 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for

you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal

With contributions from leading brand experts around the world, this valuable resource delineates the case for brands (financial value, social value, etc.) and looks at what makes certain brands great. It covers best practices in branding and also looks at the future of brands in the age of globalization. Although the balance sheet may not even put a value on it, a company's brand or its portfolio of brands is its most valuable asset. For well-known companies it has been calculated that the brand can account for as much as 80 percent of their market value. This book argues that because of this and because of the power of not-for-profit brands like the Red Cross or Oxfam, all organisations should make the brand their central organising principle, guiding every decision and every action. As well as making the case for brands and examining the argument of the anti-globalisation movement that brands are bullies which do harm, this second edition of *Brands and Branding* provides an expert review of best practice in branding, covering everything from brand positioning to brand protection, visual and verbal identity and brand communications. Lastly, the third part of the book looks at trends in branding, branding in Asia, especially in China and India, brands in a digital world and the future for brands. Written by 19 experts in the field, *Brands and Branding* sets out to provide a better understanding of the role and importance of brands, as well as a wealth of insights into how one builds and sustains a successful brand.

Nell'estate del 1963, sull'isola atlantica di Bone Point, il sedicenne Michael si innamora per la prima volta. Ma anche il padre del ragazzo è incantato da Zina, ed è lui il prescelto. Commedia dolcesamara di attrazioni asimmetriche, dove ogni personaggio desidera chi non può avere, Acqua di mare è soprattutto la storia d'amore tra un ragazzo e suo padre, eroe imperfetto e fascinioso. Con lui Michael nuota, va a pesca, affronta i primi discorsi importanti di un'estate che segnerà il suo destino. E tra padre e figlio si gioca lo scioglimento, drammatico e ineludibile, sullo sfondo di un mare che ha lo stesso sapore delle lacrime.

Padre Pio is a masterpiece of God's love for us. With Padre Pio the extraordinary was ordinary, the uncommon was common, the supernatural was natural, the unthinkable was routine, and the unpredictable was norm. It cannot be imagined a more complete, lasting, unwavering selflessness in a human being. From birth to death every day of his life was consumed by the love and imitation of God through Jesus, consumed by the love and help for the suffering humanity of his brothers and sisters on earth, consumed by the love and suffrage of the souls in Purgatory to shorten and mitigate their pain, consumed by the love and obedience at any price to the Roman Catholic Church. God lavished on him his gifts with an abundance that has no equal. And Padre Pio made good use of them, with healings, resurrections, levitations, prophecy, reading the hearts, speaking in tongues, reading unknown languages, spreading a scent of flowers, multiplying food in times of need, permanent visible presence of the Guardian Angel, frequent visitations with heavenly Beings, seeing the souls from Purgatory, knowing in details the status of the deceased, preventing bodily harm in bilocation, preventing accidents in bilocation, preventing destruction of things in bilocation, healing in bilocation, assisting in bilocation dying people for a peaceful trespassing. He did those

things while ingesting minimal food, taking minimal sleep, having constant headaches, enduring a lifelong chronic bronchitis frequently diagnosed as pulmonary tuberculosis, going through bouts of extremely high fevers and profuse nightly sweating. Padre Pio's distinguishing characteristics were kindness, joy, serenity, humility, modesty, piety, attitude of forgiveness, perfect obedience to all ecclesiastical authorities. He relived the Passion of Christ through thousands of Masses. By raising his right wounded hand He absolved millions of sins. He walked millions of painful steps on his wounded feet. His fingers went through millions of rosaries. His lips uttered billions of "Ave Maria". His body went through billions of seconds in pain for the wounds. Each and every one of His trillions of heartbeats was a grandiose symphony for the Glory of God. 163 Now He is in Heaven immersed in the joy of the beatific vision. In Paradise he continues to work for us, pray for us, intercede for us, distributing all kinds of graces for the asking. The only thing he doesn't do anymore is suffering. Thank you God for having given us Padre Pio.

In the nineteenth century a new type of mystic emerged in Catholic Europe. While cases of stigmatisation had been reported since the thirteenth century, this era witnessed the development of the 'stigmatic': young women who attracted widespread interest thanks to the appearance of physical stigmata. To understand the popularity of these stigmatics we need to regard them as the 'saints' and religious 'celebrities' of their time. With their 'miraculous' bodies, they fit contemporary popular ideas (if not necessarily those of the Church) of what sanctity was. As knowledge about them spread via modern media and their fame became marketable, they developed into religious 'celebrities'.

In 1944, Laird Cregar played Jack the Ripper in *The Lodger*, giving one of the most haunting performances in Hollywood history. It was the climax of a strange celebrity that saw the young American actor—who stood 6' 3" and weighed more than 300 pounds—earn distinction as a portrayer of psychopaths and villains. Determined to break free of this typecasting, he desperately desired to become "a beautiful man," embarking on an extreme diet that killed him at 31. This first biography of Cregar tells the heartbreaking story of the brilliant but doomed actor. Appendices cover his film, theatre, and radio work. Many never before published photographs are included.

Essendo l'autore da sempre innamorato della religiosità popolare nei suoi vari aspetti, questo libro nasce dal bisogno di voler riscoprire, e al tempo stesso valorizzare, le radici devozionali del popolo Sammarinese. L'autore dà spazio non solo alla celebre manifestazione esterna, in cui si distinguono le enormi torce di fuoco chiamate Fracchie, che sfilano durante la sera del Venerdì Santo, ma mette soprattutto in risalto la figura della Vergine Addolorata, la vera protagonista della devozione secolare Sammarinese.
