CAYDEN KENDAL

Nora's Hockey Dream FENN-TUNDRA
The inspiring true story of Manon Rhéaume, the first and only woman to play a game in the National Hockey League, featuring an afterward from Manon herself. "One day, a woman will play in the National Hockey League. If no one prevents her," said a twelve-year-old Manon Rhéaume. Manon always dreamed

of playing hockey. So, when the team her father coached needed a goalie, five-year-old Manon begged for the chance to play. She didn't care that she'd be the only girl in the entire league or that hockey was considered a "boys' sport" in her hometown of Lac-Beauport, Quebec, Canada. All she cared about was the game. After her father gave her that first chance to play, she embarked on a spectacular, groundbreaking career in hockey. At every level of competition, Manon was faced with naysayers, but she continued to play, earning her place on

prestigious teams and ultimately becoming the first woman to play a game in the NHL. Including an afterward written by Manon herself, *Breaking the Ice* is the true story of one girl's courage, determination, and love for the sport. [Save the Season](#) Kids Can Press Introduces readers to the development of women's hockey, as well as the sport's star players from past to present. Colorful spreads, fascinating sidebars, and athlete bios make this a thrilling read for young sports fans.

Hockey in the Wild Kids Can Press Ltd

Packed with expert advice from one of the top women's hockey players in the world, this title in the Books for Girls series will show kids how to pass and shoot like a star, choose the right equipment and help lead their team to victory. They'll also spend a day with a top women's team, find out what an Olympic hockey coach looks for in a player and discover what's ahead for women's hockey. The Hockey Book for Girls is a unique resource for girls who love to play hockey or would like to learn the game.

Hockey Hero FENN-TUNDRA

Uses a question and answer format to explain the basics as well as finer points of this fastest of all team sports.

I Can Read Hockey Stories: The Best First Game First Second

The great game of hockey is introduced from A to Z using simple language for the youngest reader. Topics include fans, goalie, ice, and jersey. Detailed artwork brings the game's action to these sturdy, boardbook pages.

My First Hockey Book ECW Press

Nora has never attended or even played in a hockey game. When her parents take her to the Women's Professional Hockey

League Championship between the Booming Thunder and the hometown Wicked Waves, Nora discovers a newfound passion. However, chasing after her big hockey dream might be harder than she thinks.

Hockey Opposites FENN-TUNDRA

In rhyming text a child, home from a game, bids goodnight to all the sights and sounds of a school football game.

Crazy about Hockey! Sports Illustrated Kids

Willie O'Ree quietly made NHL history at the Montreal Forum on January 18, 1958, when he became the first black player to take to the ice. In the dressing room before the game, his Boston Bruins teammates told him not to worry. If any one of the Montreal players said anything to him, they'd have his back. There was a round of applause when O'Ree stepped onto the ice, and newspapers ran the story. The colour barrier in the NHL had been broken, yet it would be sixteen years before the next black player, Mike Marson (also a Canadian), was drafted. Four decades later, the NHL pulled O'Ree out of retirement to honour his achievement and make him an ambassador for the NHL's

"Hockey is for Everyone" program to encourage kids from all backgrounds to play hockey. This new book by Nicole Mortillaro traces the early life of O'Ree in Fredericton, New Brunswick, his journey to the NHL, highlights from his hockey career, and his work encouraging diversity in the NHL. [Fry reading level - 4.9]

Tales of a First-Round Nothing Simon and Schuster

Popular artist and best-selling illustrator Per-Henrik G'rth puts his winning team of lovable animals into play to demonstrate a wide range of opposites, including home/away, behind/ahead, win/loss and many more. The excitement of a hockey game and the bright, bold illustrations will keep the attention of children while they are introduced to the concept of opposites.

Goodnight Football McFarland

"Round and black--do you know its name? You need this disk to play the game."

Answer: Puck. Now even the smallest of fans can enjoy a book about their favorite sport. Rhyming riddles accompanied by colorful artwork help introduce the game's simplest, most basic elements.

Hockey Colors Lorimer

The reader is the main character in this interactive hockey adventure for ages 9 to 13; they make choices that affect the story and collect points to upgrade their hockey skills in order to win the big game at story's end.

Misadventures with a Rookie Collins Presents the history and tradition of hockey, covering the sport's biggest names, famous records, and rules.

Check, Please! Book 1: # Hockey Sports Illustrated Kids

Take kids out to their very first hockey game in this adorable storybook for our youngest fans! The goalkeeper reaches and thinks he has it. But the puck goes in, He didn't catch it! SCOOOOOORE! This fun, informative, and action-packed illustrated sports book for toddlers features the game of the year: the Penguins vs. the Otters! Each spread introduces hockey terms, gear, players, and referees within the context of the story of a 3-period game between all-animal teams. Read along as the two teams face off, flick the puck across the ice, check each other (safely!) and even get penalties. Who's going to win? It will all be decided by a last-minute power

play!

Willie O'Ree Little, Brown Books for Young Readers

What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books aimed at the youngest of hockey fans?

Published through the combined efforts of the NHL, the NHLPA and Fenn/Tundra, My First NHL Books introduce preschool readers to the essential early concepts of learning through the fun and entertaining themes of hockey. Count players, sticks and Stanley cups, explore the colours of the rainbow through team logos and sweaters; look for familiar shapes amongst pucks, scoreboards and nets, and work your way through an alphabet that includes everything from A is for Arena to Z is for Zamboni, and everything hockey in between.

Hockey 123 Choose to Win

He's got one last chance to make his hockey dreams come true. Eric Fairburn was a high school golden boy. Good looking, popular, and talented enough to get chosen in the first round of the NHL draft, Eric was destined for greatness-until a car accident destroyed his dreams and

catapulted him into a downward spiral. All his hard work to get clean and turn his life around has finally paid off. He's got a try-out with Vancouver Vice hockey team.

Sure, the Vice are the worst team in the AHL, but they're also a vital stepping stone to the NHL. All Eric has to do is make the team, and he'll be right back on track. Training camp is no time for distraction. When a sultry brunette walks into his life, Eric sees her as a little harmless relaxation. After all, despite his career screw-ups, getting women has never been a problem for him. But when she disappears into the night without even leaving a name, Eric finds himself obsessing about the one who got away. He should be focusing on hockey. Yet he's drawn to her confidence and independence, believing she might be the key to fixing his own on-ice issues. Can this mystery woman help Eric overcome his past and make the team? Or will their mind-blowing chemistry derail his last chance at a hockey career?

Kids' Book of Hockey Little Genius Books

What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books

The Hockey Book for Girls Sleeping Bear Press

Next up in the fan-favorite Rookie Book series, Sports Illustrated Kids explains the coolest game in the world to its youngest fans. The puck drops, skates flash, and sticks fly-a hockey game is underway! With a fun mix of Sports Illustrated action photography, simple text, a full glossary of terms, and cool graphics, My First Book of Hockey introduces readers to the basics. Kids (and maybe a few adults, too!) will learn how power plays work, how the three-period game flows, what a hat trick

is, what's up with the referee's crease, and more. An illustrated "rookie" character appears on every page, guiding the reader moment by moment, and helping to make My First Book of Hockey an ideal shared reading experience between parents and their young rookies before, during, and after the game.

Women in Hockey FENN-TUNDRA

My First Book of Baseball, the second Rookie Book from Sports Illustrated Kids, coaches young kids through the game of baseball with a visual retelling of an actual MLB game--from the first pitch to the game winning hit! Strikes, outs, steals, foul balls, home runs and more are all explained using a fun mix of Sports Illustrated action photography, simple text with engaging graphics, and a full glossary of essential baseball terms and phrases. An illustrated rookie player character also appears on every page, providing fun facts to help the next generation of fans better understand the game. Perfect for beginning readers, My First Book of Baseball is meant to be a shared reading experience between parents and their young minor league rookies before, during, and after the ball game.
