The Normal Heart Bloomsbury Publishing

Molly Galloway is shocked to find her fifteen year marriage smashed, when she catches her husband out on the Kansas City Turnpike with another woman. She looks for help in getting over her divorce trauma from the only person she feels she can trust, and goes to Montana to visit her step grandmother Katherine, a frontier woman who helped to settle Montana. Katherine Gray tells Molly of her own tragic experiences in losing a husband, who was murdered. She also tells Molly about the man who made life difficult for her as a widow, Jim Snow. Katherine's marriage to Douglas Rigger, her knight in western garb, brings about a new mystery, as her second husband is accused of the murder of her first husband. This fast reading novel not only brings to the reader some true facts as the author at the tender age of eleven met such a pioneer woman in Montana, while visiting that state with her parents, this woman left such an impression on her that she vowed to someday write about her as one of the many brave women who went out to that state during the homesteading days to help build it and bring about its great prosperity. Her books in audio can be found in both cassettes and CD's under G B C Audio Book Publisher, web site: www.gbc-books.com

Settler and Creole Reenactment Hodder Education

This groundbreaking collection of essays on the sex industry contains original studies on sex work, its risks and benefits, and its political implications. Sex for Sale covers areas not commonly researched, including gay and lesbian pornography, telephone sex workers, customers of prostitutes, male and female escorts who work independently, street prostitution, sex tourism, legal prostitution, and strip clubs that cater to women. Sex for Sale also tracks various trends during the past decade, including the mainstreaming and growing acceptance of some types of sexual commerce and the growing criminalization of other types, such as sex trafficking. Sex for Sale offers a window into the lived experiences of sex workers as well as an analysis of the larger gender arrangements and political structures that shape the experiences of workers and their clients. This book contributes greatly to a growing research literature that documents the rich variation, nuances, and complexities in the exchange of sexual services, performances, and products. This book will change the way we understand sex work.

Truth and Reconciliation Commission of South Africa Report BoD - Books on Demand

Explores the uncalculated and incalculable elements in historical re-enactment - unexpected emotions, unplanned developments - and locates them in countries where settlers were trying to establish national identities derived from metropolitan cultures inevitably affected by the land itself and the people who had been there before them.

Evaluation Management in South Africa and Africa African Minds

As the sixties began, intense political struggles caused South Africans to stream from their country -- most without passports, money, or education. Among them were political activists, writers, students,

and musicians who over the next three decades would profoundly touch the lives of their hosts on every continent with their struggle, their culture, their unique South African dreams. One of these travelers was Mbulelo Mzamane who eloquently brings home to us their stories; the pain and joy of those who have returned with him to begin again in a new South Africa, and the pain and joy of those whose spirits now soar above the world.

Not No Place Jonathan Ball Publishers

Dramatizes the onset of the AIDS epidemic in New York City, the agonizing fight to get political and social recognition of its problems, and the toll exacted on private lives. 2 acts, 16 scenes, 13 men, 1 woman, 1 setting.

Kaffir Boy: The True Story of a Black Youth's Coming of Age in Apartheid South Africa Truth and Reconciliation Commission

From Chip Zdarsky and Jason Loo, the Eisner-winning team behind *Afterlife*, *The All-Nighter* is a story about found family and a new twist on superheroes! Welcome to *The All-Nighter*, the only diner in town where you can get coffee and a meal from sunset to sunrise! The staff are friendly (kind of) and happy to serve you (sometimes), and it would never cross their minds to drink their customers' blood... Alex is bored—flipping burgers for strangers all night is no way for a vampire to live. But he and his fellow vampires Joy, Cynthia, and Ian have agreed to blend into human society. Inspired by superhero movies, one of few passions in his un-life, Alex decides to don a cape and start fighting bad guys. But his decision will have bigger consequences than he realizes—for himself and for everyone he wants to protect. Collects issues #1-5 of *The All-Nighter*, from the ComiXology original digital series in print for the first time.

Child Abuse and Neglect David Philip Publishers

Nelson Mandela, who emerged from twenty-six years of political imprisonment to lead South Africa out of apartheid and into democracy, is perhaps the world's most admired leader, a man whose life has been led with exemplary courage and inspired conviction. Now Anthony Sampson, who has known Mandela since 1951 and has been a close observer of South Africa's political life for the last fifty years, has produced the first authorized biography, the most informed and comprehensive portrait to date of a man whose dazzling image has been difficult to penetrate. With unprecedented access to Mandela's private papers (including his prison memoir, long thought to have been lost), meticulous research, and hundreds of interviews--from Mandela himself to prison warders on Robben Island, from Walter Sisulu and Oliver Tambo to Winnie Mandela and F. W. de Klerk, and many others intimately connected to Mandela's story--Sampson has composed an enlightening and necessary story of the man behind the myth.

Mandela Asylum

The first edition of this book quickly established itself as one of the clearest and most readable introductions to generative grammar. Together with a complete introduction to the principles of Universal Grammar, it traced the major shifts of perspective that have influenced the developments of the theory over the last forty years. This revised and expanded new edition introduces students with no previous training to Transformational Grammar. Covering the framework known as Principles and Parameters as well as the more recent framework known as Minimalism, it includes a range of new exercises, making it ideal for students at all levels.

The Children of the Diaspora and Other Stories of Exile UN

They prefer dark alleys and shady hotels They are regarded as filthy and soulless. They have been called all sorts of names one can think of. They have been blamed for moral breakdown, promiscuity and the spread of HIV/Aids...among other social problems. Some call them the women of the night. Some call them prostitutes...But they simply prefer to be called sex workers. Who are these women? This book, based on a study of sex workers in a town of Mokopane, South Africa, one of the places where prostitution has grown at an astonishing rate, attempts to find out the reasons why women fall into prostitution. The book looks at circumstances surrounding prostitution, who practices it, the reasons why some women cannot resist prostitution while others don't see it as a option, benefits and potential benefits that can be derived from sex work, a view of prostitution as legalised employment within the South African labour relations context, and the social impact prostitution has in the town of Mokopane. To find out if prostitution is a scourge or a Godsend, read the harrowing stories of these women from South Africa and decide for yourself.

Tall & Dark Legare Street Press

Child maltreatment constitutes a social problem that affects all societies of the world. A recent study by the World Health Organisation points out that millions of children suffer some form of maltreatment and require medical and social attention. Therefore, child maltreatment is not a new phenomenon; it has been around since the beginning of time. Child maltreatment is recognized as an important psychopathological risk factor and is associated with poor psychological function in childhood and adolescence and adulthood. The aim of this book is to address the issue of child abuse and neglect from a multidimensional perspective. The reader will find a selection of internationally recognized works addressing the issue of child maltreatment both from theoretical and applied view.

Annual Review of Astronomy and Astrophysics AFRICAN SUN MeDIA

A unique first-person account of a black youth coming of age in Apartheid South Africa.

Trafficking in Human Beings, Especially Women and Children, in Africa Rebone Makgato
In Ruby's world, colour matters. Her opulent Johannesburg neighbourhood is a far cry from the streets of Soweto where anger and hatred simmer under the surface. She might not see colour or race, but others do, especially when she falls for an Afrikaans boy.

The Presbyterian Hymn Book [microform] Vintage

"This documents violence experienced by sex workers in South Africa, and their difficulties in reporting crimes and creating safe places to work. Sex workers also reported being sexually exploited by police and forced to pay bribes to officers."--Publisher website, viewed August 20, 2019.

Asylum I: Somethings Should Not Be Forgotten Spotlight Poets

Hans is a brilliant doctor, sent to an Asylum in the middle of nowhere to continue his post-world war experiments on the insane. Karen is a bubbly nurse whose sole intention in the world is to do good and help those that cannot help themselves. Good intentions cross into power hungry mania in this horrific tale of how all their failed experiments come back to haunt them, and how the Asylum holds its own secrets. "Asylum makes your hair stand on end. This is creepy and dark, yet incredibly fascinating. To delve into the mind of the 'scientist' at this asylum is to find sheer madness roiling in those depths, as well as utter self-delusion. The very stones of this madhouse is drenched with horror ... a clever and twisted MUST read!" Elaina J. Davidson.

Analysing Newspapers Samuel French, Inc.

This blind peer reviewed book systematically records, analyses and assesses for the first time in a single volume the implications of the global development and management of professional evaluation for the African continent. The book deals with the most strategic contemporary evaluation themes. Each of these themes contains discussions of theoretical issues illustrated with one or more short case studies, while selected longer case studies and other relevant documentation are also taken up in annexures at the end of the book. The book therefore comprises a guide to best M&E practices for purposes of systematic policy, programme and project evaluations. It is suitable for both professional M&E institutionalisation and capacity-building projects as well as for evaluation information dissemination and education at different levels in the public, private and voluntary sectors in society, especially in a developmental context.
