the same year Kani was also awarded a special Obie award for his extraordinary contribution to theatre in the USA.

Brooklyn Noir One World

This heart-stopping historical mystery from plot-master Avi will reach the wide audience it deserves with its fresh and compelling new cover treatment! The night Edmund's twin sister, Sis, goes missing, the streets of nineteenth-century Providence, Rhode Island, are filled with menacing shadows. As Edmund frantically searches the city, he tries to make sense of what happened: He only left Sis alone long enough to buy bread. How did she vanish in the mere minutes he was gone? Just as Edmund is about to lose hope of finding her, a stranger appears out of the mist and offers to help. But the man is gloomy and full of secrets. He seems to need Edmund to carry out plans of his own. Can Edmund trust him? And if he doesn't take the chance, how will he ever find his sister?

Why I Write HarperCollins

INSTANT NATIONAL BESTSELLER A critically acclaimed, intimate and no-holds-barred memoir by Canada's top defence lawyer, Nothing But the Truth weaves Marie Henein's personal story with her strongly held views on society's most pressing issues. Marie Henein, arguably the most prominent lawyer in the country, has written a memoir that is at once raw, beautiful, and altogether unforgettable. Her story, as an immigrant from a tight-knit Egyptian-Lebanese family, demonstrates the value of strong role models—from her mother and grandmother, to her brilliant uncle Sami who died of AIDS. She learned the value of hard work, being true to herself and others, and unapologetically owning it all. Marie Henein shares here her unvarnished view on the ethical and practical implications of being a criminal lawyer, and how the job is misunderstood and even demonized. Ironically, her most successful cases made her a "lightning rod" in some circles, confirming her belief that much of the public's understanding of democracy and the justice system is based on popular culture and social media, and decidedly not the rule of law. As she turns fifty and struggles with the corrosive effect becoming invisible has on women, Marie doubles down on being even more highly visible and opinionated as she deconstructs, among other things, the otherness of the immigrant experience (Where are you really from?), the pros and cons of being a household name in this country, opening her own boutique law firm, and the commoditization of women's previously unpaid labour popularized by the likes of Martha Stewart. Nothing But the Truth is refreshingly unconstrained and surprising—an account by a woman at the top of her game in a

male-dominated world.

**On Bullshit** Penguin

Virginia Woolf dreamed of the Day of Judgment. The "great conquerors and lawyers and statesmen" come to receive their rewards - crowns, laurels, names carved on marble. But, when he sees people coming with books under their arms, God turns to Peter and says: "Look, those need no reward. We have nothing to give them here. "They have loved reading." And this is the essence of her essay - sheer love for the written word: a joy in exploring the thoughts and imaginings of the author. If you sometimes get bogged down in a book, Woolf has produced the perfect self-help manual and motivational guide to reading. If you enjoyed 'How Should One Read a Book?', try 'How to Read a Book: The Classic Guide to Intelligent Reading', by Mortimer J Adler. "To read a novel is a difficult and complex art," says Virginia Woolf. Adeline Virginia Woolf (1882-1941) made an impact during her life, but her fame grew in the decades after her death. The English writer helped launch the use of stream-of-consciousness in literature and was a pioneer of 20th century modernism. Arguably her greatest legacy, though, comes from how her writing helped to inspire the feminist movements of the second half of the 20th century. Along with members of her family and other authors, Woolf helped found the Bloomsbury Group. After she married the political theorist and author Leonard Woolf in 1912, they went on to found the Hogarth Press. Virginia also had a long relationship with the writer Vita Sackville-West. The affair featured in the 2018 movie 'Vita and Virginia', starring Gemma Arterton and Elizabeth Debicki. Her best-known works include the novels 'Mrs Dalloway', 'To the Lighthouse' and 'Orlando'.

*True to the Life. [A novel.]* Sphere

A compelling story of abuse carried on from generation to generation and the chance to break the cycle.

**The Man Who Was Poe** Oxford University Press

NATIONAL BESTSELLER • Soon to be a Hulu Original series • The internationally acclaimed author of Wild collects the best of The Rumpus's Dear Sugar advice columns plus never-before-published pieces. Rich with humor and insight—and absolute honesty—this "wise and compassionate" (New York Times Book Review) book is a balm for everything life throws our way. Life can be hard: your lover cheats on you; you lose a family member; you can't pay the bills—and it can be great: you've had the hottest sex of your life; you get that plum job; you muster the courage to write your novel. Sugar—the once-anonymous online columnist at The Rumpus, now revealed as Cheryl Strayed, author of the bestselling memoir Wild—is the person thousands turn to for advice.

These Precious Days Simon and Schuster

A ninth-grader's suspension for singing "The Star-Spangled Banner" during homeroom becomes a national news story.

How to Do Nothing Scholastic Inc.

Four teenagers are on the verge of exploding. The anxieties they face at every turn have nearly pushed them to the point of surrender: senseless high-stakes testing, the lingering damage of past

trauma, the buried grief and guilt of tragic loss. They are desperate to cope, but no one is listening. So they will lie. They will split in two. They will turn inside out. They will even build an invisible helicopter to fly themselves far away...but nothing releases the pressure. Because, as they discover, the only way to truly escape their world is to fly right into it. The genius of acclaimed author A.S. King reaches new heights in this groundbreaking work of surrealist fiction; it will mesmerize readers with its deeply affecting exploration of how we crawl through traumatic experience--and find the way out.

*Tiny Beautiful Things* Little, Brown Books for Young Readers

\*\* A New York Times Bestseller \*\* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library "A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto."—Jonah Engel Bromwich, *The New York Times Book Review* One of President Barack Obama's "Favorite Books of 2019" Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, *How to Do Nothing* is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

*Nothing But the Truth* Vintage

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The Guardian "No writer has better understood the mix of

fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, *New York Times*-bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker

**I Crawl Through It** Signal

"Rich and compelling. . .Lynskey's account of the reach of 1984 is revelatory." --George Packer, *The Atlantic* An authoritative, wide-ranging, and incredibly timely history of 1984--its literary sources, its composition by Orwell, its deep and lasting effect on the Cold War, and its vast influence throughout world culture at every level, from high to pop. 1984 isn't just a novel; it's a key to understanding the modern world. George Orwell's final work is a treasure chest of ideas and memes--Big Brother, the Thought Police, Doublethink, Newspeak, 2+2=5--that gain potency with every year. Particularly in 2016, when the election of Donald Trump made it a bestseller ("Ministry of Alternative Facts," anyone?). Its influence has morphed endlessly into novels (*The Handmaid's Tale*), films (Brazil), television shows (*V for Vendetta*), rock albums (*Diamond Dogs*), commercials (Apple), even reality TV (*Big Brother*). *The Ministry of Truth* is the first book that fully examines the epochal and cultural event that is 1984 in all its aspects: its roots in the utopian and dystopian literature that preceded it; the personal experiences in wartime Great Britain that Orwell drew on as he struggled to finish his masterpiece in his dying days; and the political and cultural phenomena that the novel ignited at once upon publication and that far from subsiding, have only grown over the decades. It explains how fiction history informs fiction and how fiction explains history.

**The Liar** Penguin Group

New York's punchiest borough asserts its criminal legacy with all new stories from a magnificent set of today's best writers. *Brooklyn Noir* moves from Coney Island to Bedford-Stuyvesant to Bay Ridge to Red Hook to Bushwick to Sheepshead Bay to Park Slope and far deeper, into the heart of Brooklyn's historical and criminal largesse, with all of its dark splendor. Each contributor presents a brand new story set in a distinct neighborhood. *Brooklyn Noir* mixes masters of the mystery genre with the best of New York's literary fiction community-and, of course, leaves room for new blood. These brilliant and chilling stories see crime striking in communities of Russians, Jamaicans, Hasidic Jews, Puerto Ricans, Italians, Irish and many other ethnicities-in the most diverse urban location on the planet. Contributors include Pete Hamill, Nelson George, Sidney Offit, Arthur Nersesian, Pearl Abraham, Ellen Miller, Maggie Estep, Adam Mansbach, CJ Sullivan, Chris Niles, Norman Kelley, and many others. Akashic Books announces Brooklyn novelist Tim McLoughlin as the editor of the anthology (in addition to his contributing a story). McLoughlin's respect on any Brooklyn street predates the publication of his debut novel *Heart of the Old Country* (Akashic, 2001), a selection of the Barnes & Noble Discover Great New Writers Program that was hailed by *Entertainment Weekly* as "an inspired cross between Richard Price and Ross McDonald." For years, McLoughlin has worked in the Kings County Supreme Court in downtown Brooklyn. Praise for McLoughlin's *Heart of the Old Country*: ". . . cracks with the authenticity that only a writer with a perfect ear can accomplish."-Bob Leuci, author of *Blaze* "McLoughlin writes about South Brooklyn with a fidelity to people and place reminiscent of James T. Farrell's *Studs Lonigan* and George Orwell's *Down and Out in Paris and London*."-Sidney Offit, author of *Memoir of the Bookie's Son*

**Nothing But the Truth about Quality** House of Anansi

Avi's treasured Newbery Honor Book now in expanded After Words edition! Thirteen-year-old Charlotte Doyle is excited to return home from her school in England to her family in Rhode Island in the summer of 1832. But when the two families she was supposed to travel with mysteriously cancel their trips, Charlotte finds herself the lone passenger on a long sea voyage with a cruel captain and a mutinous crew. Worse yet, soon after stepping aboard the ship, she becomes enmeshed in a conflict between them! What begins as an eagerly anticipated ocean crossing turns into a harrowing journey, where Charlotte gains a villainous enemy . . . and is put on trial for murder! After Words material includes author Q & A, journal writing tips, and other activities that bring Charlotte's world to life!

**How Should One Read a Book** Little, Brown Books for Young Readers

Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

*The Ministry of Truth* Renard Press Ltd

DESCRIPTION: Hapa (Half Asian and half white) Patty Ho has never felt completely at home in her skin. Life at House Ho is tough enough between her ultra-strict Taiwanese mom (epic-length lectures and all) and her Harvard-bound big brother. But things get worse when a Chinese fortuneteller channels Patty's future via her bellybutton...and divines a white guy on her horizon. Her mom then freaks out and ships her off to math camp at Stanford. Just as Patty writes off her summer of woe, life starts glimmering with all kinds of probabilities. Written with the perfect balance of humor, poignancy, and sharp wit, **NOTHING BUT THE TRUTH** (and a few white lies) is the debut of a bright new talent.

**Nothing But the Truth** Simon and Schuster

The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect "antidote to mansplaining" (*The Stranger*). In her comic, scathing essay "Men Explain Things to Me," Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note— because the ultimate problem is the

silencing of women who have something to say, including those saying things like, "He's trying to kill me!" This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf's embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. "In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized." —The New York Times "Essential feminist reading." —The New Republic "This slim book hums with power and wit." —Boston Globe "Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society." —San Francisco Chronicle "Essential." —Marketplace "Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions." —Salon

*We Learn Nothing* HarperCollins

Winner of the 2003 Trillium Book Award "Stories are wondrous things," award-winning author and scholar Thomas King declares in his 2003 CBC Massey Lectures. "And they are dangerous." Beginning with a traditional Native oral story, King weaves his way through literature and history, religion and politics, popular culture and social protest, gracefully elucidating North America's relationship with its Native peoples. Native culture has deep ties to storytelling, and yet no other North American culture has been the subject of more erroneous stories. The Indian of fact, as King says, bears little resemblance to the literary Indian, the dying Indian, the construct so powerfully and often destructively projected by White North America. With keen perception and wit, King illustrates that stories are the key to, and only hope for, human understanding. He compels us to listen well.

*The Truth The Whole Truth and Nothing but The Truth* epubli

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

**The Crossroads of Should and Must** Lulu.com

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting; with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her

three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

Essayism Haymarket Books

From the 100-part Penguin Great Ideas series comes a rumination on relationships, courtesy of one of the most influential French Renaissance philosophers. Michel de Montaigne was the originator of the modern essay form; in these diverse pieces he expresses his views on friendship, contemplates the idea that man is no different from any animal, argues that all cultures should be respected, and attempts, by an exploration of himself, to understand the nature of humanity. Penguin Great Ideas: Throughout history, some books have changed the world. They have transformed the way we see ourselves—and each other. They have inspired debate, dissent, war, and revolution. They have enlightened, outraged, provoked, and comforted. They have enriched lives—and destroyed them. Now Penguin Great Ideas brings you the works of the great thinkers, pioneers, radicals, and visionaries whose ideas shook civilization and helped make us who we are. Other titles in the series include Niccolò Machiavelli's *The Prince*, Thomas Paine's *Common Sense*, and Charles Darwin's *On Natural Selection*.
