Opening the Prayer Book introduces us to the history and liturgies of *The Book of Common Prayer*, and helps us understand why the prayer book is such an important aspect of Anglican self-understanding.

Leading Intercessions

Kevin Mayhew Publishers
How cultivating a healthy fear of God liberates us from our fear of others, our fear of the future, and even our fear of death itself. At times the world feels like it's losing its mind. From politics to the pandemic, we live with an ever-increasing uncertainty, and many of us have grown to fear the rapid disintegration of our society and our own lives. *Recovering Our Sanity* is not another self-help book about how to beat your daily fears for a better life. It's a book that will show you the gravity and glory of a God who's worthy of our fear. It's a book that will reveal how these two biblical phrases—Fear God and Do Not Be Afraid—are not contradictory but actually one coherent message. Michael Horton—Professor of Theology and Apologetics at Westminster Seminary—shows us that we cannot fight our fears by seeking the absence of fear altogether, but by living with a fear of God that drives out the fear of everything else. Horton will walk you through the case for the fear of God by: Developing what it means to fear God, biblically and theologically, and what

this kind of fear looks like in practice. Categorizing different types of fears—from cultural anxiety to pain and hardship—and what they stem from. Focusing on how to confront our earthly fears with our hope in Christ, rooted in the gospel. Reminding us that God does not exist for us; we exist for God. Humbling, thought-provoking, and hope-igniting, *Recovering Our Sanity* delivers a timely message that will help you shift your focus from a human-centered obsession with self-preservation to a fixation on Christ and his salvation. Rather than clinging to false securities and promises of immediate gratification, you can gain the lasting joy of knowing the One who has given himself to save us and who says to us, "Do not be afraid." Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the

Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation. *In the Silence of the Heart*
Westminster John Knox Press
New York Times best-selling author of *Wild at Heart* John Eldredge offers readers a step-by-step guide to effective Christian prayer. How would it feel to enter into prayer with confidence and assurance—certain

that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture.

Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you. *Moving Mountains* is also available in Spanish, *Mueve montañas*. To dive deeper into the *Moving Mountains* message, the *Moving Mountains* study guide and video study are available now.

A guide to a deeper understanding and richer relationship to the Book of Common Prayer, and a more profound faith. In this guide for newcomers as well as lifelong Episcopalians, author Vicki Black helps readers navigate the currents of Anglican liturgy and discover its richness and beauty. As we use the Book of Common Prayer, Black says, "we discover we are not alone, and this liturgical current of worship, prayer, and praise will indeed take us where we want to go—union with the God we seek to love." Welcome to the Book of Common Prayer shows readers

everything from where to find the Sunday collect to how to pray the Daily Office. But it's more than a how-to. It offers history and background that help make the prayer book a more meaningful part of the worship life of individuals and congregations. With thoughtful reflection questions, this is a perfect volume for parish study groups.

The Service for the Lord's Day describes the general format or ordering of worship in the Presbyterian Church (U.S.A). The creation of

the service for the Lord's Day was one of the most positive contributions of the Worship Book of 1970. The Presbyterian Supplemental Liturgical Resource (SLT) series includes liturgies that were used on a trial basis in preparation for the development of the Book of Common Worship. Though superseded by the Book of Common Worship, SLR resources remain valuable, both for the variety of liturgical texts they contain and for the commentary on the text, which contains rich historical, theological, and practical background.

"What is at stake is authenticity. . . . Sooner or later Christians tire of public meetings that are profoundly inauthentic, regardless of how well (or poorly) arranged, directed, performed. We long to meet, corporately, with the living and majestic God and to offer him the praise that is his due."—D. A. Carson
Worship is a hot topic, but the ways that Christians from different traditions view it vary greatly. What is worship? More important, what does it look like in action, both in our corporate

gatherings and in our daily lives? These concerns—the blending of principle and practice—are what Worship by the Book addresses. Cutting through cultural clichés, D. A. Carson, Mark Ashton, Kent Hughes, and Timothy Keller explore, respectively: · Worship Under the Word · Following in Cranmer's Footsteps · Free Church Worship: The Challenge of Freedom · Reformed Worship in the Global City "This is not a comprehensive theology of worship," writes Carson. "Still less is it a sociological analysis of current trends or a minister's manual chockfull of 'how to' instructions." Rather, this book offers pastors, other congregational leaders, and seminary students a thought-provoking biblical theology of worship, followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship. Running the gamut from biblical theology to historical assessment all the way to sample service sheets, Worship by the Book shows how local churches in diverse

traditions can foster corporate worship that is God-honoring, Word-revering, heartfelt, and historically and culturally informed.

We live in a visual culture.

Today, people

increasingly rely upon

visuals to help them

understand new and

difficult concepts. The rise

and stunning popularity of

the Internet infographic

has given us a new way in

which to convey data,

concepts and ideas. But

the visual portrayal of

truth is not a novel idea.

Indeed, God himself used

visuals to teach truth to

his people. The tabernacle

of the Old Testament was

a visual representation of

man's distance from God

and God's condescension

to his people. Each part of

the tabernacle was meant

to display something of

man's treason against

God and God's kind

response. Likewise, the

sacraments of the New

Testament are visual

representations of man's

sin and God's response.

Even the cross was both

reality and a visual

demonstration. As

teachers and lovers of

sound theology, Challies

and Byers have a deep

desire to convey the

concepts and principles of

systematic theology in a fresh, beautiful and informative way. In this book, they have made the deepest truths of the Bible accessible in a way that can be seen and understood by a visual generation.

This useful collection of prayers has grown out of David Currie's own weekly worship services. His style is modern but not trivial or lacking in dignity. The calls to worship and confession, especially, speak in contemporary language and use experiences of everyday life for illustration.

Included are calls to worship and opening prayers, calls to confession and prayers of confession, and prayers for special days and occasions. Pastors and lay leaders of worship will welcome this fresh, new source of practical assistance.

The 1928 Book of Common Prayer Church House Publishing

The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section

containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value.

Fresh, inclusive, creation-conscious prayers to nourish your soul—and the soul of your worship community. "We are called to name the extravagant wildness of God, the overflowing abundance of creation, and the deep aching need of a broken world in new words and images that speak to contemporary concerns.... [These prayers] are an invitation to pray boldly." —from the Introduction This special prayerbook is for today's Christians who find comfort in the rhythm of the traditional lectionary but long to connect with God in ways that are satisfying to the modern heart and mind. Founded on creativity, inclusivity

and sharing, it encourages us to remember the divine elements of the natural world around us as we express our hopes and fears for others and ourselves. Inspiring words help us give thanks for human inventions and lament the evils of poverty, violence and oppression of all kinds while remaining mindful of God's promises of healing for a broken world. Following the annual procession of the seasons with prayers that are appropriate for personal devotion as well as for use in leading worship, these new ways to call on God will feed your soul and inspire you to find your own fresh language for thanksgiving, praise, intercession and petition, whether in your community or personal spiritual life.
