What do you do with the rest of your life when your reason for living doesn't exist anymore? Aaliah Carye is a girl that was the perfect example of content, a high school senior at Providence High in Providence, Rhode Island, hiding behind her books and looking for love in novels instead of opening her eyes to the real world, until she met Garrett Blake who opens her eyes to not only the real world, but to a dream that she can not believe is reality. Everything that she thought she wanted changes, she starts to find out that there is more to her than she ever thought, and that she does not have to run to a fairy tale to find love anymore until everything falls apart. Garrett moves back to Providence to get his depressed mother away from Boston, the city that she hates after his father's death. His little sister Sandy and he try to live a normal life and try to keep his mother from killing herself. When he finds Aaliah, he realizes that he can find happiness in his

crazy world, but a mistake he makes turns everything upside down. Trying to live two separate lives away from their reasons for living causes both of them to go crazy, but they have to let each other go. Even if it does mean that they will never be happy until they are together again.

“An insightful memoir that uncovers unique stories about matters of the heart.” —Essence The inspiring New York Times bestseller from Common—the Grammy Award, Academy Award, and Golden Globe-winning musician, actor, and activist—explores how love and mindfulness can build communities and allow you to take better control of your life through actions and words. Common believes that the phrase “let love have the last word” is not just a declaration; it is a statement of purpose, a daily promise. Love is the most powerful force on the planet, and ultimately the way you love determines who you are and how you experience life. Touching on God, self-love, partners, children, family, and community, Common explores the core tenets of love to help us understand what it means to receive and, most importantly, to give love. He moves from the personal—writing about his daughter, to whom he wants to be a better father—to the universal,

where he observes that our society has become fractured under issues of race and politics. He knows there's no quick remedy for all of the hurt in the world, but love—for yourself and for others—is where the healing begins. In his first public reveal, Common also shares a deeply personal experience of childhood molestation that he is now confronting...and forgiving. Courageous, insightful, brave, and characteristically authentic, Let Love Have the Last Word shares Common's own unique and personal stories of the people and experiences that have led to a greater understanding of love and all it has to offer. It is a powerful call to action for a new generation of open hearts and minds, one that is sure to resonate for years to come.

Seven stunning stories of speculative fiction by the author of *A Boy and His Dog*. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This

story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. I Have No Mouth and I Must Scream also includes “Big Sam Was My Friend,” “Eyes of Dust,” “World of the Myth,” “Lonelyache,” Hugo Award finalist “Delusion for a Dragon Slayer,” and Hugo and Nebula Award finalist “Pretty Maggie Moneyeyes.”

Has anyone ever asked you—What were the best days of your life? That one period of your life you always wanted to go back to? And live that life . . . one more time? When asked this, I closed my eyes and went back in my own past. And I thought . . . . . of the days, when life's most complex choices had a simple solution of Akkad Bakkad Bambey Bo! . . . of the seasons when rains were celebrated by making paper boats. . . . of the times when waiting at the railway crossing meant counting the bogies of the train passing by. When I opened my eyes, it seems Like it Happened Yesterday! Like it was yesterday that I broke my first tooth and fell in love for the first time. Like it was yesterday, when I was about to lose my friend, and suddenly he became my best friend. I look back and it becomes a journey full of adventure. It makes me laugh, it makes me cry and I know I'm here because I was . . . Come, hold my hand, and take this trip with me. It will be yesterday for you, once again!

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Life is predictably random, and no one knows that better than the recently retired Rob Turner who spends his days watching reruns on TV, sitting on his patio deck drinking whisky, and waiting for his wife Susan to return home from work. His carefree (ok, boring) existence is shattered when his doctor delivers the devastating news that he has less than a year to live. Hoping to spare his family the pain of waiting for him to die, Rob decides to keep his diagnosis to himself. When Susan comes home from work one day and finds Rob deep in conversation with a squirrel, she suggests he get out of his rut by taking a trip. Rob jumps at the opportunity, and within days he embarks on a month-long bucket list-adventure to Scotland. Though his looming death is constantly on his mind, Rob enjoys a couple of weeks touring the distilleries, lochs, and castle ruins of the Scottish Highlands. The last stop on his tour is the Isle of Islay, and it's there that he meets two people who will change his outlook on life: Mia, an attractive British widow who brings him to the brink of temptation, and Moses, a Scottish shaman of sorts who, upon hearing of Rob's impending death, predicts a much happier ending for him. Rob boards his flight back to LA feeling renewed, refreshed, and ready to face his destiny, whatever it may be. He can't wait to see Susan and share a few surprises he has for her, not the least of which is coming clean about his diagnosis. Will it be the reunion made in heaven that he's hoping for? When life is predictably random, it's anybody's guess.

Mitzi and Goldies reunion in San Francisco is filled with joy and sorrow. After an absence of 48 years time falls away as though they never parted. The dark cloud is an illness in his family. The daily e-mails continue, more meaningful than ever, as Mitzi comforts and consoles Goldie. Their bond deepens, enhanced by the physical intimacy they have shared. Goldie sends Mitzi two birthday gifts. Each element of the jewel is imbued with significance which he delineates, the circle of diamonds indicating they have come full circle, are joined together again. The second gift is a photo album Goldie made, recreating their history, with pictures of places in their home town. On the last photo, of his school locker, he writes This is where we met between classes for 90 seconds, because we couldnt bear to be apart. Mitzi breaks her foot. At home, in pain, she reflects on Goldies marital status and writes him an e-mail saying In my experience married men dont leave, they simply break your heart. Please dont break my heart. He takes offense that she would question his integrity and motivation and suggests they go on hiatus until he has progress to report. She is devastated, sends a flurry of e-mails, begs forgiveness. They continue stronger than before. A new trip is planned, this time to Washington, D.C. It turns out to be both heaven and hell. It is heaven because the relationship is so strong, so close. He opens his heart about how bad his marriage is and his plans to end it. It is hell because they are both unwell. He suggests a third trip, to Niagara Falls. She knows this is the trip that will make all the difference, will cement their God given union. Then the unthinkable happens.

**First Love and Last Love** Turtleback

LAST CALL Allow me to introduce myself. My name is Niall Kerry. I'm almost forty years old, and I'm drowning in something that begins with 'S' - it doesn't quite seem appropriate to write it down here. After a lifetime out on a sports field, living as a champion - as someone who never had to ask for anything - I've suddenly found myself starting from scratch. I'm living in the middle of nowhere with my parents, I'm jobless, and I have a teenage daughter who hates me. Oh, and I have to try and regain the trust of everyone I know. It's not easy to convince people that, deep down, you're not so bad; that you're no longer that troublesome kid they once knew. It's not easy to work my way into the heart of my favourite headmistress, Jordan. It's especially difficult when she wants nothing to do with me. But you know what? I'm not the kind of guy who just sits back and accepts defeat, or who stops at the small print at the bottom of the page. I'm someone who plays right until the final whistle. And when her heart is on the line, I'm ready to make my strict, sexy headmistress an offer she can't refuse. ABOUT LAST NIGHT Allow me to introduce myself. My name is Tyler Hayes, and I'm a fireman. Sorry to already disappoint you, but I'm not the person you think I am. My charming uniform and seductive smile have caused nothing but trouble, and my not-so-honourable reputation, which I used to be so proud of, has kept me away from the one person I wanted to spend the rest of my life baking cookies for; my sweet, beautiful, slightly crazy Miss White. I guess now I need to tell the whole story. At forty years old, following years of self-sabotage, I've suddenly found myself admitting that I know absolutely nothing. Maybe my friend Niall was right when he told me to accept the process and just grow up. And now it's too late; I'll never be able to keep her close to me. All that's left to do is watch helplessly - but deservedly - as my world comes tumbling down around me. ONE LAST KISS Rian Allow me to introduce myself. My name is Rian Kerry, and I'm in huge trouble. This is how it happened: I had a crush. You know those teenage crushes, which I'm sure you've all experienced, too. It was that kind of crush that makes your knees tremble, that makes you blush violently and stammer when you're with that person. One of those crushes that you assume you'll just grow out of, the way the seasons change.

The problem is that my crush didn't go anywhere. Actually, it only got worse, transforming into something absurd and unbearable, which no one could seem to understand. Especially not him. Because he's off-limits. He's barricaded himself within his walls, from a sense of fear and guilt. He's locked up his heart forever, and seems to have no intention of letting anyone in ever again. My friends, Jordan, Anya, and Holly, say that he just needs a little push. They say that he needs to learn to believe again. But I don't think he'll ever be ready, because he simply doesn't want to be. He doesn't want to believe. Not in something like us. Parker Allow me to introduce myself. My name is Parker Hayes, and I'm an idiot. Yep, you heard me right. I'm a real idiot. And, I swear, that's putting it lightly. But I'm a lot of other things, too. I'm a fireman, and a single father to two cheeky, hyperactive six-year-old twins. I'm a brother to Tyler, another fireman - and another idiot - who always seems to stick his nose into my business. I'm a kind-of friend to Niall, yet another idiot with nothing to do but barge into my life, uninvited. Let's get back to the point, here: the reason I'm an idiot. Well, it's pretty simple. I've lost my mind. Literally. It happened again. I fell for it. With my head, with my body, and with the heart I was sure I'd never be able to piece back together after another inevitable disaster. The problem is that she's not like the others. She bakes cakes with my daughters, laughs with them, and shows them her magic bag. They're crazy about her. And so am I. And now she knows it, and I know it, and everyone around us knows it. But I can't take that step. I can't let everything go to start over. I can't live through this again - because this time, I won't be left standing. Not if she's the one to break my heart. On Saturday, 23 October 2010, Sonia Oatley waved off her 15-year-old daughter, Becca, to meet Joshua Davies, a former boyfriend. Becca's hope was that the two of them would get back together, but it was not to be. By 3pm, oddly, she stopped answering her mobile. By 7.30 she was officially declared missing. And at 10am the following morning, while Sonia and the family were out searching, came the call that is every parent's worst nightmare. The police had found the body of a young girl in local woodland: she'd been bludgeoned to death with a rock. Bye Mam, I Love You is the story of Rebecca Aylward's murder - a slaying that was described by an incredulous media as having been committed for 'the price of a breakfast'. But, as soon became clear, this was no crime of passion. Becca's death had apparently been many months in the planning, by a calculating, cold-blooded killer. From the immediate arrest of 16-year-old Joshua Davies, to the lengthy investigation and harrowing five week trial that convicted him, this book is both an expression of a mother's love and her pride in a daughter who had so much to live for, as well as an insight into the mind of a brutal murderer.

Opposites attract in this unforgettable favorite from New York Times bestselling author Sherryll Woods Victoria Marshall was an incurable romantic with her antique shop and rustic farmhouse, love poems and yesterday's fashions. She was yearning for a Prince Charming to sweep her off her feet. The dashing Tate McAndrews fit the bill, but alas, the IRS representative overseeing her audit had the soul of a stuffy realist. Tate was so...sensible, so practical...without an impulsive bone in his gorgeous body. How could she yearn with such heated longing for a man her mind knew was wrong for her? Could they share more than a brief romance without driving each other crazy? Love, Victoria knew, would find a way.
