SANTIAGO LACEY

Song of the Greys
Infobase Publishing
STOPMOUTH AND HIS
family know of no other
life than the daily
battle to survive. To
live, they must hunt
rival species, or
negotiate flesh-trade

with those who crave
meat of the freshest
human kind. It is a
savage, desperate
existence. And for
Stopmouth, considered
slowwitted hunt-fodder
by his tribe, the future
looks especially bleak.
But then, on the day he
is callously betrayed by
his brother, a strange
and beautiful woman
falls from the sky. It is

a moment that will change his destiny, and that of all humanity, forever. With echoes of Tarzan, Conan the Barbarian, and The Truman Show, Peadar Ó Guilín's debut is an action—and idea-packed—blockbuster that will challenge your perceptions of humanity and leave you hungry for more. William Golding The Song of the Greys In 1953, William Golding was a provincial schoolteacher writing books on his breaks, lunch hours and holidays. His work had been rejected by every major publisher—until an editor at Faber and Faber pulled his manuscript off the rejection pile. This was to become Lord of the Flies, a book that would sell in the

millions and bring Golding worldwide recognition. Golding went on to become one of the most popular and influential British authors to have emerged since World War II. He received the Booker Prize for the novel Rites of Passage in 1980, and the Nobel Prize for Literature in 1983. Stephen King has stated that the Castle Rock in Lord of the Flies continues to inspire him, so much so that he named his entertainment company after it and has placed the Golding novel prominently in his novels Hearts in Atlantis and Cujo. Golding has been called a British Vonnegut—disheveled and darkly humorous, perverse when it would have been easier to be bitter, bitter when it

would have been easier to be lazy, sometimes more disturbing than he is palatable and above all fascinating beyond measure. Yet despite the fame and acclaim, the renowned author saw himself as a monster—a reclusive depressive ruled by his fears and a man who battled alcoholism throughout his life. In addition to being a schoolteacher, Golding was a scientist, a sailor and a poet before becoming a bestselling author, and his embitterment and alienation, his family, the women in his past, along with his experiences in the war, inform his work. This is the first book to unpack the life and character of a man whose entire oeuvre dealt with the conflict

between light and dark in the human soul, tracing the defects of society back to the defects of human nature itself. Drawing almost entirely on materials that have never before been made public, John Carey sheds new light on Golding. Through his exclusive access to Golding's family, Carey uses hundreds of letters, unpublished works and Golding's intimate journals to draw a revelatory and definitive portrait. An acclaimed critic, Carey enriches crucially our appreciation of the literary work of Golding, bringing us, as the best literary biographies do, back to the books. And with equal parts lyricism and driving emotion, Carey brings to light a life that is

extraordinary to the point of transcendent and a writer who trusted the imagination above all things.

R.I.P Penguin

An in-depth analysis of William Golding, his writings, and the historical time period in which they were written.

Pog Macmillan

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult

supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

They Came from

SW19 Houghton Mifflin Harcourt

Presents an introduction to the ideas of major Western philosophers, including Aristotle, Augustine, John Locke, and Karl Marx.

The Inferior

Createspace Independent Publishing Platform

With sparkling wit and occasional pathos, Pepin tells the captivating story of his

rise from a terrified 13-year-old toiling in an Old World French kitchen to an American culinary superstar.

William Golding's Lord of the Flies Bloomsbury Publishing

Three boys, fifteen-year-old Ralph Rover (the narrator), eighteen-year-old Jack Martin and fourteen-year-old Peterkin Gay, are the sole survivors of a shipwreck on the coral reef of a large but uninhabited Polynesian island. At first their life on the island is idyllic; food, in the shape of fruits, fish and wild pigs, is plentiful, and using their only possessions; a broken telescope, an iron-bound oar and a small axe, they fashion a shelter and even construct a small boat. Their first contact with other people comes

after several months when they observe two large outrigger canoes land on the beach. The two groups are engaged in battle and the three boys intervene to successfully defeat the attacking party, earning the gratitude of the chief Tararo. The Polynesians leave and the three boys are alone once more. Then more unwelcome visitors arrive in the shape of pirates, who make a living trading, or stealing, sandalwood. The three boys conceal themselves in a hidden cave, but Ralph is captured when he sets out to see if the pirates have left, and is taken aboard the pirate schooner. Ralph strikes up an unexpected friendship with one of the pirates, "Bloody

Bill", and when they call at an island to trade for more wood he meets Tararo again. On the island he sees all facets of island life, including the popular sport of surfing, as well as the practice of infanticide and cannibalism. Rising tension leads to an attack by the inhabitants on the pirates, leaving only Ralph alive and Bloody Bill mortally wounded. However they manage to make their escape in the schooner. After Bill dies, making a death-bed repentance for his evil life, Ralph manages to sail back to the Coral Island to be re-united with his friends.

The Inheritors

Marshall Cavendish
A plane crashes on a desert island and the only survivors, a group

of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom

activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

The Coral Island

Constable
Encompassing three continents and spanning over sixty years, bestselling author Jeffrey Archer's *As the Crow Flies* brings to life a magnificent tale of one

man's rise from rags to riches set against the backdrop of a changing century. Growing up in the slums of East End London, Charlie Trumper dreams of someday running his grandfather's fruit and vegetable barrow. That day comes suddenly when his grandfather dies leaving him the floundering business. With the help of Becky Salmon, an enterprising young woman, Charlie sets out to make a name for himself as "The Honest Trader". But the brutal onset of World War I takes Charlie far from home and into the path of a dangerous enemy whose legacy of evil follows Charlie and his family for generations. [Abigail/1702](#) Houghton Mifflin Harcourt
With an introduction by Meg Rosoff William

Golding's final novel, left in draft at his death, tells the story of a priestess of Apollo. Arieka is one of the last to prophesy at Delphi, in the shadowy years when the Romans were securing their grip on the tribes and cities of Greece. The plain, unloved daughter of a local grandee, she is rescued from the contempt and neglect of her family by her Delphic role. Her ambiguous attitude to the god and her belief in him seem to move in parallel with the decline of the god himself - but things are more complicated than they appear. 'A remarkable work ... A compelling storyteller as well as a clear-eyed philosopher of the dangerous puzzles of being human.' The Times 'A wonderful

central character. The story stretches out as clean and dry and clear as the beach in Lord of the Flies.' Independent 'Feline, deadpan and at moments hilarious.'

The most embarrassing dad in the world is back in this hilarious series for girls from TV and radio-comedy writing talent, Nigel Smith.

Lord of the Flies Centenary Edition

Simon and Schuster
Retired bank manager George Pearmain is, apparently, dead. According to the behaviour of everyone around him, it would seem that he is no more. Not only that, but his mother has also passed away too - and on the eve of her 99th year, poor dear. Not

only that, it could be that they were both murdered. He feels fine otherwise. As George's family gather for the birthday-celebration-that-never-was, he hovers around the house, watching and listening, entirely unseen. As a result, he makes all sorts of discoveries about himself, his wife Esmeralda and his supposedly happy family . . . Screamingly funny and strange, it asks the question: What if you could bear witness to your own demise?

Lord of the Flies

David Fickling Books
Phil and Ted, out of work actors in their late fifties, share a flat, share a beer and share a joke. But is it the same joke? And why does the possibility of a blind date send them

into a flat spin? *Bitter with a Twist* is a hilarious black comedy where fantasy and reality collide with frightening consequences.

Bitter with a Twist

Simon and Schuster
I don't know if you'll ever love me as much as I love you, but one day you'll understand why I've done this to you. Doris, born illegitimate in 1900, exchanges her budding teaching career for marriage and motherhood. When the war is over, her daughter Margaret marries an American and has Jackie, who becomes an archetypal 60s rebel. When Jackie can't face being a single mother, it is decided that baby Rosie will be brought up as Margaret's own. That's the plan anyway

. . . Charlotte Keatley's award-winning play is a moving exploration of the relationships between mothers and daughters, and the consequences of breaking the most sacred taboo of motherhood. My Mother Said I Never Should is about the choices we make which determine the course of our lives and how it is never too late to change. This edition was published to coincide with the revival of the play at the St James Theatre, London, in 2016, starring Maureen Lipman and Katie Brayben.

My Mother Said I Never Should National Geographic Books

Nigel Williams returns with a poignant comic portrait of four marriages: a caustic

satire of suburban intrigue, tainted love and late-flowering lust.

Discusses the writing of Lord of the flies by William Golding. Includes critical essays on the work and a brief biography of the author.

Lord of the Flies Book Discussion Kit

Penguin

The classic novel by William Golding With a new Introduction by Stephen King "To me Lord of the Flies has always represented what novels are for, what makes them indispensable." - Stephen King

Golding's classic, startling, and perennially bestselling portrait of human nature remains as provocative today as when it was first

published. This beautiful new edition features French flaps and rough fronts, making it a must-have for fans of this seminal work. William Golding's compelling story about a group of very ordinary small boys marooned on a coral island has become a modern classic. At first it seems as though it is all going to be great fun; but the fun before long becomes furious and life on the island turns into a nightmare of panic and death. As ordinary standards of behaviour collapse, the whole world the boys know collapses with them—the world of cricket and homework and adventure stories—and another world is revealed beneath, primitive and terrible. *Lord of the Flies* remains as

provocative today as when it was first published in 1954, igniting passionate debate with its startling, brutal portrait of human nature. Though critically acclaimed, it was largely ignored upon its initial publication. Yet soon it became a cult favorite among both students and literary critics who compared it to J.D. Salinger's *The Catcher in the Rye* in its influence on modern thought and literature. Labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, even a vision of the apocalypse, *Lord of the Flies* has established itself as a true classic. **The Apprentice St.** Martin's Paperbacks In this tale of New England witchery, it is

ten years after the harrowing and tragic events of the Salem witch trials. Abigail Williams—the lead accuser who sent twenty people to their doom as a young girl—now lives under an assumed name on the outskirts of Boston, quietly striving to atone for her sins. When a handsome stranger arrives claiming to be a sailor in need, Abigail takes him in, and long-dormant passions awaken within her. Love starts to grow between the two—an unlikely flower cracking through salty earth. But their contentment is short-lived, for someone else is coming for Abigail, someone who has been looking for her since she danced in the weird woods of Salem.

The Devil is demanding Abigail's soul, and a debt will be paid—but first, Abigail must make peace with the woman she most wronged...

Lord of the Flies

Thomas Nelson and Sons

The adorable tale of a family of mice stowaways on an adventurous ship's journey In the beloved tradition of *The Borrowers*, *The Tale of Despereaux*, and *The Cricket in Times Square*, here is an irresistible adventure story about the tiny creatures who secretly live among us humans, as only Newbery Medal winner Richard Peck could imagine it. Set on a grand cruise ship to England in 1887, this beautifully illustrated tale of a charming family of mice is full of

laughs, near misses,
and surprises. Multiple-
