EMILIE MCCANN

Antineoplastons Simon and Schuster
 The history of the Western Front and the First World War is one of battles of attrition against an entrenched enemy, with terrible casualties suffered by both sides in some of the worst fighting ever. In this history the picture has emerged of British generals remote and detached from the reality of the trenches who repeatedly sent their men to die in pointless attacks against the enemy. This book, by the renowned historian of the First World War John Terraine, scrupulously researched and brilliantly written, takes a more objective and accurate approach to the figure of Haig - the supreme commander of the British Army - and to the history of the War.

Douglas Haig, the Educated Soldier Honey Bear Books
 Personal stories from the Great War of 1914-1918.

The Aerodrome of Democracy iUniverse
 We live in tough times, and it seems many are unhappy with their circumstances in society, at work, or at home. Instead of taking action, we complain and wait for someone else to do something about it. Instead of changing ourselves, we hope others will take responsibility. Instead of actively living our dreams, we wait for the perfect moment. Unfortunately, that moment will never come. Author Ilja Grzeskowitz has declared war on this passive wait-and-see approach. In *Think it. Do it. Change it.*, he offers a plan for overcoming the fear of change. Grzeskowitz, who helps organizations all over the world to create a culture of change, details his step-by-step approach to dreaming big, acting boldly, and getting the results you want. He shows you how motivation really works, why the fear of change is actually your best friend, and which two words have the potential to change your entire life. Grzeskowitz reveals the biggest motivational myths, announces the comeback of values, and shows you the most important characteristic that will help you to actively implement the necessary changes in business and in life. *Think it. Do it. Change it.* helps you live a life characterized by possibilities rather than limitations.

Annual Report of the Chief Weidenfeld & Nicolson

Bogen handler om kamppiloter - primært britiske - under 1. Verdenskrig, herunder rekruttering af dem, deres flyveuddannelse, deres operative aktiviteter under krigen, det psykiske pres de var udsat for og udviklingen efter krigen.

The Campaign in Mesopotamia 1914-1918 Mango

Biographical profiles written especially for young readers ages 9 and above.

The First of the Few Simon & Schuster

"This is the colorful and dramatic biography of two of America's most controversial entrepreneurs: Moses Louis Annenberg, 'the racing wire king,' who built his fortune in racketeering, invested it in publishing, and lost much of it in the biggest tax evasion case in United States history; and his son, Walter, launcher of TV Guide and Seventeen magazines and former ambassador to Great Britain."--Jacket.

The Changemaker Mindset John Wiley & Sons

From Simon & Schuster, *Quality of Earnings* is an investor's guide to how much money a company is really making. From Thornton L. O'glove, *Quality of Earnings* is an indispensable guide to determining how much money a company is really making and for buying and selling stocks without making costly blunders.

The September 11 Terrorist Attacks Omnigraphics

All four books are designed specifically to teach and reinforce basic concepts for preschool through early elementary school children.

Think It. Do It. Change It. Canadian Government Publishing
 Personality is the Key to Professional Success
 Personal relationships are key to success: In a time when workplaces are becoming more digital and more automated every day, our mindsets and our personal relationships will determine whether

we succeed in tomorrow's markets. We all have one shot to make a lasting impact. Innovators with the changemaker mindset know how to see that opportunity when it comes and make it matter.

The human success factor: In the coming years, the human success factor will determine who is among the winners and who is among the losers. All business adventures start with a focus on the self. When you know who you are and develop a deep sense of confidence in yourself, you'll have the flexibility to roll with the punches. Change comes from within: Whether your goal is to lead a self-determined life, position your company for the future, or be a successful part of a team, external change starts with internal transformation. With *The Changemaker Mindset*, you'll master the three Ps of personal development: Purpose. Reconsider what motivates you and find your non-negotiable core principles.

People. Build a strong inner circle of peers, because nobody wins alone. **Persistence.** Develop the confidence to take action, navigate setbacks, and implement change. Readers who liked *The 7 Habits of Highly Effective People* by Stephen Covey, *Leading Change* by John Kotter, and *The Innovator's Dilemma: When New Technologies Cause Great Firms to Fail* by Clayton Christensen will love this new approach to effective business management from personal development.

A Phonetic Dictionary of the English Language

A memoir by a WWI fighter pilot, with the adventurous spirit of *War Horse* and the charm of *The Little Prince* A singular, lyrical book, *Sagittarius Rising* is at once an exuberant memoir from the Lost Generation and a riveting tale of the early days of flight during World War I. Cecil Lewis lied his way into the British Army's Royal Flying Corps at age sixteen and was ordered to a squadron on the Western Front only a year later. At the time, flying was so new that designers hadn't even decided on basic mechanics such as how many wings a plane should have. Despite this, Lewis mastered virtually every kind of single-engine plane in the RFC, going on to excel in active duty and even to dogfight the Red Baron—and live to tell the tale. Full of infectious charm and

written with the prose and pacing of a novel, *Sagittarius Rising* beautifully recounts Lewis's harrowing exploits in the sky alongside his wild times of partying and chasing girls while on leave in London. His coming-of-age story is unlike any other WWI memoir you've read before. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
