The Making of Star Wars DK Children

FOR THE FIRST TIME IN A SINGLE VOLUME—THREE THRILLING NOVELS INPIRED BY THE BLOCKBUSTER FILMS This volume includes the following novels: Indiana Jones and the Raiders of the Lost Ark Indiana Jones and the Temple of Doom Indiana Jones and the Last Crusade With bullwhip in hand, Indiana Jones has unearthed a wealth of ancient treasures. In Raiders of the Lost Ark, the fearless archeologist journeys from Nepal to Cairo to the Mediterranean, dodging poisons, traps, and snakes, battling rivals old and new—all in pursuit of an ancient artifact that holds the key

to dazzling, invincible power. Indiana Jones and the Temple of Doom finds our intrepid hero in a remote village in India, where a mysterious old shaman tells him that his arrival has been foreseen—and that he must retrieve a stolen mystical stone. And finally, Indy must face the most challenging and personal endeavor of his life: rescue his estranged father, the eminent professor Dr. Henry Jones, from a Nazi's lair, and recover the legendary Holy Grail. Yet Indiana Jones and the Last Crusade doesn't mean the adventure is over. . . .

The Making of Alien Bantam

Who Is the Real Indiana Jones? Long before Steven Spielberg filmed the exploits of everyone's favorite fedora-wearing action hero, Indiana Jones' real-life counterparts had ventured across the world in search of archaeological treasure. Following in their

footsteps leads to that most unlikely of all destinations: Hollywood.

The Complete Making of Indiana Jones ABDO

There's no rest for the weary treasure hunter, but that's how Indiana Jones likes it. Fresh from spying for the Allies in the thick of World War II Germany, the globe-trotting archaeologist doesn't need much persuading to join his cohort "Mac" McHale in searching for one of the most coveted of artifacts: the fabled black pearl known as the Heart of Darkness. But the partners in adventure are not alone on their foray into the mysterious jungles of Haiti. German and Japanese agents are in hot pursuit, determined to possess the ebony artifact-and its secrets-for their own sinister purposes. And shadowing them all is an infamous voodoo priest, with powers of both diabolical science and black magic at his command. On a treacherous odyssey across the Island of the Dead, where the legend of the zombi looms large, spiders, snakes, and booby traps will prove the least of Indy's challenges. And capturing the prize will be child's play compared to confronting an enemy unlike any other, whose numbers are legion and nearly impossible to kill-because they're already dead.

Indiana Jones and the Mystery of Mount Sinai Lucas Books

Spanning nine decades and showcasing the most memorable songs, dazzling dancing, and brightest stars ever to grace the silver screen, *Must-See Musicals* is the guide to the greatest musicals of all time from the most trusted authority on film: Turner Classic Movies. Movie musicals have been a part of pop culture since films began to talk, over nine decades ago. From *The Jazz Singer* in 1927 all the way to *La La Land* in modern

times, musicals have sung and danced over a vast amount of territory, thrilling audiences the entire time. More than any other type of entertainment, musicals transport us to marvelous places: a Technicolor land over the rainbow in *The Wizard of Oz*; a romantic ballroom where, in *Top Hat*, Fred Astaire and Ginger Rogers dance cheek to cheek; a London theater where the Beatles perform before hysterical crowds in *A Hard Day's Night*; even to a seemingly alternate reality where eager throngs still throw rice as they watch *The Rocky Horror Picture Show*. These titles, and many more, show us that a great musical film is a timeless joy. Covering fifty of the best spanning the dawn of sound to the high-def present, *Turner Classic Movies: Must-See Musicals* -- written by renowned musical historian Richard Barrios-- is filled with lush illustrations as well as enlightening commentary and entertaining "backstage" stories about every one of these unforgettable films.

Traps and Snares Scholastic Paperbacks

A compulsively readable journey into the area of film-making where all writers, directors and stars fear to tread: Development Hell, the place where scripts are written, actors hired and sets designed... but the films rarely actually get made! Whatever happened to *Batman versus Superman*? Why have there been so many scripts written over the years for Steven Spielberg and George Lucas's still in development *Indiana Jones 4*? Why was *Lara Croft's* journey to the big screen so tortuous, and what prevented Paul Verhoeven from filming what he calls "one of the greatest scripts ever written"? Why did Ridley Scott's *Crisis in the Hot Zone* collapse days away from filming, and were the Beatles really set to star in *Lord of the Rings*? All these lost projects, and

more, are covered in this major new book, which features many exclusive new interviews with the writers and directors involved. *Raiders of the Lost Ark* DK Publishing (Dorling Kindersley) England, 1930. It begins when a gang of hooded thugs breaks into the secluded home of a modern-day witch deep in the mysterious New Forest. Stolen is a map that will lead Indiana Jones and fiery fellow archaeologist Gale Parker to an incredible discovery. Somewhere in the world is hidden an enormous hoard of gold, including ancient coins from the time of Christ . . . coins meant to spread Christianity. With the aid of a young mistress of Wicca, the age-old religion of white witchcraft, Indy and Gale risk their lives on a round-the-world quest for the long-lost treasures. Racing them to find it is a cunning and ruthless criminal mastermind who has set his sights on world domination. But Indy and Gale have formidable weapons: the powers of Wicca, the sword of the legendary Merlin, and Indy's own adventurous brand of magic.

Indiana Jones and the Kingdom of the Crystal Skull Titan Books (UK)

Coinciding with the thirtieth anniversary of the first Star Wars film and including long-lost interviews and photos, a work written by a Lucasfilm staff member reveals the challenges and dramas behind the movie's creation.

Indiana Jones and the Secret of the Sphinx Running Press Adult

Indy is ready and able to do what it takes to preserve artifacts of history's most significant happenings.

Indiana Jones and the Genesis Deluge Ballantine Group
Raiders of the Lost Ark! Indiana Jones and the Temple of Doom!

Indiana Jones and the Last Crusade! These are three of the biggest blockbusters of all time. Now George Lucas, Steven Spielberg and Harrison Ford are teaming up for Indiana Jones 4-due in theatres May 22, 2008. What's the movie about? Who cares! Fans will be packing the theatres no matter what. The Indiana Jones Handbook follows in the grand tradition of The Batman Handbook, The Superman Handbook and The Spider-Man Handbook-but with an all-new four-colour format that highlights some of the greatest moments in the films. Readers will learn everything a modern archaeologist needs to know, including:
*How to ride an elephant*How to identify booby traps*How to fend off a gang of swordsmen*How to blend into foreign cultures*How to avoid the wrath of God*And much, much more!

The Lost Journal of Indiana Jones Ballantine Group

Having barely survived a hair-raising archaeological dig in Tikal, Guatemala, Indiana Jones has returned to New York just in time to get caught up in a controversy. The mysterious writings of Colonel Percy Fawcett, a missing British explorer, have turned up, and what they describe could revolutionize history--and make or break several scientific reputations. For Percy paints a tantalizing picture of a lost city in the Brazilian jungle, and a mythical redheaded race who may be the descendants of ancient Celtic Druids. No one loves mystery or adventure more than Indiana Jones. So with his trusty bullwhip in hand and the lovely Deirdre Campbell firmly in tow, he sets out for the wilds of the Amazon. But Indy has more enemies than he knows, including a bunch of hard-nosed thugs and a cannibalistic Indian tribe that is out to make him instant history. And if he survives what they throw in his path, there's still the fabled city itself . . . where the

inhabitants practice the magic of the "seven veils" and no one leaves alive!

The Young Indiana Jones Chronicles Gallery Books

Indiana Jones and the Temple of Doom brings you non-stop thrills and excitement like nothing you've ever experienced. Indy, his sidekick Short Round, and nightclub singer Willie Scott go from high-flying action above the Himalayas to a nail-biting runaway mine car chase and finally a spine-tingling escape from a fortress-like mine in India. Hang on tight as the world's ultimate action hero takes you on a heart-pumping roller-coaster ride of adventure that's guaranteed to keep you on the edge of your seat.

Indiana Jones and the Temple of Doom Bantam

A Wash in Evil London, 1927. Since losing his beloved in the Amazon a year ago, Indiana Jones has settled down with his Ph.D. and taught Celtic archaeology, thinking he has left adventure behind. Yet Indy is rather tempted when a wild-eyed Russian doctor, Vladimir Zabolotsky, tries to recruit him for an expedition to search for Noah's Ark . . . and he finally takes up the dangerous quest after meeting Vladimir's alluring daughter, Katrina. They have set out for Istanbul and then Mount Ararat, the fabled location of Noah's Ark, when trouble erupts. Kremlin agents, Sicilian "enforcers," and Turkish bandits all attempt to bar Vladimir, Katrina, and Indiana Jones from the archaeological find of the century . . . and from a certain 950-year-old boatbuilder.

Jaws: Memories from Martha's Vineyard Houghton Mifflin Harcourt
George Orwell's famous satire of the Soviet Union, in which "all animals are equal but some animals are more equal than others."

The Art of Horror Random House Worlds

This enhanced eBook transforms The Making of Star Wars into an immersive multimedia experience worthy of the original film. It features exclusive content pulled from the Lucasfilm archives by author J. W. Rinzler: • 26 minutes of rare behind-the-scenes video* • 29 minutes of rare audio interviews with the cast and crew • New bonus photos and artwork not found in the print edition After the 1973 success of American Graffiti, filmmaker George Lucas made the fateful decision to pursue a longtime dream project: a space fantasy movie unlike any ever produced. Lucas envisioned a swashbuckling SF saga inspired by the Flash Gordon serials, classic American westerns, the epic cinema of Japanese auteur Akira Kurosawa, and mythological heroes. Its original title: The Star Wars. The rest is history, and how it was made is a story as entertaining and exciting as the movie that has enthralled millions for more than thirty years—a story that has never been told as it was meant to be. Until now. Using his unprecedented access to the Lucasfilm Archives and its trove of “lost” interviews, photos, production notes, factoids, and anecdotes, Star Wars scholar J. W. Rinzler hurtles readers back in time for a one-of-a-kind behind-the-scenes look at the nearly decade-long quest of George Lucas and his key collaborators to make the “little” movie that became a phenomenon. It’s all here: • the evolution of the now-classic story and characters—including “Annikin Starkiller” and “a huge green-skinned monster with no nose and large gills” named Han Solo • excerpts from George Lucas’s numerous, ever-morphing script drafts • the birth of Industrial Light & Magic, the special-effects company that revolutionized Hollywood filmmaking • the studio-hopping and budget battles that nearly scuttled the entire project • the

director's early casting saga, which might have led to a film spoken mostly in Japanese—including the intensive auditions that won the cast members their roles and made them legends • the grueling, nearly catastrophic location shoot in Tunisia and the subsequent breakneck dash at Elstree Studios in London • the who's who of young film rebels who pitched in to help—including Francis Ford Coppola, Steven Spielberg, and Brian DePalma But perhaps most exciting, and rarest of all, are the interviews conducted before and during production and immediately after the release of Star Wars—in which George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Sir Alec Guinness, Anthony Daniels, composer John Williams, effects masters Dennis Muren, Richard Edlund, and John Dykstra, Phil Tippett, Rick Baker, legendary production designer John Barry, and a host of others share their fascinating tales from the trenches and candid opinions of the film that would ultimately change their lives. No matter how you view the spectrum of this phenomenon, *The Making of Star Wars* stands as a crucial document—rich in fascination and revelation—of a genuine cinematic and cultural touchstone.

The Making of Star Wars (Enhanced Edition) Random House Books for Young Readers

Early July, 1941. Indiana Jones's luck has finally run out. He's stuck in jail in Puerto Bolivar, Ecuador, with one failed escape already under his belt. And when Colonel Musgrove of the US Army comes knocking with an official release, Indy's not sure his situation has improved. After all, he's been burned by Musgrove before. The Ark of the Covenant never did find its way into any museum--or anywhere else, as far as Indy can tell. And when Indy finds out that the Colonel was behind his bogus arrest to begin with, he trusts him even less. But Indy doesn't exactly have much of a choice. So he strikes a deal with Musgrove and sets out on the trail of the fabled Hall of Records. But he's not the only one. Indy will have to outsmart and outmaneuver his enemies--but first, he'll have to figure out exactly who his enemies are....

Indiana Jones and the Tomb of the Gods Pulp Hero Press
This enhanced eBook transforms *The Making of Star Wars: The Empire Strikes Back* into an immersive multimedia experience worthy of the original film. It features exclusive content pulled from the Lucasfilm archives by author J. W. Rinzler: • 28 minutes of rare behind-the-scenes video* • 29 minutes of rare audio interviews with the cast and crew • New bonus photos and artwork not found in the print edition In this lavish thirtieth-anniversary tribute to the blockbuster film *Star Wars: Episode V*

The Empire Strikes Back, New York Times bestselling author J. W. Rinzler draws back the curtain to reveal the intense drama and magnificent wizardry behind the hit movie—arguably the fan favorite of the Star Wars Saga. Following his *The Making of Star Wars*, the author has once again made use of his unlimited access to the Lucasfilm Archives and its hidden treasures of interviews, photos, artwork, and production mementos. The result is a comprehensive behind-the-scenes, up-close-and-personal look at the trials and triumphs, risks and close calls, inspiration, perspiration, and imagination that went into every facet of this cinematic masterpiece. Here's the inside scoop on:

- the evolution of the script, from story conference and treatment to fifth draft, as conceived, written, and rewritten by George Lucas, famed science-fiction author Leigh Brackett, and screenwriter Lawrence Kasdan
- the development of new key characters, including roguish hero Lando Calrissian, sinister bounty hunter Boba Fett, and iconic Jedi Master Yoda
- the challenges of shooting the epic ice planet battle in the frozen reaches of Norway and of conjuring up convincing creatures and craft—from tauntauns and snowspeeders to Imperial walkers
- the

construction of a life-sized Millennium Falcon and the swamp planet Dagobah inside a specially built soundstage in Elstree Studios

- the technique behind master Muppeteer Frank Oz's breathing life into the breakthrough character Yoda
- the creation of the new, improved Industrial Light & Magic visual effects facility and the founding of the now-legendary Skywalker Ranch

In addition, of course, are rare on-the-scene interviews with all the major players: actors Mark Hamill, Harrison Ford, Carrie Fisher, Billy Dee Williams, Anthony Daniels, Peter Mayhew, and David Prowse; director Irvin Kershner; producer Gary Kurtz; effects specialists Richard Edlund, Dennis Muren, Ken Ralston, and Phil Tippett; composer John Williams; and many others. Punctuating the epic account is a bounty of drawings, storyboards, and paintings by Ralph McQuarrie, Joe Johnston, and Ivor Beddoes, along with classic and rare production photos. An added bonus is a Foreword by acclaimed director Ridley Scott. *The Making of Star Wars: The Empire Strikes Back* is a fittingly glorious celebration of an undisputed space-fantasy movie milestone. Search your feelings, you know it to be true. *Video may not play on all readers. Please check your user manual for details.
