*Revolution Is Not a Dinner Party* Penguin UK  
 Bouncer, Ariol's rabbit classmate, is the best one at sports (even if he wears a dental device). That's just one typical detail you'll discover in the latest all-new collection of twelve delicately delightful Ariol stories. Ariol, that cute little blue donkey with the big eye glasses, whose best friend is a pig, who is hopelessly in love with a cow, while a fly is equally head-over-heels in love with him (not that he cares). Ariol's ever-expanding universe features many endearing characters that will remind you of your friends and (possibly) your enemies too. After all, Ariol's just a donkey like you and me.

**Born Wicked** Penguin UK

Breathtaking action and romance continue in the sequel to the epic *Let the Sky Fall*, from the author of the *New York Times* and *USA TODAY* bestselling *Keeper of the Lost Cities* series. Vane Weston is haunted. By the searing pull of his bond to Audra. By the lies he's told to cover for her disappearance. By the

treacherous winds that slip into his mind, trying to trap him in his worst nightmares. And as his enemies grow stronger, Vane doesn't know how much longer he can last on his own. But Audra's still running. From her past. From the Gales. Even from Vane, who she doesn't believe she deserves. And the farther she flees, the more danger she finds. She possesses the secret power her enemy craves, and protecting it might be more than she can handle—especially when she discovers Raiden's newest weapon. With the Gale Force weakened by recent attacks, and the power of four collapsing, Vane and Audra are forced to make a choice: keep trusting the failing winds, or turn to the people who've betrayed them before. But even if they survive the storms sent to destroy them, will they have anything left to hold on to?
