The Things They Carried Red Wheel/Weiser

A Choctaw boy tells in his own words the story of his tribe's removal from the only land its people have ever known, and how their journey to Oklahoma led him to become a ghost — one with the ability to help those he left behind. Isaac leads a remarkable foursome of Choctaw comrades: a tough minded teenage girl, a shape-shifting panther boy, a lovable five-year-old ghost who only wants her mom and dad to be happy, and Isaac's talking dog, Jumper. The first in a series, *How I Became a Ghost* thinly disguises an important and oft-overlooked piece of history.

The Ghosts of Plaka Beach Macmillan

Anya, embarrassed by her Russian immigrant family and self-conscious about her body, has given up on fitting in at school, but when she falls down a well and makes friends with the ghost there, she thinks she's found just what she needs--or has she? Simultaneous.

The Ghosts of Watt O'Hugh Ghosts of WarThe True Story of a 19-Year-Old GI

Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today.

Curated with loving expertise, these thirteen tales showcase both Windham and Fighs masterful selection of stories and their artful and suspenseful writing style. In crafting stories treasured by children and adults alike, the authors tell much more than ghost tales. Embedded in each is a wealth of fact and folklore about Alabama history and the old South. I dont care whether you believe in ghosts, Windham was fond of saying. The good ghost stories do not require that you believe in ghosts.

Civil War Ghosts Scholastic Inc.

Ryan Smithson joined the Army Reserve when he was just out of high school. At age nineteen he was deployed to Iraq. His year in combat changed his life. This is his story. It will change the way you feel about what it means to be an American.

The Mountains Sing Thomas Nelson

"Powerful, laden with emotion, and smartly written." —Brandon Sanderson, author of *Mistborn* and *The Way of Kings* A brilliant historical fantasy novel from acclaimed author Mary Robinette Kowal featuring the mysterious spirit corps and their heroic work in World War I. Ginger Stuyvesant, an American heiress living in London during World War I, is engaged to Captain Benjamin Harford, an intelligence officer. Ginger is a medium for the Spirit Corps, a special Spiritualist force. Each soldier heading for the front is conditioned to report to the mediums of the Spirit Corps when they die so the Corps can pass instant information about troop movements to military intelligence. Ginger and her fellow mediums contribute a great deal to the war efforts, so long as they pass the information through appropriate channels. While Ben is away at the front, Ginger discovers the presence of a traitor. Without the presence of her fiancé to validate her findings, the top brass thinks she's just imagining things. Even worse, it is clear that the Spirit Corps is now being directly targeted by the

German war effort. Left to her own devices, Ginger has to find out how the Germans are targeting the Spirit Corps and stop them. This is a difficult and dangerous task for a woman of that era, but this time both the spirit and the flesh are willing... Everything You Always Wanted to Know About Ghosts, but Were Too Afraid to Ask From a very young age James Van Praagh was aware of a dimension that most of us cannot see, and he has dedicated his life to explaining it to the rest of us. The New York Times bestseller *Ghosts Among Us* takes us on an incredible journey into the spirit world that brings to light one of our greatest mysteries—what happens to us after we die?

The True Story of a 19-Year-Old GI St. Martin's Press

After moving to Providence, Rhode Island, Kenny discovers that his new house is haunted by the spirit of a black slave boy who asks Kenny to return with him to the early nineteenth century and prevent his murder by slave traders.

A History of Ghosts University of Alabama Press

A highly anticipated memoir by Gabriel Byrne, the award-winning star of over 80 films, *Walking with Ghosts* is an exquisite portrait of an Irish childhood and a remarkable journey to Hollywood and Broadway success. "Make no mistake about it: *Walking with Ghosts* is a masterpiece. A book that will wring out our tired hearts. It is by turns poetic, moving, and very funny. You will find it on the shelf alongside other great Irish memoirs including those by Frank McCourt, Nuala O'Faolain and Edna O'Brien." —Colum McCann As a young boy growing up in the outskirts of Dublin, Gabriel Byrne sought refuge in a world of imagination among the fields and hills near his home, at the edge of a rapidly encroaching city. Born to working class parents and the eldest of six children, he harbored a childhood desire to become a priest. When he was eleven years old, Byrne found himself crossing the Irish Sea to join a seminary in England. Four years later, Byrne had been expelled and he quickly returned to his native city.

There he took odd jobs as a messenger boy and a factory laborer to get by. In his spare time, he visited the cinema where he could be alone and yet part of a crowd. It was here that he could begin to imagine a life beyond the grey world of 60s Ireland. He reveled in the theatre and poetry of Dublin's streets, populated by characters as eccentric and remarkable as any in fiction, those who spin a yarn with acuity and wit. It was a friend who suggested Byrne join an amateur drama group, a decision that would change his life forever and launch him on an extraordinary forty-year career in film and theatre. Moving between sensual recollection of childhood in a now almost vanished Ireland and reflections on stardom in Hollywood and Broadway, Byrne also courageously recounts his battle with addiction and the ambivalence of fame. *Walking with Ghosts* is by turns hilarious and heartbreaking as well as a lyrical homage to the people and landscapes that ultimately shape our destinies.

A True Ghost Story Galde Press, Inc.

World war is on the horizon in New York Times bestselling author Brad Taylor's tenth heart-pounding Pike Logan thriller. The Taskforce has stopped countless terrorist threats across the globe, operating outside of US law to prevent the death of innocents. But now, along the fault lines of the old Iron Curtain, the danger is far greater than a single attack. With Russia expanding its influence from Syria to the Baltic States, the Taskforce is placed on stand-down because of the actions of one rogue operator. Meanwhile, Pike Logan and Jennifer Cahill travel to Poland, hired to verify artifacts hidden for decades in a fabled Nazi gold train, only to find themselves caught amid growing tensions between East and West. A Russian incursion into Belarus under the facade of self-defense is trumped by a horrific attack against the United States, driving NATO to mobilize even as it tries to determine who is behind the strike. On the brink of war, Pike and Jennifer discover that there is a separate agenda in play, one determined to force a showdown between NATO and Russia. With time running out, and America demanding vengeance, Pike and Jennifer race to unravel the mystery before a point of no return is reached. Unbeknownst to them, there is another attack on the way. One that will guarantee World War III.

Ghosts of War in Vietnam Macmillan

Explore the strange and shadowy side of the civil war . . . A fascinating collection of ghostly sightings, auspicious visions,

audible manifestations, and uncanny premonitions. In 1872 a photographer who claimed he could capture the "essence" of dead relatives took an image purporting to show Mary Todd Lincoln with the protective ghost of Abraham Lincoln behind her. The spirit of George Washington who appeared to John C. Calhoun in the 1840s to persuade him not to dissolve the union. The nameless drummer boy from the Army of Ohio who still plays at the Shiloh battlefield The twentieth-century schoolchildren who heard the Irish brigade on the Antietam battlefield Teddy Roosevelt and First Lady Grace Coolidge who both claim to have encountered Abraham Lincoln in the White House Jefferson Davis and his wife Varina who both have been seen at Fort Monroe, Virginia, where he was imprisoned after the War *Lost at Khe Sanh (Ghosts of War #2)* Scholastic Inc. Ghosts of War is where history and mystery meet. Phantom U.S. Civil War regiments still march through Harpers Ferry, West Virginia, before vanishing into the evening sunset. The beaches of Normandy, France still echo with the cries of the men who gave their lives storming the beaches on D-Day. The disembodied clip-clop of horse's hooves and the clank of swords from the British Civil War battle of January 25, 1644, are still heard in Nantwich, Cheshire. Wherever battles were fought and people perished, ghost legends have followed. Ghosts can be found wherever tragedy left its mark. Where men's and women's lives ended so quickly that their spirits may not even realize that they're dead. Where soldiers, focused on duty, still patrol the front lines of long-finished wars. The world's battlefields are imprinted with the passions, fears, and horrors of the soldiers who took their enemies' lives and often sacrificed their own. Battlefields are still rife with spirit activity, centuries after the last cannon was fired and the last casualty lost. Ghosts of War is a history book told through the eyes of witnesses who have experienced the ghosts who still haunt these locations. Featuring nearly two dozen battlefields from around the world and throughout the centuries, each chapter includes first-hand accounts of the battle (where available), important facts and dates, historic and ghostly photos of the site, and first-hand ghost sightings and supernatural experiences that still occur.

Ghosts and Haunts of the Civil War Virginia Ghosts

This fascinating book shows how the later years of the British Empire were characterised by accidental oversights, irresponsible

opportunism and uncertain pragmatism.

Ghost Riders Chronicle Books

A New York Times Book Review Editor's Choice "Roger Clarke tells this [the story that inspired Henry James' *The Turn of the Screw*] and many other gloriously weird stories with real verve, and also a kind of narrative authority that tends to constrain the skeptical voice within... [an] erudite and richly entertaining book." —New York Times Book Review "Is there anybody out there?" No matter how rationally we order our lives, few of us are completely immune to the suggestion of the uncanny and the fear of the dark. What explains sightings of ghosts? Why do they fascinate us? What exactly do those who have been haunted see? What did they believe? And what proof is there? Taking us through the key hauntings that have obsessed the world, from the true events that inspired Henry James's classic *The Turn of the Screw* right up to the present day, Roger Clarke unfolds a story of class conflict, charlatans, and true believers. The cast list includes royalty and prime ministers, Samuel Johnson, John Wesley, Harry Houdini, and Adolf Hitler. The chapters cover everything from religious beliefs to modern developments in neuroscience, the medicine of ghosts, and the technology of ghosthunting. There are haunted WWI submarines, houses so blighted by phantoms they are demolished, a seventeenth-century Ghost Hunter General, and the emergence of the Victorian flash mob, where hundreds would stand outside rumored sites all night waiting to catch sight of a dead face at a window. Written as grippingly as the best ghost fiction, *A Natural History of Ghosts* takes us on an unforgettable hunt through the most haunted places of the last five hundred years and our longing to believe.

Ghosts of War Harper Collins

WINNER OF THE 2015 BRAM STOKER AWARD FOR SUPERIOR ACHIEVEMENT IN A NOVEL A chilling thriller that brilliantly blends psychological suspense and supernatural horror, reminiscent of Stephen King's *The Shining*, Shirley Jackson's *The Haunting of Hill House*, and William Peter Blatty's *The Exorcist*. The lives of the Barretts, a normal suburban New England family, are torn apart when fourteen-year-old Marjorie begins to display signs of acute schizophrenia. To her parents' despair, the doctors are unable to stop Marjorie's descent into madness. As their stable home devolves into a house of horrors, they reluctantly turn to a local Catholic priest for help. Father Wanderly suggests an exorcism;

he believes the vulnerable teenager is the victim of demonic possession. He also contacts a production company that is eager to document the Barretts' plight. With John, Marjorie's father, out of work for more than a year and the medical bills looming, the family agrees to be filmed, and soon find themselves the unwitting stars of *The Possession*, a hit reality television show. When events in the Barrett household explode in tragedy, the show and the shocking incidents it captures become the stuff of urban legend. Fifteen years later, a bestselling writer interviews Marjorie's younger sister, Merry. As she recalls those long ago events that took place when she was just eight years old, long-buried secrets and painful memories that clash with what was broadcast on television begin to surface—and a mind-bending tale of psychological horror is unleashed, raising vexing questions about memory and reality, science and religion, and the very nature of evil.

Ghosts of War Penguin

A New York Times, USA Today, Wall Street Journal, and Amazon Charts Bestseller! For fans of *Hidden Figures*, comes the incredible true story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright. Meanwhile,

hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the "wonder" substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

Restless Spirits of Soldiers, Spies, And Saboteurs

Createspace Independent Pub

Provides eleven true stories about famous Civil War ghosts and the places they haunt, accompanied by photographs, historical overviews, and biographical information

[The Ghosts Shall Rise!](#) Simon and Schuster

Ghosts of War picks up the story a month after the end of *Ghosts of Manhattan*. New York City is being plagued by a pack of

ferocious brass raptors – strange, skeleton-like creations with bat-like wings that swoop out of the sky, attacking people and carrying them away into the night. The Ghost has been tracking these bizarre machines, and is close to finding their origin: a deranged military scientist who is slowly rebuilding himself as a machine. However, this scientist is not working alone, and his scheme involves more than a handful of abductions. He is part of a plot to escalate the cold war with Britain into a full-blown conflict, and he is building a weapon – a weapon that will fracture dimensional space and allow the monstrous creatures that live on the other side to spill through. He and his co-conspirators – a cabal of senators and businessmen who seek to benefit from the war – intend to harness these creatures and use them as a means to crush the British. But the Ghost knows only too well how dangerous these creatures can be, and the threat they represent not just to Britain, but the world. The Ghost's efforts to put an end to the conspiracy bring him into an uneasy alliance with a male British spy, who is loose in Manhattan, protecting the interests of his country. He also has the unlikely assistance of Ginny, a drunken ex-lover and sharpshooter, who walks back into his life, having disappeared six years earlier in mysterious circumstances. Suffering from increasingly lucid flashbacks to WWI and subjected to rooftop chases, a battle with a mechanized madman, and the constant threat of airborne predators, and with the fate of the world hanging in the balance, can the Ghost derail the conspiracy and prevent the war with the British from escalating beyond control? From the Trade Paperback edition.
