The first photographic tour of the surface of another planet has now been accomplished. Those who thrilled at the lunar beauty of Full Moon and the Imax smash hit, Roving Mars, will marvel at this awesome, vivid and beautiful portrait of the red planet. Jim Bell led the photography team in the historic mobile Robert mission to Mars. With his unique perspective, these images take the viewer from the brave launches of these robots to the alien landscape they discovered and the mysteries of the planet they helped to solve.

In this breakthrough book, Dychtwald explains how individuals, businesses, and governments can best prepare for a new era in which the priorities of our homes and nation will be set by the needs and desires of the elderly. He surveys how each of us must make individual decisions right now to "age-proof" our lives.
