EMILIE KLEIN

Principles of Management Sultan Chand & Sons

About the Book: Of late, academicians of technical education have felt the importance of "Management" and "Entrepreneurship". Engineers need to manage their departments/sections/subordinates, and Entrepreneurship helps the large pool of technical manpower in developing small-scale industries in high tech areas thereby contributing to the economy of the country. This book covers both 'Management' and 'Entrepreneurship'. The first chapters of this book deal with Management, Planning, Organizing and Staffing, Directing and Controlling. The last four chapters deal with Entrepreneurship, Small-Scale Industries, Institutional support and Project formulation. Adequate number of simple examples with which the students are familiar are included in each chapter. In addition, each chapter contains student learning activities to give the readers a chance to enhance the learning process. Though the book is written keeping in mind the syllabus of Visvesvaraya Technological University, yet it is useful for B.Com, BBM, DBM, PGDBM and MBA students also. Contents: Management Planning Organizing and Staffing Directing and Controlling Entrepreneurship Small-Scale Industries Institutional Support Preparation of Project.

Company Law & Secretarial Practice, N.D. Kapoor PHI Learning Pvt. Ltd.

Despite dire warnings about global warming, carbon emissions by the world's largest companies are increasing and only a few companies have strategies for managing carbon emissions and water resources. So what separates the best from the rest? In one word, the answer is ownership: companies that are winning at sustainability have created the conditions for their stakeholders to own sustainability and reap the benefits that come with deeper experience with and ownership of social and environmental issues: a happier, more productive workforce, increased customer loyalty, higher stock valuations, and greater long-term profits. Based on interviews with 25 global multinational corporations as well as employees, middle managers, and senior leaders across multiple sectors, this is the first book to connect sustainability to the theory and principles of psychological ownership and to propose a succinct, easy-to-digest model for managerial use. Watch the author talking about the themes in the book at the TedX: <https://www.youtube.com/watch?v=7XpmsD2b76U>

Business Organisation - SBPD Publications Goyal Brothers Prakashan

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Contributing Authors David S. Bright, Wright State University Anastasia H. Cortes,

Virginia Tech University Eva Hartmann, University of Richmond K. Praveen Parboteeah, University of Wisconsin-Whitewater Jon L. Pierce, University of Minnesota-Duluth Monique Reece Amit Shah, Frostburg State University Siri Terjesen, American University Joseph Weiss, Bentley University Margaret A. White, Oklahoma State University Donald G. Gardner, University of Colorado-Colorado Springs Jason Lambert, Texas Woman's University Laura M. Leduc, James Madison University Joy Leopold, Webster University Jeffrey Muldoon, Emporia State University James S. O'Rourke, University of Notre Dame

Special Financial Institutions.

Business Law Sultan Chand & Sons

“Only if you could hear my iced lips, Only if you could love me without the trips...” Sense the warmth of love through your soul that dwells inside you irrespective of darker and lighter shades of someone, who makes you feel blissful in between all the hustle. The pious love is something that is everlasting and exists even between that minimal space between your bones. The love that began with the first kiss, the love that was never meant to be, the love that broke hearts, the love that shattered dreams, the love that remained incomplete, the love that was all about happily ever after and the love that will keep the world revolving. “Till Grey” presents an amalgamation of open genre write-ups where the soul of authors from different spheres of life bleeds through their pen on the theme “Everlasting Love”. With hues of love, splashes of sorrow and tinge of heartbreak, the book invigorates the spirit of never giving up on someone you love. For, the passionate and eternal love is beyond all reason.

Contemporary Management S. Chand Publishing

The present book has been especially designed and written as per the BBA Course (Paper No. 302: Business Policy & Strategy) of Guru Gobind Singh Indraprastha University, Delhi.

Management And Organisation SBPD Publications

The Seventh Revised Edition of “Business Law” as per Tamil Nadu University syllabus for all BBA, B.Com. students. The new edition, like its predecessors, attempts to present the basic principles of Law in a way that makes the subject easily intelligible even to a non-specialist. This object has been achieved by dividing into IV units: Unit I – The Indian Contract Act consists of 157 Illustrative Cases, 213 Test Questions, 326 Practical Problems (with Hints and Solutions), 174 Multiple-choice Questions, 194 True & False Questions and 644 Examples with the idea of testing the depth of knowledge of the reader, basic understanding of concepts and his ability to apply whatever he has learnt to a particular situation or problem. Unit II – The Sale of Goods Act, 1930. Unit III – Law Relating to The Indian Partnership Act, 1932 and The Limited Liability Partnership Act, 2008. It facilitate the reader in understanding the Nature of Partnership, Relations of Partners & Dissolution of Firm followed by a chapter on ‘Limited Liability Partnership’ popularly known as LLP has been added in the present edition. LLP combines the advantage of both the Company and Partnership into a single form of organization. The Limited Liability Partnership Act, 2008 was published in Official Gazette of India on 9th January, 2009 and has been notified with effect from 31st March, 2009. Unit IV – The Companies Act, 2013 as Amended upto 2019. The Companies Act, 2013 (Schedules) which has been thoroughly updated and amended upto 2019 to our esteemed readers.

Business Organisation & Management (According To NEP - 2020) spectrum of thoughts

Despite the complications faced by the common man in implementation of GST in their concerned organizations as well as gaining an understanding of the new taxation system put in place, an attempt has been made to provide an insight to the taxation system introduced by the Government effective from 1st July, 2017. All the acts, rules, notifications, circulars and other relevant text have been compiled in a meticulous and methodical manner with the sole purpose of providing an insight to the readers. We have made an attempt to transform technicalities in legal provisions into simplified analysis thereby providing the readers a wholistic insight on each topic covered under several chapters compiled in this book. Series of illustrations, FAQs, MCQs, unsolved problems under the heading of knowledge testers incorporated in each chapter is devised in a way to maximize the understanding of readers on each topic with ease.

I.C.S.E. Commercial Applications for Class IX SBPD Publications

This Book lays particular emphasis on managerial uses of cost information. Although written mainly from the point of view of students taking up the university examinations to qualify themselves for a degree in commerce, the book will be highly useful to those interested in the various professional examinations, too. The practicing business manager will find the book to be very useful guide in his attempt at making efficient and economical use of the relatively scarce resources.
