Singing to the Lyre in
Renaissance Italy

Routledge

Modern Naples is a city teeming with contradictions. A chaotic metropolis in which modernity collides with history, it is also a frenetic port city whose inhabitants are as volatile as the city itself. From this rough mix Parrella has drawn the four exceptional novellas that comprise *For Grace Received*. The stories in his collection represent some of the finest short fiction to have emerged from Italy in recent years. This is the UK debut of a remarkable new literary talent.

Che una buona alimentazione sia fondamentale per la salute lo si sa da sempre; in che misura lo sia, e perché, è oggetto e patrimonio della ricerca scientifica, i cui risultati trovano oggi sempre maggiore risonanza nei media e rispondenza nella sensibilità delle persone. Con gli alimenti si può non solo fare prevenzione ma persino curare, nel senso etimologico del «prendersi cura»; è questo il campo di una nuova disciplina, la «nutraceutica», in cui s'incontrano «nutrizione» e «farmaceutica». Scritto da un ricercatore che da anni studia l'impatto delle diverse sostanze sulle nostre cellule, questo libro risponde alla domanda fondamentale di chiunque si avvicini al tema «alimentazione e salute»:

Quali sono gli alimenti che «curano» di più e meglio? Ecco allora i Magnifici 20, famiglie tanto assortite quanto ricche di virtù, che si tratti di vitamine, minerali, acidi grassi... ma generose anche di colori, sapori, profumi e consistenze. E siccome, oltre a essere uno scienziato, il nostro autore è appassionato di cucina e instancabile sperimentatore tra i fornelli, scopriremo che i Magnifici 20 non sono «buoni» solo perché fanno bene: diventano cibi, e si trasformano in bontà.

Three friends, their schoolgrounds, a secret. And fifteen years later, the discovery that they all thought there was only one secret, but each had their own. And there was one more, bigger than the others, that none were aware of. This is Zerocalcare's second graphic novel, the one that made him stand out as an intelligent, delicate, merciless narrator when it comes to describing his own weaknesses, which may be everyone's. A complete story in three parts at different times in the coming of age of young Calcare; three moments that have in common the all-too-familiar feeling of having tentacles at the throat.

The New York Times Bestselling Book--Great gift for Foodies "The best, funniest, most revealing inside look at the restaurant biz since Anthony Bourdain's Kitchen Confidential."

—Jay McInerney With a foreword by Mario Batali Joe Bastianich is unquestionably one of the most successful restaurateurs in America—if not the world. So how did a nice Italian boy from Queens turn his passion for food and wine into an empire? In *Restaurant Man*, Joe charts a remarkable journey that first began in his parents' neighborhood eatery. Along the way, he shares fascinating stories about his establishments and his superstar chef partners—his mother, Lidia Bastianich, and Mario Batali. Ever since Anthony Bourdain whet literary palates with *Kitchen Confidential*, restaurant memoirs have been mainstays of the bestseller lists. Serving up equal parts rock 'n' roll and hard-ass business reality, *Restaurant Man* is a compelling ragu-to-riches chronicle that foodies and aspiring restaurateurs alike will be hankering to read.

La santé vient en mangeant. C'est le credo de Marco Bianchi, qui consacre depuis toujours son travail à la prévention médicale. Bien manger pour être en bonne santé, mais aussi pour guérir son corps et soigner son moral. Cet ouvrage présente 20 familles d'aliments en fonction de leurs bienfaits pour la santé. Chaque chapitre est consacré à un groupe d'aliments : quinoa, germes, algues, condiments, épices, aulx, choux, légumes verts, épinards, tomates, légumes orange, légumineuses, poissons, agrumes, aliments rouges, raisin, dattes, malt et chocolat. Des descriptions simples et instructives sur les apports nutritionnels de ces aliments « magiques » et leur action sur l'organisme. Des recettes pour mieux tirer profit des qualités de ces aliments. Un glossaire des nutriments et des définitions des concepts

scientifiques à la fin du livre.

From a two-time Olympic coach and creator of the Pose Method who has trained the running elite, an essential guide for all runners seeking to go faster and farther without injury Christopher McDougall's *Born to Run*—and the wildly popular natural running trend it sparked—changed the way we think about running, but it has also prompted many questions: Have we been running the wrong way? And, have we been running in the wrong kind of shoe? What is the safest type of foot strike? How many types are there? And what is a foot strike anyway? No existing guide has clearly addressed these concerns—until now. *The Running Revolution* provides both beginning and experienced runners with everything they need to know in order to safely and efficiently transition to and master a safer and more biomechanically efficient way of running that is guaranteed to improve performance and minimize wear and tear on the body. More than a one-size-fits-all guide, *The*

Running Revolution provides readers with clear instructions, complete with helpful illustrations, that they can easily integrate into their unique running histories in order to run safely, intelligently, and efficiently for many years to come.

Feudal Society Random House Trade Paperbacks Not so long ago Emilio Brentani was a promising young author. Now he is an insurance agent on the fast track to forty. He gains a new lease on life, though, when he falls for the young and gorgeous Angiolina—except that his angel just happens to be an unapologetic cheat. But what begins as a comedy of infatuated misunderstanding ends in tragedy, as Emilio's jealous persistence in his folly—against his friends' and devoted sister's advice, and even his own best knowledge—leads to the loss of the one person who, too late, he realizes he truly loves. Marked by deep humanity and earthy humor, by psychological insight and an elegant simplicity of style, *As a Man Grows Older* (Senilità, in Italian; the English title was the suggestion of Svevo's great friend and admirer, James Joyce) is a brilliant study of hopeless

love and hapless indecision. It is a masterwork of Italian literature, here beautifully rendered into English in Beryl de Zoete's classic translation.—Print ed. "The poem of our complex modern madness."—EUGENIO MONTALE "Svevo has the capacity—so rare as to be almost unknown in the English novel—of handling emotional relationships with a combined tenderness, humour and realism."—THE TIMES LITERARY SUPPLEMENT

kitchens Hamilton has inhabited through the years: the rural kitchen of her childhood, where her adored mother stood over the six-burner with an oily wooden spoon in hand; the kitchens of France, Greece, and Turkey, where she was often fed by complete strangers and learned the essence of hospitality; Hamilton's own kitchen at Prune, with its many unexpected challenges; and the kitchen of her Italian mother-in-law, who serves as the link between Hamilton's idyllic past and her own future family—the result of a prickly marriage that nonetheless yields lasting dividends. By turns epic and intimate, Gabrielle Hamilton's story is told with uncommon honesty, grit, humor, and passion. Bvlgari's new high jewelry collection pays tribute to the pioneering visions of indomitable women who blazed their own paths, broke boundaries, or shattered cultural norms. In keeping with the inspiration for the jewelry collection, this book is an ode to women, as suggested by the female name "Magnifica." This launch marks the start of a new chapter in a history filled with energy, impact, and daring creativity, with a collection of outstanding pieces at the height of High Jewelry, creativity, and artisanship, conveyed through expertise and craftsmanship. In a male-dominated world, Bvlgari's muses have helped forge a new perception of women thanks to their courage, resilience, and talent. Whether they may be artists, art patrons, or intellectuals, they have shared the same ability to

think outside the box, reimagining their future in an unapologetic way. Based on the three pillars of stunning gems, inspiring muses, and the gifted hands of artisans and designers, Bvlgari's Magnifica book is divided into three sections—Head, Heart, and Hands—and outlines Bvlgari's new jewelry ecosystem. In addition to gorgeous photographs of jewels, the voices of the contributors to this volume, who are all women, will trace a path of encouragement and provide an example for today's women to pursue their intuitions and cultivate their talent.

In this gorgeous full-color lifestyle cookbook, the Italian cook, television personality, and bestselling cookbook author offers personal tips and tricks on maintaining a healthy diet and provides 65 of his favorite Mediterranean recipes to help you eat deliciously and live well. "What do you eat on a typical day?" This is the question Italian cook and television personality Marco Bianchi is frequently asked. A food mentor revered for his expertise in

maintaining a healthy diet and lifestyle, he believes that one's daily food regime is the key to reaching and sustaining health and happiness. Now, for the first time, Marco opens his home in Milan and shares insights on eating and wellness, as well as some of his favorite recipes—everything necessary to feed the body, mind, and soul. Cucinare is an exciting behind-the-scenes look at Bianchi's everyday life, captured in nearly 200 color photographs. In talking about healthy eating, he reminds us that the most often overlooked items for a good, balanced diet are already in the pantry and fridge. He dispels myths involving the science of nutrition and enthusiastically demonstrates his art, giving you the step-by-step instructions and simple ingredients to create delicious, healthy dishes, including: Apple Walnut Salad with Balsamic Honey Dressing Mini-focaccia Breads with Seeds and Olives Roasted Cherry Tomatoes with Onions Pasta with Eggplant, Taggiasca Olives, Capers, and Mint Mediterranean Sushi Eating well isn't a

mystery, Bianchi makes clear. The key to building a foundation for good health starts at the dinner table. Mangia!
